MONETARY AWARDS PROGRAM

We have received 2 requests from athletes for reimbursements for the monetary awards program.

1. Taylor Lucas for the 2023 51st Challenge "210"
2. Will Heller for the FISU America Games

Will also requested funds for the 2023 IWF Junior World Championships. The issue is that we believe that Will was no longer a member of the Ohio WSO, and as such is not eligible. Candace will check with JP Nicoletta from USAW at the American Open Finals to determine when Will ceased to be a member of the WSO. The other two requests are approved.

The board voted to change the policy moving forward that all requests for reimbursement must be submitted to the committee by the end of the first quarter (March 31st) following the end of the year in which the competition took place.

BOARD

We will send out an email to the state membership about filling the open position on the board.

FINANCIALS

We currently have around \$22,000 in funds.

STATE MEET

The Expo Center is booked for the entire summer. As such, we will need to find a new venue for the meet. We will reach out to both hotels in the Columbus area, as well as local colleges (excluding The Ohio State University).

NEXT MEETING

The next meeting will occur sometime in January. More details to follow.
