## 2025-26 OPERATION GOLD

The Operation Gold qualifying event for U.S. Paralympics Nordic Skiing is the Paralympic Games.

In a Paralympic Games year, teams and individuals must place in the top-three at the Paralympic Games to qualify for Operation Gold Awards; multiple Operation Gold Awards can be received if an athlete has multiple top-three finishes at the Paralympic Games.

In non-Paralympic years, Operation Gold Awards are limited to one award per athlete in a program year in the respective sport; athletes who qualify for more than one award automatically receive the higher award. Individuals must finish in one of the top eight places, while teams must finish in one of the top six places at the qualifying event in order to qualify for Operation Gold Awards in non-Paralympic years, provided individuals/teams finish among the top 50% of the individuals/teams who started the event.

For purposes of Operation Gold, a team is defined as three or more athletes (pairs are awarded at the same rate as individual athletes).

NOTE: For Paralympic sports with a discipline or event that is not included on the program of the upcoming Paralympic Games, that discipline or event will not be eligible for Operation Gold. However, if a Paralympic sport has a revolving program for the Paralympic Games (i.e., an event is taken from the program one quad, but is added back to the program the next quad), that event or discipline will remain eligible for Operation Gold at the approved qualifying event.

### Paralympic Sport Payment Schedule

### **[U.S. Anti-Doping Agency \(USADA\) Resources](#)**

#### **Whereabouts:**

An important part of USADA's testing program is the ability to test athletes without any advance notice in an out-of-competition setting. Athletes are subject to testing 365 days a year and do not have "off-seasons" or cutoff periods in which testing does not occur. Whereabouts information, (dates, times, locations, etc.) is information submitted to USADA by an athlete that allows the athlete to be located for out-of-competition testing.

#### **Therapeutic Use Exemptions (TUEs):**

In some situations, an athlete may have an illness or condition that requires the use of medication listed on the [World Anti-Doping Agency's Prohibited List](#). USADA can grant a Therapeutic Use Exemption (TUE) in these situations in compliance with the World Anti-Doping Agency International Standard for TUEs. The TUE application process is thorough and designed to balance the need to provide athletes access to critical medication while protecting the rights of clean athletes to compete on a level playing field.

#### **Global Drug Reference Online (Global DRO):**

The Global Drug Reference Online (Global DRO) provides athletes and support personnel with information about the prohibited status of specific medications based on the current World Anti-Doping Agency (WADA) Prohibited List.

#### **Clean Sport Handbook:**

A comprehensive resource providing an overview of the doping control process, athlete rights and responsibilities, and other crucial information for athletes and athlete support personnel.

#### **Pocket Guide:**

A condensed resource providing an overview of the doping control process, athlete rights and responsibilities, and other crucial information for athletes and athlete support personnel.

#### **Supplement Guide:**

The TrueSport Supplement Guide details the benefits of a food-first nutrition strategy, providing food and supplement comparisons, as well as ways to help athletes realize and reduce the risks associated with dietary supplements.

#### **Nutrition Guide:**

In consultation with registered dietitians, USADA and its TrueSport program created an optimal dietary intake guide for those looking to reach their full potential through nutrition.

### **Athlete Safety**

Athlete safety is of the utmost importance to the U.S. Olympic & Paralympic Committee (USOPC). In an effort to create a safe environment that is free from misconduct and abuse, it is critical that you review the policies and reporting requirements listed below. While we have provided some important highlights from the policies below, please take the time to review them thoroughly. For additional information regarding the USOPC's Athlete Safety Program, or to report an allegation of misconduct or abuse please visit [www.usopc.org/safe-sport](http://www.usopc.org/safe-sport).

#### **Policies**

- [USOPC Athlete Safety Policy](#)
- [USOPC Minor Athlete Abuse Prevention Policies \(MAAPP\)](#)
- U.S. Center for SafeSport's [SafeSport Code for the U.S. Olympic and Paralympic Movement](#) (SafeSport Code)

#### **Prohibited Conduct**

Adult participants are expected to refrain from engaging in Prohibited Conduct as defined in the [USOPC Athlete Safety Policy](#), and the U.S. Center for SafeSport's [SafeSport Code for the U.S. Olympic and Paralympic Movement](#). Prohibited Conduct includes, but is not limited to the following:

- Sexual misconduct
- Child abuse
- Emotional misconduct
- Physical misconduct
- Bullying
- Harassment
- Hazing
- Retaliation
- Violations of the USOPC MAAPP

#### **USOPC MAAPP**

Adult participants are required to be familiar with and comply with the USOPC MAAPP. The USOPC MAAPP establishes clear requirements for interactions between Adult Participants and Minor Athletes. Minor Athletes, and their parent/legal guardian, should also be familiar with the USOPC MAAPP.

#### **Reporting Requirements**

As detailed in the USOPC Athlete Safety Policy, Adult Participants are required to report allegations of Prohibited Conduct, to include violations of the MAAPP. While the mandatory reporting requirements apply to Adult Participants, the USOPC encourages anyone who becomes aware of, or experiences misconduct or abuse, to report those allegations. For additional information regarding the USOPC's Athlete Safety Program or to report an allegation of

Prohibited Conduct please visit [www.usopc.org/safe-sport](http://www.usopc.org/safe-sport) and review the USOPC Reporting Guidelines below.

### **Training Requirements**

Adult participants must complete, or have completed within the last calendar year, the U.S. Center for SafeSport's SafeSport™ Trained Core training, or applicable Refresher training course if they have previously taken the SafeSport™ Trained Core training. Please note, NGB membership with SafeSport training will be accepted. If you are not in compliance with training, depending on the required course, it will take at least between 30 to 90 minutes to complete the training. Taking the SafeSport™ Trained Core or Refresher training is free.

If you are a Minor Athlete, completing SafeSport training is not required, however, we recommend Minor Athletes work with their parent/guardian to take the free youth training course offered by the U.S. Center for SafeSport. The U.S. Center for SafeSport also has resources available to parents/guardians regarding abuse prevention in sport, to include the Parent Toolkit, and free online training. These resources, and information regarding the training for both minor athletes and parents/guardians is available at: <https://uscenterforsafesport.org/training-and-education/safesport-courses-for-all/>.

### **USOPC Reporting Guidelines**

If you learn of any allegation of emotional, physical or sexual misconduct, retaliation, or a violation of the USOPC Minor Athlete Abuse Prevention Policies (MAAPP), **DO NOT evaluate the credibility of the allegation or investigate the allegation. Your vital job is simply to report the allegation to the appropriate entities.** The following guideline outlines your reporting requirements.

### **How to Report a Concern**

**For Sexual Misconduct, Child Abuse, or Retaliation: Report to the U.S. Center for SafeSport (the Center)**

- Online: <https://uscenterforsafesport.org/report-a-concern/>
- Phone: 833-587-7233
- If you become aware of an allegation of sexual misconduct, child abuse, or retaliation you **must immediately** report to the Center.

In addition to reporting to the Center, you **must also report child abuse to law enforcement.** If you learn of information or reasonably suspect that a child (defined as under the age of 18) has suffered an incident of child abuse to include neglect, physical, emotional, and sexual abuse, you **must** report this to law enforcement, or, in some states, child protective services **immediately.** Filing a report with the Center **does not** satisfy the reporting requirement to law enforcement. Please include the law enforcement case number or reference number in your report to the Center. The appropriate law enforcement agency or child protective services agency is most often the local agency where the incident occurred.

**For Emotional or Physical Misconduct or MAAPP Violations\*: Report to the USOPC Office of Athlete Safety**

- Online: <https://www.teamusa.org/AthleteSafetyReportingForm>

- Phone: 719-866-3869
- Report directly to the Office of Athlete Safety: Maggie Green at [Maggie.Green@usopc.org](mailto:Maggie.Green@usopc.org) or 719-208-6031, or report directly to Nicole Deal at [Nicole.Deal@usopc.org](mailto:Nicole.Deal@usopc.org) or 719-373-7041. If you report directly to Maggie or Nicole, they will talk through the various options for reporting and will help to ensure that you satisfy your reporting obligations.
  - Nothing precludes you from reporting emotional or physical misconduct or MAAPP violations to the Center. While the Center has the exclusive jurisdiction for response & resolution of allegations of sexual misconduct, they can also assume discretionary jurisdiction over other forms of misconduct. If they do not assume jurisdiction, they have a process to route the allegation to the appropriate entity (e.g. NGB or USOPC) for response & resolution.

\*NOTE: If you learn of information or reasonably suspect that a child (under the age of 18) has suffered an incident of child abuse to include sexual abuse, you must follow the reporting requirements to law enforcement outlined in the Sexual Misconduct, Child Abuse, and Retaliation section above.
