Regional Assignments

The top 6 ranked teams from 2023 National Championships ranking criteria, are circle seeded and assigned to regions. Teams earning 1st, 4th, and 5th place are paired together. Teams earning 2nd, 3rd, and 6th are paired together. The remaining teams are assigned based on proximity to the race venues while trying to keep the total number of estimated athletes similar in both regions . Teams will be able to apply to the CTCA Board for economic hardship if they wish to change regional assignments. The deadline to apply for economic hardship is September 16th, 2024.
