

# Florida WSO Minutes

**1/21/23** Phone Conference

## Attendees

Daniel Camargo, Brian Secrest, Neil Kanterman, Valentz Nicholas, Coby Rhodes, Christina Richards, Carl Penney, Michael Ben-Hain, Jason Doll

## Agenda

### New Business

1. Camargo has been working on equipment for states. Lycan is an option. This week Pedro said he could provide equipment including warmup and comp platforms. Secondarily Pedro requested that the WSO move states to May 18th to the Orange County Convention Center to coincide with the CrossFit Semi-Final Event. USAW is trying to develop a relationship with CrossFit HQ. If we decline Pedro will be asking local clubs to hold an event. Guaranteeing minimum 10,000 sq ft. up to 20,000. USAW will supply equipment/platforms/stage/backdrop/officials. WSO responsible for loaders, setup and breakdown. Unclear how breakdown of proceeds will work.
2. Ben Hain motions to vote. Kanterman seconds. 9-0 in favor with the stipulation that the WSO can profit at least similarly to prior years.
3. Questions include control of the meet, eligibility of non-state athletes for awards, vendors/sponsors, and breakdown of financials.
