

## WHERE YOUNG ATHLETES GROW INTO FUTURE LEADERS

USA Judo, is excited to announce our Strategic Alliance with Positive Athlete as a way to provide quality opportunities for members to achieve their full potential. Positive Athlete shares this commitment by recognizing and celebrating high school age student-athletes who exemplify character, leadership, and resilience—qualities USA Judo strives to instill in its members every day.

**Positive Athlete is a FREE program that provides recognition and scholarships across the country. Nominate a USA Judo athlete today.**

Positive Athlete celebrates those who serve their communities, inspire their peers, and lead with character. Many of our high school age USA Judo members and coaches fit this description perfectly! We see firsthand throughout USA Judo how our student-athletes aren't just Judo athletes—they're leaders, mentors, and role models.

Let's recognize our athletes on a national stage. If you know a USA Judo athlete in grades 9-12 making a difference, nominate them today by going to [positiveathlete.org/nominate](https://positiveathlete.org/nominate).

The nomination process is **free** and opens doors for scholarships, special recognition, and career-building opportunities. All of our USA Judo members in **grades 9-12** are eligible for nominations. The nomination year opened **September 8th, 2025** and is open through **April 15<sup>th</sup>, 2026**. Let's shine a light on the student-athletes that are part of USA Judo who embody excellence in sports and in life.
