

## Release to Compete with Breast Implants

Boxers who wish to compete with breast implants are required to have attached to their passbooks a completed Release to Compete with Breast Implants form. This form requires the written approval of their plastic surgeon, their primary care provider, and parent and/or guardian (if under 18 years of age). Boxers competing with breast implants will not be covered under the USA Boxing insurance program for damage to the implants, replacement of same or injury occurring from such damage.

I understand the above rule and give my permission for \_\_\_\_\_
