USS FUNDRAISING PROGRAMS

Fundraising raises money for USS and promotes its athletes vision and mission. Thanks to the generous support of many people and organizations, USS programs continue to expand to help more athletes, from beginning skaters to Olympians. During the 2022-23 season, the USS fundraising activities below generated \$238,816 for our athletes and programs.

ANNUAL FUND

The Annual Fund provides individuals a way to support USS and its World Class athletes. Tax-deductible donations in any amount to USS goes to the funding of the National Training Program, Development Programs, World Cup Teams and Olympic Teams.

DONOR FUNDED ATHLETE SUPPORT PROGRAM

The Donor Funded Athlete Support (DFAS) program enables donors to give direct support to USS athletes. On an annual basis, money from the Program will be allocated directly and evenly to qualified athletes determined by criteria set by the USOPC and USS.

US SPEEDSKATING FOUNDATION

The US Speedskating Foundation (USSF), a 501c3 organization, supports year-round athlete training, development, competition and education for speed skaters in the United States. Through annual grants, the USSF provides funds to support programs that grow the sport of speed skating from the grassroots level all the way to podiums at the Olympic Games. Donations to the USSF are tax deductible.

91 & COUNTING

This annual event celebrates US Speedskating's past and present athletes with supporters to help raise funds for current and future athletes of our sport.

At the 8th annual 91 & Counting, USS raised over \$100,000 to support athletes and programs.

PODIUM CLUB

The US Speedskating Podium Club is an important fundraising program for USS. With an annual contribution of \$2,500 or more, Podium Club members receive the opportunity to attend special USS events, receive insider news and Under Armour/USS co-branded gear. The Podium Club contributions directly support athlete training and preparation. Thank you to our 2022-2023 Podium Club members and donors.
