Age Categories and Weight Divisions

JUNIOR AGE CATEGORIES AND WEIGHT DIVISIONS

Please note that each category is based on the year in which the contestant was born. All weights are in kilograms. For each weight division, the weight range will be over the next lower weight and up to and including the weight listed. Example: Bantam 1, 28 kg – over 23 kg and up to and including 28 kg.

For all **regular junior categories only**:

Athletes must select their true age/weight category as their first entry. They may also select as a “bonus” category one weight up in their true age category and/or move up one age category in their true weight. For example:

- First category is Bantam 2 female 19kg (true age/weight)
- Second category is Bantam 2 female 23kg
- Third category is Bantam 3 female 21kg

The above would be considered entry into three categories and three entry fees must be paid as outlined in the fee matrix above.

For all **novice categories only**, athlete ages and weights will be reviewed and possibly combined after official weigh-in closes to increase the number of competitors in a bracket while maintaining safe competition considering ages and weights.

Weigh In

A calibrated practice scale will be available prior to, and during, the weigh-in periods. However, in no case will contestants be allowed on the Official Scale during Official Weigh-in for the purpose of checking weight.

Athletes may check weight as many times as desired prior to the official weigh-in on the official scale. An athlete is given only one chance on the official scale during official weigh-in. Open division contestants do not need to weigh in. **At weigh in, Senior Elite, IJF and Cadet categories must present a government issued photo ID.** Photo ID not required for all other categories.

Naked weigh in is not allowed for any age/weight category. To compensate, 0.1kg will be allowed. For example, in the 44kg category the limit will be 44.1kg. This is a clothing allowance only and the 0.1kg will only be added to the true weight.

Athletes who neglected to change their weight during the check in process and missed weight during official weigh in, may enter an additional category by registering (and paying) for the new category as a walk-up registration.

IMPORTANT: All athletes must make their declared weight as registered unless a change is made during the check in/registration process prior to getting on the official scale. Athletes may change their weight category during check in/registration. Failure to make declared weight will result in the athlete not competing in that category. Athlete will not be automatically moved to next weight category. Once official weight is recorded, no changes to weight category will be accepted.

NO CHANGES WILL BE ACCEPTED AT WEIGH IN.

Check In

Check in only if you have a change to your weight or category. If there are no changes to be made, please proceed directly to weigh-in. **No changes will be accepted or made at weigh-in.**

Exhibition Matches

Exhibition matches may be offered for those athletes who are uncontested in their true age/weight category. Only those athletes who are uncontested may request an exhibition match. All efforts will be made to find one or two athletes within appropriate age/weight willing to participate. No points or medals will be awarded for exhibition matches. Request for exhibition matches must be made to the event director no later than 10 a.m. on the day that their uncontested category was scheduled. Blue and white gis still will be required.

Club Affiliation

Only current USA Judo clubs in good standing, at the time of registration, will be associated with the athlete's entry. Non-USA Judo clubs will not be affiliated with a registered athlete. Club affiliation is not required to compete in this tournament.

Credentials

Pre-registered athletes can pick up their credentials during the weigh-in process. All others at check-in.

Confirmation of Categories / Draw

A preliminary list of athletes by category/weight will be available at <https://usajudo.smoothcomp.com>. Athletes/coaches/representatives for the athlete are required to check the list to ensure the athlete is in the correct category/weight.

- Any corrections should be reported immediately to staff no later than noon on Saturday, Nov. 18. All corrections must be emailed to Vaughn.Anderson@usajudo.us or submitted in person onsite. **PHONE CALLS OR TEXTS WILL NOT BE ACCEPTED.**
- A correction form will be provided to record the correction. Corrections WILL NOT be accepted after the one hour posting time has expired.
- Corrections will be processed, then the draw will be run. Draw brackets and fight sheets will be posted at <https://usajudo.smoothcomp.com>.
- **IMPORTANT:** This period is for corrections / confirmations of changes made during the check-in/registration time period. **NO OTHER CHANGES WILL BE ACCEPTED.**

A representative for each athlete must review the posted preliminary list to ensure the athlete is in the correct category. Failure to confirm or make corrections during the Confirmation of Categories period may result in the athlete NOT COMPETING IN THIS TOURNAMENT. All draws will be conducted using USA Judo approved software. See Rules and Method of Competition for all seeding information. With the exception of seeding, the draw will be random. Once the draw is complete, there will be no changes except if two or more athletes fail to make weight or report to weigh-ins in the same category, the division may be redrawn.

Manager Credentials

Club team manager credentials/wristbands will be considered for USA Judo certified clubs with eight or more athletes competing on the same day. These credentials are for purposes of assisting athletes to their mats with the correct gi color on only. Coaching, taking photos, etc., will not be allowed. If there are no athletes on deck or in the hole, the club manager should not be inside the competition barricade. These club managers must hold current SafeSport certification and have an up-to-date background screen through USA Judo. The number of club manager credentials/wristbands will be based on the number of athletes a club has competing and issued at the discretion of USA Judo. These may be picked up at the Coach Credentialing table.

[Manager Credentials Application](#)

USA Judo holds the right to deny a credential if the listed requirements are not met.

Rules and Method of Competition

The President's Cup will be conducted in accordance with the 2020 Contest Rules, Organization Code and Sporting Code of the International Judo Federation, as revised for the USA Judo President's Cup.

Injury Rule: Decisions as to whether an athlete may continue if injured while on the mat, are to be resolved in accordance with IJF rules; such decisions occurring off the mat or not covered by the IJF rules, are to be made by the coach, the athlete, and the Team Doctor. If there is not a unanimous opinion among these three individuals, the athlete may not continue.

Competition Method for all Junior Categories – Three (3) or more athletes

The standard ("true") Double Elimination System with winner's and loser's brackets will be used. The winner of the loser's bracket will compete against the winner of the winner's bracket for 1st and 2nd place. The first one of these two contestants to have two losses will be placed second; the other will be placed first. The loser of the loser's bracket will be placed 3rd. Only one bronze medal will be awarded.

Competition Method for all Seniors, Brown Belt, Veterans and VI Categories – Six (6) or more athletes:

Categories having six (6) competitors or greater: Modified Double-Elimination with two (2) bronze medals. Players begin in the winner's bracket, but once they lose, they move to the loser's bracket, where they have the opportunity to make it to the bronze medal fights. There will be two bronze medalists. Players are guaranteed at least two matches.

Competition Method for ALL categories with Five (5) or less athletes:

Categories having five (5) Competitors or less: Round Robin Pool. The order of finish is determined by number of wins, then, if tied, by total points. If tied in wins and points, the winner of the head-to-head competition between the two who are still tied determines the winner. If three or more are still tied in wins and points for any place (first, second, or third), those contestants involved must contest again to determine the order of finish. Points are given to the winner only and shall be based on the highest single score of the winner, after factoring out scores that cancel out each other. Point values are Ippon= 10, Waza-ari= 1, win by shido = 0. If a contestant withdraws from a division prior to beginning his or her final match, the results of all that person's previous matches shall be discarded.

Osaekomi during golden score will be allowed to continue until time expires.

Round Robin Clarification:

- If Athlete A pulls out before finishing competition against other athletes in the category and does not go out onto the mat, all points won or lost associated with Athlete A are removed. No medal is awarded to Athlete A
- If Athlete A cannot finish competing due to an injury but goes out onto the mat (field of play), then Athlete B wins and is awarded ippon points. Athlete A receives 0 points.
- If Athlete A, who did not finish competing due to an injury, but went out onto the mat, they are eligible to medal.

Minor Athlete Abuse Prevention Policy (MAAPP)

The Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. The full MAAPP policy and the reporting mechanism for SafeSport infractions can be found at <https://www.teamusa.org/USA-Judo/MAAPP>.

USA Judo defines "regular contact with minors" as: "Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s). In the spirit of the moral code of judo, USA Judo requires adult members to self-certify whether or not they are considered as having "regular contact" with minors based on the aforementioned description. If an adult member is unsure whether or not they have "regular contact" with minors, USA Judo encourages those individuals (and their clubs) to err on the side of caution and complete the SafeSport Training and Certification. USA Judo, in cooperation with USA Judo Clubs and all LAOs, has the right to randomly review and assess members who may have regular contact with minors and require compliance if/when considered necessary by USA Judo Leadership.

The USA Judo SafeSport Handbook can be found at <https://docs.usajudo.net/SafeSport/2023/USA%20Judo%20Safe%20Sport%20Handbook.pdf>.
