Alex: Asking for questions about our WSO meetings.

Alex- Quorum is 5 out 9 so meeting now is fine.

Amanda – Do we need template for meeting notes?

Jodi-In our other meeting, we discussed the WSO championships?

Amanda- Other WSO reps? There are a few they haven't showed up.

Joaquin- should we change the monthly meeting date and time?

There was a discussion on changing the monthly meeting to first Thursday of the month at 8pm PST.

If we change the meeting day/times, will the other reps show up?

Alex- Doodle website can help select a time that will work.

Meetings can be 2x a year at least.

What have we done so far?

IG is up and running, thank you Amanda!

Website? We talked about waiting for USAW.

Alex sent out procedures and policies for WSO.

Jodi- will read these and get back to everyone on what these are.

WSO Championships- Alex likes to have same weekend but different sites for meet.

Joaquin- What do we do if we can't have the meet at weekend?

Amanda- it will be hard to have a social media black- out to prevent others from seeing the results.

Jesse- if people post their results, that is up to them.

Alex- USAW will sanction each WSO championship. If we have different sites, WSO needs to use the stripe account for entries. Reason is money must run through USAW.

The money from the WSO championship goes to the WSO bank account.

Alex says you can ear mark some funds to a particular meet director or person for the WSO championship, as long as we all agree before hand. The board needs to be carbon copied for everything, so we are transparent.

Carlos-WSO Championship meet will need to be separate from Allegiant Open.

Joaquin- WSO championship can be two different weekends but we need to vote on this during our meeting.

Jesse- University Regional Championships will be in Arizona? Not sure when it is.

Alex- Mountain South can be a model for other multi states WSO.

Jodi- the old LWC website was great. Alex will buy the domain again and we will need to start that up again.

Alex- Scholarships available to buy equipment or help athletes.

Jodi- will create a What's app for our group to communicate.- Done

Alex- had discussion on the old rebate system for the LWC.

Alex- The only meet that needs to be sanction by the USAW is the WSO championship so we can follow the money trail and be transparent.

Any local or regional meets, meet director can collect funds.
