ATHLETE SAFETY INFORMATION

All U.S. participants in this competition are subject to the requirements outlined in the [USOPC Athlete Safety Policy](#). Adult Participants are also required to be familiar with, and comply with, the USOPC Minor Athlete Abuse Prevention Policies (MAAPP) and Supporting Athletes with an Intellectual Impairment Policy, which can be found on the [USOPC Athlete Safety webpage](#). Participating in our events also comes with certain responsibilities, such as requirements to report Prohibited Conduct, to include violations of the MAAPP and the Supporting Athletes with an Intellectual Impairment Policy (as outlined in Section 6 of the USOPC Athlete Safety Policy).

Important note for PCAs: If you are registering as a Personal Care Assistant (PCA) for a Minor Athlete or an Athlete with an Intellectual Impairment, and you are not their parent/guardian, you must comply with the USOPC Minor Athlete Abuse Prevention Policies (MAAPP) and the USOPC Supporting Athletes with an Intellectual Impairment Policy. These policies require all one-on-one interactions with the athlete to be observable and interruptible, including interactions in the designated locker room or changing area. The policies can be found at www.usopc.org/safe-sport. If you need an exception to the policy, written consent must be obtained by the parent/guardian and shared with the USOPC Office of Athlete Safety prior to the start of the event. For more information or to obtain a consent form, please contact yasmine.soliman@usopc.org. Adult Participants must also complete training requirements as outlined below.

U.S. Center for SafeSport Training

All U.S. athletes (18 years old and older), coaches, officials, and support staff requesting accreditation must complete, or have completed within the last calendar year, the U.S. Center for SafeSport's SafeSport™ Trained Core training, or applicable Refresher training course if they have previously taken the SafeSport™ Trained Core training. The training must be completed prior to arrival at the event and must be valid through the conclusion of the event. Please note, USA Swimming membership with SafeSport training that is valid through the conclusion of the event will be accepted.

If you are not in compliance with training, depending on the required course, it will take between 30 to 90 minutes to complete the training. Taking the SafeSport™ Trained Core or Refresher training is free for registered event participants. Please email Athlete Safety at athlete.safety@usopc.org if you need help accessing the training. You must submit proof of completion and expiration date of your most recent SafeSport training to athlete.safety@usopc.org prior to the event by June 1, 2026.

If you are a minor athlete, completing SafeSport training is not required, however, we recommend you work with your parent/guardian to take the free youth training course offered by the U.S. Center for SafeSport. The U.S. Center for SafeSport also has resources available to parents/guardians regarding abuse prevention in sport, to include the [Parent Handbook](#), and free online training. These resources, and information regarding the training for both minor athletes and

parents/guardians is available at: <https://uscenterforsafesport.org/training-and-education/safesport-courses-for-all/>.

Changing Rooms

Changing rooms for each gender are provided and are wheelchair accessible. There are several family changing rooms that are also available. There will be a designated area for Minor Athletes to change. Changing rooms will be monitored regularly by staff. Use of recording devices including cell phones is prohibited while in the changing rooms. Deck changing is not permitted.

Background Checks

All U.S. participants requesting a Team Staff or Coach accreditation for this competition are required to undergo a background check utilizing the National Center for Safety Initiatives as further described in the USOPC's Background Check Policy & Procedures (which can be viewed on the [Team USA Athlete Safety Page](#) and Exhibit C within the policy). The background check must be completed prior to the start of the competition. Any individual receiving a "Red Light" may be precluded by the USOPC from participating in the competition. Please note, background checks that have been completed through USA Swimming and are valid through the conclusion of the event will be accepted. Please submit proof of completion and expiration date of your most recent background check to athlete.safety@usopc.org.
