If you're in need of specific tri gear and other activewear, consider [TriThrift](http://www.TriThrift.org). TriThrift is a nonprofit with a mission to reduce common barriers to get more people, especially youth, to participate in triathlon. They sell heavily discounted gear in new or like-new condition that is donated to them from veteran triathletes, coaches, clubs, etc. across the country.

Members of the USA Tri High School Program get an additional 10% off ALL items on TriThrift's website. If that's not a good enough reason to buy from TriThrift, they'll also donate 10% of your purchase back to the USA Tri High School Program once the money from your order is received!

In their words, it's a 10/10 idea to get the gear you need from TriThrift. Ask your local club leader for the 10% discount code if you decide to place an order.
