We will contest teens, seniors and masters divisions only. This is intended to be a fun small, possibly first, tournament for recreational or novice judoka who might hesitate to enter a large event with a large number of elite-level competitors. Although, if there is demand for it, we can add "elite only" divisions for such players. Coaches, please let us know. We welcome new players, referees, and tournament workers. This is a fund raising event, to benefit club facility improvements.

MAAPP Policy The Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. The full MAAPP policy can be found at www.usjudo.org.
