USATT SAFE SPORT ABUSE AND MINOR ATHLETE ABUSE PREVENTION POLICY  
REPORTING FORM

## **SECTION I INTRODUCTION**

### **MISSION STATEMENT FOR USATT SAFE SPORT POLICIES AND PROCEDURES**

USATT is committed to building a Sport Community where participants can play, work and learn together in an atmosphere free of emotional, physical, and sexual misconduct.

### **THE SAFESPORT CODE FOR THE U.S. OLYMPIC AND PARALYMPIC MOVEMENTS**

The USATT Safe Sport Policy [the “Policy”] is based on the SafeSport Code for the U.S. Olympic and Paralympic Movements [the “Code”], effective April 1, 2022 – and as amended in the future – which is incorporated by reference as if it were fully set out in this document.

The Code is set out in its entirety on the USA Table Tennis website (<https://www.teamusa.org/usa-table-tennis/athlete-safety/safe-sport>).

### **APPLICATION OF THE SAFESPORT CODE AND USATT SAFE SPORT POLICIES AND PROCEDURES**

The SafeSport Code and USATT Safe Sport Policy apply to “Participants” as defined by the Code. In order to protect, all persons associated with USATT from all forms of abuse, USATT, in conjunction with the U.S. Center for SafeSport [the “Center”] must assess a Participant’s fitness and eligibility to be involved in amateur sport and USATT. Participation in the private associations making up the Olympic Movement is a privilege, not a right.

### **JURISDICTION**

USATT defers jurisdiction to investigate and resolve all matters in which the Center has been vested with exclusive jurisdiction under the Code and/or in those matters where the Center has exercised its discretionary jurisdiction to investigate and resolve allegations against a Participant.

Prior to the Center expressly exercising jurisdiction over allegations against Participant, USATT has the authority to implement necessary and/or appropriate measures, up to and including a suspension, to address any allegations of misconduct.

When USATT has reason to believe that the allegations fall within the Center’s exclusive jurisdiction, USATT – while able to impose measures – will not investigate or resolve those allegations.

When the allegations presented fall with the Center’s discretionary jurisdiction, USATT may investigate and resolve the matter unless and until such time as the Center expressly exercises jurisdiction over the particular allegations.

If and when the Center expressly exercises jurisdiction over particular allegation regarding a particular Participant, USATT will not issue – in response to those allegations – a suspension or other restriction that may deny or threaten to deny a Respondent’s opportunity to participate in Sport. However, USATT may implement necessary Safety Plans or other Interim Measures.

**Nothing contained in this policy is intended to supersede, replace, or otherwise abrogate the USATT Bylaws, Athlete Handbook or Operations Manual, or the Ted Stevens Olympic and Amateur Sports Act.**

## **SECTION II DEFINITIONS**

The USATT Safe Sport Policy expressly incorporates by reference, as if set out in this Policy, all definitions as set out in the SafeSport Code.

## **SECTION III SAFE SPORT POLICY**

### **A. APPLICATION**

**USATT Safe Sport Policy Applies to Participants as Defined by the SafeSport Code for the U.S. Olympic and Paralympic Movements, specifically:**

1. Any individual who is seeking to be, currently is, or was at the time of the alleged Code and/or Policy violation:

### **B. PROHIBITED CONDUCT**

**USATT Safe Sport Policy Defines Prohibited Conduct consistent with the definition presented by the SafeSport Code for the U.S. Olympic and Paralympic Movements, specifically:**

1. This section of the Policy sets forth expectations for Participants related to emotional, physical, and sexual misconduct in sport, including bullying, hazing, and harassment. The privilege of participation in the Olympic Movements may be limited, conditioned, suspended, terminated, or denied if a Participant's conduct is or was inconsistent with this Policy and/or the best interest of sport and those who participate in it.

2. It is a violation of the for a Participant to engage in or tolerate: (1) Prohibited Conduct, as outlined in the Policy; (2) any conduct that would violate any current or previous U.S. Center for SafeSport, USATT, or USATT Affiliated Member Club standards analogous to Prohibited Conduct that existed at the time of the alleged conduct; or (3) any conduct that would violate community standards analogous to Prohibited Conduct that existed at the time of the alleged conduct, including then applicable criminal and/or civil laws.

3. Prohibited Conduct includes (Each Category is Defined Below):

- A. Criminal Charges or Dispositions
- B. Child Abuse
- C. Sexual Misconduct
- D. Emotional and Physical Misconduct, including Stalking, Bullying, Hazing, and Harassment
- E. Aiding and Abetting
- F. Misconduct Related to Reporting
- G. Misconduct Related to the Center's Process
- H. Other Inappropriate Conduct
- I. Violation of Minor Athlete Abuse Prevention Policies / Proactive Policies

## **A. Criminal Charge or Disposition**

It is a violation of the Policy for a Participant to have a Criminal Charge or Disposition. Criminal Conduct is relevant to an individual's fitness to participate in sport. The age of a Criminal Charge or Disposition is not relevant to whether a violation of the Policy occurred but may be considered for sanctioning purposes.

### **1. Definitions**

#### **a. Criminal Disposition**

It is a violation of the Policy for a Participant to be or have been subject to any disposition or resolution of a criminal proceeding, other than an adjudication of not guilty, including, but not limited to: an adjudication of guilt or admission to a criminal violation, a plea to the charge or a lesser included offense, a plea of no contest, any plea analogous to an Alford or Kennedy plea, the disposition of the proceeding through a diversionary program, deferred adjudication, deferred prosecution, disposition of supervision, conditional dismissal, juvenile delinquency adjudication, or similar arrangement.

## **b. Criminal Charge, including Warrant for Arrest**

It is a violation of the Policy for a Participant to have any pending criminal charge(s) or warrant(s) for arrest.

When assessing whether conduct constitutes a Criminal Charge or Disposition, the Center may assess and rely upon the original charges, amended charges, or those to which a plea was entered.

## **2. Sex Offender Registry**

A Participant who is currently on any state, federal, territorial, or tribal sex offender registry is ineligible to participate.

## **3. Hearing Related to Criminal Charge or Disposition**

A Participant who wishes to challenge USATT's decision related to a Criminal Charge or Disposition may request a hearing concerning the sanction only pursuant to Rule-14.

If USATT renders a Decision regarding a Participant's Criminal Charge or Disposition, and that Charge or Disposition is subsequently modified by a criminal court, the Participant may request that the matter be reopened by USATT, pursuant to Section XI(S). In instances where a pending criminal charge(s) resolves, in that the charge(s) is eventually dismissed, results in an acquittal, or results in a Criminal Disposition as defined above, a Respondent's request to reopen will always be granted and a new Decision issued.

## **B. Child Abuse**

It is a violation of the Code for a Participant to engage in Child Abuse.

## **C. Sexual Misconduct**

It is a violation of the Policy for a Participant to engage in Sexual Misconduct. Sexual Misconduct offenses include, but are not limited to:

1. Sexual or Gender-related Harassment
2. Non-consensual Sexual Contact (or attempts to commit the same)
3. Non-consensual Sexual Intercourse (or attempts to commit the same)
4. Sexual Exploitation
5. Bullying or hazing, or other inappropriate conduct of a sexual nature.

## 1. Sexual or Gender-related Harassment

Sexual harassment is any unwelcome sexual advance, request for sexual favors, or other unwanted conduct of a sexual nature, whether verbal, non-verbal, graphic, physical, or otherwise, when the conditions outlined in (a) and/or (b), below, are present.

Sexual harassment includes harassment related to gender, sexual orientation, gender identity, or gender expression, which may include acts of aggression, intimidation, or hostility, whether verbal or non-verbal, graphic, physical, or otherwise, even if the acts do not involve conduct of a sexual nature, when the conditions outlined in (a) and/or (b), below, are present.

- a. Submission to such conduct is made, either explicitly or implicitly, a term or condition of any person's employment, standing in sport, or participation in Events, sports programs and/or activities; or when submission to or rejection of such conduct is used as the basis for sporting decisions affecting the individual (often referred to as "quid pro quo" harassment); or
- b. Such conduct creates a hostile environment. A "hostile environment" exists when the conduct is sufficiently severe, persistent, and/or pervasive such that it interferes with, limits, or deprives any individual of the opportunity to participate in any program or activity. Conduct must be deemed severe, persistent, or pervasive from both a subjective and an objective perspective.

Whether a hostile environment exists depends on the totality of known circumstances, including, but not limited to:

- i. The frequency, nature, and severity of the conduct;
- ii. Whether the conduct was physically threatening;
- iii. The effect of the conduct on the Claimant's mental or emotional state;
- iv. Whether the conduct was directed at more than one person;
- v. Whether the conduct arose in the context of other discriminatory conduct;
- vi. Whether the conduct unreasonably interfered with any person's educational or work performance and/or sport programs or activities; and
- vii. Whether the conduct implicates concerns related to protected speech.

A hostile environment can be created by persistent or pervasive conduct or by a single or isolated incident that is sufficiently severe. The more severe the conduct, the less need there is to show a repetitive series of incidents to prove a hostile environment, particularly if the conduct is physical. A single incident of sexual contact without Consent, for example, may be sufficiently severe to constitute a hostile environment. In contrast, the perceived offensiveness of a single verbal or written expression, standing alone, is typically not sufficient to constitute a hostile environment.

## **2. Nonconsensual Sexual Contact**

It is a violation of the Policy for a Participant to engage in Sexual Contact without Consent. Sexual Contact is any intentional touching of a sexual nature, however slight, with any object or body part (as described below), by a person upon another person. Sexual Contact includes but is not limited to: (a) kissing, (b) intentional touching of the breasts, buttocks, groin or genitals, whether clothed or unclothed, or intentionally touching of another with any of these body parts; and (c) making another touch themselves, the Participant, or someone else with or on any of these body parts.

## **3. Nonconsensual Sexual Intercourse**

It is a violation of the Policy for a Participant to engage in Sexual Intercourse without Consent. Sexual intercourse is any penetration, however slight, with any object or body part (as described below), by a person upon another person. Sexual Intercourse includes (a) vaginal penetration by a penis, object, tongue, or finger; (b) anal penetration by a penis, object, tongue, or finger; and (c) any contact, no matter how slight, between the mouth of one person and the genitalia of another person.

## **4. Sexual Exploitation**

It is a violation of the Policy for a Participant to engage in Sexual Exploitation. Sexual Exploitation occurs when a

Participant purposely or knowingly:

- a. Allows third parties to observe private sexual activity from a hidden location (e.g., closet) or through electronic means (e.g., Skype or live-streaming of images) without Consent of all parties involved in the sexual activity.
- b. Records or photographs private sexual activity and/or a person's intimate parts (including genitalia, groin, breasts or buttocks) without Consent of all parties in the recording or photo.
- c. Engages in voyeurism (e.g., watching private sexual activity or viewing another person's intimate parts when that person would have a reasonable expectation of privacy), without Consent of all parties being viewed.
- d. Disseminates, shows or posts images of private sexual activity and/or a person's intimate parts (including genitalia, groin, breasts or buttocks) without prior Consent of the person depicted in the images.
- e. Intentionally exposes another person to a sexually transmitted infection or virus without that person's knowledge.
- f. Engages in prostituting or trafficking another person.

## **5. Bullying, Hazing, or Other Inappropriate Conduct of a Sexual Nature.**

It is a violation of the Policy for a Participant to engage in bullying, hazing, and other inappropriate conduct of a sexual nature, as further defined in the corresponding sections below.

## **D. Emotional and Physical Misconduct**

It is a Policy violation for a Participant to engage in emotional and/or physical misconduct, when that misconduct occurs within a context that is reasonably related to sport, which includes, without limitation:

1. Emotional Misconduct
2. Physical Misconduct
3. Bullying Behaviors
4. Hazing
5. Harassment.

### **1. Emotional Misconduct**

Emotional Misconduct includes (a) Verbal Acts, (b) Physical Acts, (c) Acts that Deny Attention or Support, (d) Criminal Conduct, and/or (e) Stalking. Emotional Misconduct is determined by the objective behaviors, not whether harm is intended or results from the behavior.

#### **a. Verbal Acts**

Repeatedly and excessively verbally assaulting or attacking someone personally in a manner that serves no productive training or motivational purpose.

#### **b. Physical Acts**

Repeated and/or severe physically aggressive behaviors, including but not limited to, throwing sport equipment, water bottles or chairs at or in the presence of others, punching walls, windows or other objects.

#### **c. Acts that Deny Attention or Support**

Ignoring or isolating a person for extended periods of time, including routinely or arbitrarily excluding a Participant from practice.

#### **d. Criminal Conduct**

Emotional Misconduct includes any act or conduct described as emotional abuse or misconduct under federal or state law (e.g. child abuse, child neglect).

#### **e. Stalking**

Stalking occurs when a person purposefully engages in a course of conduct directed at a specific person, and knows or should know, that the course of conduct would cause a reasonable person to (i) fear for their safety, (ii) the safety of a third person, or (iii) to experience substantial emotional distress.

“Course of conduct” means at least two or more acts, in which a person directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about another person, or interferes with another person’s property.

“Substantial emotional distress” means significant mental suffering or anguish.

Stalking also includes “cyber-stalking,” wherein a person stalks another using electronic media, such as the internet, social networks, blogs, cell phones, texts, or other similar devices or forms of contact.

#### f. Exclusion

Emotional Misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline or improved Athlete performance. Emotional Misconduct also does not include conduct reasonably accepted as part of sport and/or conduct reasonably accepted as part of Participant’s participation.

## **2. Physical Misconduct**

Physical Misconduct is any intentional contact or noncontact behavior that causes, or reasonably threatens to cause, physical harm to another person.

Examples of physical misconduct may include, without limitation:

#### a. Contact violations

Punching, beating, biting, striking, choking or slapping another; intentionally hitting another with objects, such as sporting equipment; encouraging or knowingly permitting an Athlete to return to play prematurely following a serious injury (e.g., a concussion) and without the clearance of a medical professional.

#### b. Non-contact violations

Isolating a person in a confined space, such as locking an Athlete in a small space; forcing an Athlete to assume a painful stance or position for no athletic purpose (e.g., requiring an athlete to kneel on a harmful surface); withholding, recommending against, or denying adequate hydration, nutrition, medical attention or sleep; providing alcohol to a person under the legal drinking age; providing illegal drugs or non-prescribed medications to another.

#### c. Criminal Conduct

Physical Misconduct includes any act or conduct described as physical abuse or misconduct under federal or state law (e.g. child abuse, child neglect, assault).

d. Exclusion

Physical Misconduct does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance. For example, hitting, punching and kicking are well regulated forms of contact in combat sports, but have no place in swimming. Physical Misconduct also does not include conduct reasonably accepted as part of sport and/or conduct reasonably accepted as part of Participant's participation.

### 3. Bullying Behavior

Repeated and/or severe behavior(s) that are (a) aggressive (b) directed at a Minor, and (c) intended or likely to hurt, control, or diminish the Minor emotionally, physically or sexually. Bullying-like behaviors directed at adults are addressed under other forms of misconduct, such as Hazing and/or Harassment.

Examples of bullying behavior may include, without limitation, repeated and/or severe:

a. Physical

Hitting, pushing, punching, beating, biting, striking, kicking, choking, spitting or slapping, or throwing objects (such as sporting equipment) at another person.

b. Verbal

Ridiculing, taunting, name-calling or intimidating or threatening to cause someone harm.

c. Social, including cyberbullying

Use of rumors or false statements about someone to diminish that person's reputation; using electronic communications, social media or other technology to harass, frighten, intimidate or humiliate someone; socially excluding someone and asking others to do the same.

d. Sexual

Ridiculing or taunting based on gender or sexual orientation (real or perceived), gender traits or behavior, or teasing someone about their looks or behavior as it relates to sexual attractiveness.

e. Criminal Conduct

Bullying Behavior includes any conduct described as bullying under federal or state law.

f. Exclusion

Conduct may not rise to the level of Bullying Behavior if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as part of a pattern of behavior), or arising from conflict or struggle between persons

who perceive they have incompatible views and/or positions. Bullying does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

#### **4. Hazing**

Any conduct that subjects another person, whether physically, mentally, emotionally or psychologically, to anything that may endanger, abuse, humiliate, degrade or intimidate the person as a condition of joining or being socially accepted by a group, team, or organization. Purported Consent by the person subjected to Hazing is not a defense, regardless of the person's perceived willingness to cooperate or participate.

Examples of Hazing include:

a. Contact acts

Tying, taping or otherwise physically restraining another person; beating, paddling or other forms of physical assault.

b. Non-contact acts

Requiring or forcing the consumption of alcohol, illegal drugs or other substances, including participation in binge drinking and drinking games; personal servitude; requiring social actions (e.g., wearing inappropriate or provocative clothing) or public displays (e.g., public nudity) that are illegal or meant to draw ridicule; excessive training requirements demanded of only particular individuals on a team that serve no reasonable or productive training purpose; sleep deprivation; otherwise unnecessary schedule disruptions; withholding of water and/or food; restrictions on personal hygiene.

c. Sexualized acts

Actual or simulated conduct of a sexual nature.

d. Criminal acts

Any act or conduct that constitutes hazing under applicable federal or state law.

e. Exclusion

Conduct may not rise to the level of Hazing if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Hazing does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

## **5. Harassment**

Repeated and/or severe conduct that (a) causes fear, humiliation or annoyance, (b) offends or degrades, (c) creates a hostile environment (as defined above), or (d) reflects discriminatory bias in an attempt to establish dominance, superiority or power over an individual or group based on age, race, ethnicity, culture, religion, national origin, or mental or physical disability; or (e) any act or conduct described as harassment under federal or state law. Whether conduct is harassing depends on the totality of the circumstances, including the nature, frequency, intensity, location, context, and duration of the behavior.

Conduct may not rise to the level of Harassment if it is merely rude (inadvertently saying or doing something hurtful), mean (purposefully saying or doing something hurtful, but not as part of a pattern of behavior), or arising from conflict or struggle between persons who perceive they have incompatible views and/or positions. Harassment does not include professionally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline, or improved Athlete performance.

### **E. Aiding and Abetting**

Aiding and Abetting occurs when one aids, assists, facilitates, promotes, or encourages the commission of Prohibited Conduct by a Participant, including but not limited to, knowingly:

1. Allowing any person who has been identified as suspended or otherwise ineligible by USATT to be in any way associated with or employed by an organization affiliated with or holding itself out as affiliated with an NGB, LAO, the USOC or the Olympic Movements;
2. Allowing any person who has been identified as suspended or otherwise ineligible by USATT to coach or instruct Participants;
3. Allowing any person who has been identified as ineligible by USATT to have ownership interest in a facility, an organization, or its related entities, if that facility/organization/related entity is affiliated with or holds itself out as affiliated with an NGB, LAO, USOC or the Olympic Movements.
4. Providing any coaching-related advice or service to an Athlete who has been identified as suspended or otherwise ineligible by USATT.
5. Allowing any person to violate the terms of their suspension or any other sanctions imposed by USATT. In addition, a Participant also violates the Policy if someone acts on behalf of the Participant to engage in Aiding or Abetting, or if the guardian, family member, or Advisor of a Participant, including Minor Participants, engages in Aiding or Abetting.

## **F. Misconduct Related to Reporting**

### **1. Failure to Report**

An adult Participant who fails to report actual or suspected Sexual Misconduct or Child Abuse to the Center and/or USATT, when appropriate, to law enforcement may be subject to disciplinary action under the Center's resolution procedures, USATT policies, and may also be subject to federal or state penalties.

- a. The obligation to report is broader than reporting a pending charge or criminal arrest of a Participant; it requires reporting to the Center and/or USATT any conduct which, if true, would constitute Sexual Misconduct and/or Child Abuse. The obligation to report to the Center and/or USATT is an ongoing one and is not satisfied simply by making an initial report. The obligation includes reporting, on a timely basis, all information of which an Adult Participant becomes aware, including the names of witnesses, third-party reporters, and Claimants.
- b. The obligation to report includes personally identifying information of a potential Claimant to the extent known at the time of the report, as well as a duty to reasonably supplement the report as to identifying information learned at a later time.
- c. Participants should not investigate or attempt to evaluate the credibility or validity of allegations involving Sexual Misconduct and/or Child Abuse. Participants making a good faith report are not required to prove the reports are true before reporting.

### **2. Intentionally Filing a False Allegation**

In addition to constituting misconduct, filing a knowingly false allegation that a Participant engaged in Prohibited Conduct may violate state criminal law and civil defamation laws. Any person making a knowingly false allegation in a matter over which the Center and/or USATT exercises jurisdiction shall be subject to disciplinary action by the Center and/or USATT.

- a. An allegation is false if the events reported did not occur, and the person making the report knows the events did not occur.
- b. A false allegation is different from an unsubstantiated allegation; an unsubstantiated allegation means there is insufficient supporting evidence to determine whether an allegation is true or false. Absent demonstrable misconduct, an unsubstantiated allegation alone is not grounds for a Code violation.

**[NOTE: The Protecting Young Victims from Abuse and SafeSport Authorization Act of 2017 requires that the Center “protect the privacy and safety of the [Claimant].” However, a Claimant may waive this provision by choosing to publicly disclose his/her own identifying information at any time.]**

## **G. Misconduct Related to the Center’s Process**

The behaviors identified below constitute Prohibited Conduct and may give rise to a sanction. In addition, a Participant also violates the Policy if someone acts on behalf of the Participant and engages in any of the following Prohibited Conduct, including a Participant’s Advisor, or the guardian, or family member of a Minor Participant. In such a case, the Participant and/or, if the party acting on behalf of the Participant is also a Participant, that person, may be sanctioned.

### **1. Abuse of Process**

A Participant, or someone acting on behalf of a Participant, violates this Policy by directly or indirectly abusing or interfering with the Center’s and/or USATT’s process by: (a) falsifying, distorting, or misrepresenting information, the resolution process, or an outcome; (b) destroying or concealing information; (c) attempting to discourage an individual’s proper participation in or use of, the Center’s and/or USATT’s processes; (d) harassing or intimidating (verbally or physically) any person involved in the Center’s and/or USATT’s processes before, during, and/or following proceedings (including up to, through, and after any review by an arbitrator); (e) publicly disclosing a Claimant’s identifying information; (f) failing to comply with a temporary measure or other sanction; (g) distributing or otherwise publicizing materials created or produced during an investigation or Arbitration as a part of these policies or procedures, except as required by law or as expressly permitted by the Center and/or USATT; or (h) influencing or attempting to influence another person to commit abuse of process.

### **2. Retaliation**

Retaliation against anyone for engaging in USATT’s processes is prohibited. A Participant, someone acting on behalf of a Participant, an NGB, LAO, the USOC or any organization subject to the Policy shall not take an adverse action against any person for making a good faith report of a possible Code of Conduct violation to the Center and/or USATT or other relevant organization as identified herein or for participating in any process under this Policy.

Retaliation includes threatening, intimidating, harassing, coercing or any other conduct that would discourage a reasonable person from engaging or participating in the Center’s and/or USATT’s processes when the action is reasonably related to the report or engagement with the Center and/or USATT. Retaliation may be present even where there is a finding that no violation occurred.

Retaliation does not include good-faith actions lawfully pursued in response to a report of a Policy violation.

## **H. Other Inappropriate Conduct**

### **1. Intimate Relationship**

An Adult Participant violates this Policy by engaging in an intimate or romantic relationship where a Power Imbalance exists.

An Intimate or Romantic relationship is a close personal relationship—other than a familial relationship—that exists independently and outside of the sport relationship. Whether a relationship is intimate is based on the totality of the circumstances, including: regular contact and/or interactions outside of or unrelated to the sport relationship (electronically or in person), the parties' emotional connectedness, the exchange of gifts, ongoing physical and/or intimate contact and/or sexual activity, identity as a couple, the sharing of sensitive personal information, and/or intimate knowledge about each other's lives outside the sport relationship.

### **2. Exposing a Minor to Imagery**

An Adult Participant violates this Code by intentionally exposing a Minor to content or imagery of a sexual nature, including but not limited to pornography, sexual comment(s), sexual gestures, and/or sexual situation(s).

This provision does not exclude the possibility that similar behavior between Adults could constitute Sexual Harassment, as defined in the Policy.

### **3. Intentional Exposure of Private Areas**

An Adult Participant violates this Policy by intentionally exposing breasts, buttocks, groin, or genitals, or induces Imbalance, or to a Minor.

### **4. Inappropriate Physical Contact**

An Adult Participant violates this Policy by engaging in inappropriate physical contact with a Participant where there is a Power Imbalance. Such inappropriate contact includes, but is not limited to, intentionally:

- a. touching, slapping, or otherwise contacting the buttocks or genitals of a Participant;
- b. excessively touching or hugging a Participant;
- c. kissing a Participant.

### **5. Willful Tolerance**

A Participant violates this Policy by willfully tolerating any form of Prohibited Misconduct, when there is a Power Imbalance between that Participant and the individual(s) who are being subjected to the Prohibited Conduct.

## SECTION IV USATT MINOR ATHLETE ABUSE PREVENTION POLICIES

It is a violation of the USATT SafeSport Policy for a Participant to violate any provision of the Minor Athlete Abuse Prevention Policies.

As it relates to minor athletes, the Minor Athlete Abuse Prevention Policies supersede anything found in USATT's SafeSport policy.

All Policies and Procedures established in the USATT SafeSport Policy in Section V (Reporting and Discipline) and Section VI (SafeSport Compliance – Training and Screening) are fully applicable to this Section and USATT's Minor Athlete Abuse Prevention Policies.

This support can be provided by a Guide for Blind or visually impaired athletes or can include assistance with transfer, dressing, showering, medication administration, and toileting. **2. Sexual Misconduct**

USATT and the US Center for SafeSport encourages ANYONE who experiences or becomes aware of an incident of Sexual Misconduct to immediately report the incident to: (i) the Center; (ii) law enforcement if the matter involves possible criminal conduct; and (iii) the USATT Athlete Protection Officer. ## **D. HOW TO REPORT**

### **1. HOW TO REPORT TO THE US CENTER FOR SAFESPORT**

USATT encourages Participants to report all potential SafeSport violations directly to the **US Center for SafeSport (Report a SafeSport Concern | U.S. Center for SafeSport ([www.uscenterforsafesport.org](http://www.uscenterforsafesport.org)))**. Please note that it is mandatory to report allegations of child abuse, sexual abuse and/or sexual misconduct to the Center.

### **2. HOW TO REPORT TO USATT**

USATT will take a Report of Misconduct in the way that is most comfortable for the person initiating a report including an anonymous, in-person, verbal or written report. Regardless of how one chooses to report, it is helpful to USATT for individuals to provide, at a minimum, (1) the name of the complainant(s); (2) the type of misconduct alleged and the name(s) of the individual(s) alleged to have committed the misconduct.

USATT will immediately report any allegations of child abuse or inappropriate sexual acts towards a minor directly to the appropriate law enforcement officials. USATT will report all matters under the exclusive jurisdiction of the US Center for SafeSport, including any allegations of inappropriate sexual conduct or any allegations of inappropriate conduct towards a minor, to the US Center for SafeSport within 24 hours of receiving such a report.

#### **a) Athlete Protection Officer**

Individuals reporting child physical or sexual abuse or other misconduct may call, mail, fax or email USATT's Athlete Protection Officer, Mark Thompson ([mark.thompson@usatt.org](mailto:mark.thompson@usatt.org)) whose contact information can also be found at: <https://www.teamusa.org/usa-table-tennis/athlete-safety/safe-sport>. The APO may request that the reporting person submit a Reporting Form, described below.

#### **b) Reporting Form**

Individuals reporting child physical or sexual abuse or other misconduct may complete an Incident Report Form, which can be found at: <https://www.teamusa.org/usa-table-tennis/athlete-safety/safe-sport>. Information on this form includes:

- 1) The name(s) of the complainant(s)
- 2) The type of misconduct alleged
- 3) The name(s) of the individual(s) alleged to have committed the misconduct
- 4) The approximate dates the misconduct was committed
- 5) The names of other individuals who might have information regarding the alleged misconduct
- 6) A summary statement of the reasons to believe that misconduct has occurred

USATT accepts anonymous reports. USATT will also withhold a known complainant's name, upon request, to the extent permitted by law.

### **Note: Reporting Peer-to-Peer Sexual Abuse**

Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power or intellectual capabilities. **If Participants have any concerns that an interaction between children may constitute sexual abuse, report it *immediately* to the appropriate law enforcement authorities.**

## **3. CONFIDENTIALITY, ANONYMOUS REPORTING AND BAD-FAITH ALLEGATIONS**

### **a) Confidentiality**

To the extent permitted by law, and as appropriate, USATT will keep confidential the complainant's name on request, not make public the names of potential victims, the accused perpetrator or the people who made a report of child physical or sexual abuse to the authorities.

### **b) Anonymous Reporting**

USATT recognizes it can be difficult to report an allegation of misconduct and strives to remove as many barriers to reporting as possible. Anonymous reports may be made without the formality of completing an Incident Report Form:

- By completing the Reporting Form without including their name
- By expressing concerns verbally
- Through email, texts or notes.

**However, anonymous reporting may make it difficult for USATT to investigate or properly address allegations.**

All reported suspicions of child physical or sexual abuse will be reported to the appropriate law enforcement authorities, if sufficient information is provided.

### **c) No Retaliation**

Regardless of outcome, USATT will support the complainant(s) and his or her right to express concerns in good faith. USATT will not encourage, allow or tolerate attempts from any individual to retaliate, punish, allow or in way harm any individual(s) who reports a concern in good faith. Protection from retaliation includes any potential retaliatory actions before, during, or after the reporting process and is applicable whether the investigation is under the jurisdiction of USATT or the US Center for SafeSport. Such actions against a complainant will be considered a violation of this policy and grounds for disciplinary action. Any allegations of retaliation should be reported using the same process as for reporting an initial concern.

### **d) Bad-Faith Allegations**

A report of abuse, misconduct or policy violations that is malicious, frivolous or made in bad faith is prohibited. Such reports will be considered a violation of this policy and grounds for disciplinary action. Depending on the nature of the allegation, a person making a malicious, frivolous or bad-faith report may also be subject to civil or criminal proceedings.

#### **4. DISCIPLINE**

USATT will address allegations against constituents under USATT Bylaw Articles X and X-A, and the Supplemental Hearing Procedural Rules of the Ethics and Grievance Committee.

#### **E. RESPONDING TO REPORTS OF MISCONDUCT**

**USATT shall refer each Report of Misconduct to the US Center for SafeSport, which may, at its sole discretion, assume jurisdiction over the matter.**

**In appropriate circumstances, USATT has the authority to submit Reports of Misconduct to USATT Member Clubs to resolve in accordance with the rules, regulations policies and procedures of such Member Club. USATT will exercise this authority only if a decision requires the interpretation of rules, regulations, policies and procedures of such Member Club.**

USATT may also contact any law enforcement agency that is conducting its own investigation to inform that agency that the USATT and/or the US Center for SafeSport is also investigating, to ascertain the status of the criminal investigation, and to determine the extent to which any evidence collected by law enforcement may be available to USATT in its investigation.

At the request of law enforcement, USATT may delay its investigation temporarily while an external law enforcement agency is gathering evidence. USATT will resume its investigation when notified that law enforcement has completed the evidence gathering stage of its criminal investigation. USATT may also provide some or all of its case information, documentation, or evidence to law enforcement.

##### **1. Allegations of Misconduct Other Than Child Physical or Sexual Abuse**

On receipt of an allegation of misconduct, as defined in USATT's SafeSport Policy, that does not involve child physical or sexual abuse, USATT shall determine the appropriate steps to address the conduct based on several factors, including (i) the age of the complainant or victim, (ii) the age of the accused and (iii) the nature, scope and extent of the allegations. Such steps may include, without limitation:

- a) The collection of additional information from the individual in question, other individuals with potential knowledge or evidence of the incident or the accused individual;
- b) Formal investigation and hearing; and/or
- c) Retention of legal counsel or investigation services to investigate and/or make a recommendation as to whether a violation of the relevant policy has occurred and/or a recommendation as to the appropriate sanction.

##### **2. Allegations of Serious Misconduct Including Child Physical or Sexual Abuse**

Where serious allegations of misconduct are at issue (e.g., child physical and sexual abuse as defined in our SafeSport Policy), **USATT shall refer the matter to the US Center for SafeSport**, which may assume jurisdiction over the matter. In addition, USATT may elect in its discretion to undertake a full investigation and hearing before determining the appropriate disciplinary action. This investigation and/or hearing will in no way interfere with an ongoing criminal investigation or prosecution.

## **F. PROCEDURES**

### **1. Suspension Before Final Resolution**

If the reported complaint indicates that an individual's continued employment, membership or participation poses a risk of ongoing physical or emotional harm, USATT may wish to suspend the accused individual pending final resolution of the complaint to eliminate any danger to an athlete, sport participant or other individual. In such instances, USATT will provide the individual with notice and offer her/him an opportunity to contest the suspension.

USATT may suspend the accused individual where there is a reasonable belief that the individual has committed emotional, physical or sexual misconduct. Evidence which may be found sufficient to support a reasonable belief includes, at a minimum:

- a) the suspension or termination of employment or membership by a national governing body or other sport organization
- b) an Incident Report Form with specific and credible information
- c) other legal documentation or report supporting a reasonable belief that the individual has committed emotional, physical or sexual misconduct, including abuse of a child (e.g., a criminal indictment).

For the purposes of this Policy, a suspension from sport involvement shall mean that for the duration of the period of suspension, the accused individual may not participate in any capacity or in any role in the business, events, or activities of USATT, including events or activities sanctioned by USATT.

Any suspension before final resolution may be appealed to the American Arbitration Association (AAA) at the written request of the accused individual within 14 days of the suspension.

### **2. Investigation**

As appropriate, and at its discretion, USATT may institute a formal investigation and hearing procedure to address serious allegations of misconduct (e.g., physical and sexual misconduct). However, USATT anticipates that an investigation and hearing will be undertaken to address only the most serious allegations and patterns of behavior that warrant significant sanctions. Accordingly, USATT anticipates that this disciplinary procedure will be used rarely.

If an investigation is conducted, the complainant, victim and accused individual shall have the right to:

- a) Receive written notice of the report or complaint, including a statement of allegations (note: the name of the alleged victim may be redacted.)
- b) Present relevant information to the investigator(s)
- c) Legal counsel, at his or her own expense

### **3. Procedural Safeguards**

In every case where a hearing is warranted pursuant to this Policy, an adjudication shall be conducted that shall in all cases comply with USATT's bylaws. The adjudication shall further conform to the provisions and principles set out hereafter. However, deviations in one or more of the procedural safeguards are permitted, provided the following conditions are satisfied:

- a) The individual is informed of the allegations and evidence brought against him or her

- b) The individual is given a reasonable opportunity to respond to the allegations brought forward
- c) The individual may be represented by legal counsel at his or her expense
- d) The panel member(s) who make the determination are free of conflicts of interests and render an unbiased decision
- e) There is a right to appeal the panel's decision.

**4. Preliminary Determination**

On receipt of a disclosure and/or additional information made pursuant to this Policy, if the Athlete Protection Officer has determined that there is a sufficient reasonable, reliable and persuasive evidence to support the complaint alleging emotional, physical or sexual misconduct, he or she shall notify the CEO who, in consultation with the General Counsel, shall refer the matter to the USATT Ethics & Grievance Committee, which will appoint a Hearing Panel pursuant to Bylaw Articles X and X-A, and the Supplemental Hearing Procedural Rules of the Ethics and Grievance Committee. The Hearing Panel will include at least one member of USATT's Athletes' Advisory Council.

**5. Notice**

The accused individual will be notified of a specific date and time to ensure that he or she is available for the hearing. Unless the Hearing Panel requires the individual to attend the hearing in person, the individual may appear by telephone conference call. The individual has the right to be represented by legal counsel at the hearing, provided that the counsel's participation may be subject to the reasonable hearing rules related to the conduct of the hearing.

**6. Timing**

The Hearing Panel shall have the authority to set timelines and other rules regarding the proceeding and the conduct of the hearing, as it deems necessary. On request of the accused individual, and provided that it is necessary to expedite the proceeding to resolve a matter relating to scheduled training or competition, the Hearing Panel may render an expedited determination.

**7. Evidence**

At the hearing, the accused individual will be allowed to present any reasonable evidence or argument that he or she wishes the Panel to consider. The Panel may require or permit documentary evidence, such as the written report of any investigator or other fact-finder, before the hearing and that the names of any witnesses be disclosed before the hearing. The Panel may also consider another organization's determination as evidence to be considered.

If the complainant/alleged victim(s) is a minor, the investigator's or other fact-finder's report may substitute for the minor witness's direct testimony, provided that the accused had an opportunity to present and respond to relevant information collected during the investigation and before the report was transmitted to the Hearing Panel.

The Hearing Panel may proceed in the accused individual's absence if it cannot locate the individual or if the individual declines to attend the hearing.

## **8. Findings and Sanctions**

The Panel has the discretion to impose sanctions on the individual if it finds based on a preponderance of the evidence that emotional, physical or sexual misconduct has occurred.

The Panel will communicate its finding to the individual. The Panel may impose sanctions on the individual in its findings.

Any sanctions imposed by the Panel against the individual must be proportionate and reasonable, relative to the content that is found to have occurred. The decision regarding the appropriate sanction shall be up to the panel deciding each complaint. In imposing a sanction, the Hearing Panel shall consider:

- a) The legitimate interest of USATT in providing a safe environment for its participants
- b) The seriousness of the offense or act
- c) The age of the accused individual and alleged victim when the offense or act occurred
- d) Any information produced by the accused individual, or produced on behalf of the individual, in regard to the individual's rehabilitation and good conduct
- e) The effect on USATT's reputation
- f) Whether the individual poses an ongoing concern for the safety of USATT's athletes and participants
- g) Any other information, which in the determination of the Panel, bears on the appropriate sanction

Sanctions may range from a warning and a reprimand to suspension from sport involvement with USATT for a period of time. Suspensions from sport involvement with USATT may be temporary or permanent. The most severe sanction possible to impose will be permanent suspension from sport involvement and expulsion from USOC activities and facilities.

For the purposes of this Policy, a suspension from sport involvement shall mean that, for the duration of the period of the suspension, the accused individual may not participate in any capacity or in any role in any business, events, or activities conducted or sanctioned by USATT or by any Member Club or Affiliate Club. No Member Club or Affiliate Club shall affiliate itself with any individual suspended from sport involvement or allow such individual to participate in any capacity in any of its business, events, or activities.

In the event that the allegation is made against an athlete, the Athlete Protection Officer will communicate its findings to the Hearing Panel.

## **9. Confidentiality**

The conduct of the hearing will be private. If the Panel determines that the individual has violated policy, it may publish its decision or a brief summary of its decision, unless the accused is a minor. However, if the individual appeals, the summary of the panel's decision will not be disclosed until an appellate decision has been made.

If the Panel determines the accused individual did not violate the relevant policy, the panel will publish a summary only at the individual's written request.

## **10. Appeal**

If the individual disagrees with the finding or sanction of the Panel and wishes to appeal, he or she may file an appeal with the AAA within 14 days of USATT's finding. A decision rendered by the AAA shall be final and binding on all parties.

USATT does not have a One-Day or Short-Term Memberships. All memberships at USATT are either one-year or "lifetime" in length. USATT currently does have a Tournament Pass which allows a player to play in a single tournament. Persons playing under a Tournament Pass are prohibited from holding any position of authority at a USATT Sanctioned Tournament.

All persons playing in a USATT sanctioned tournament, regardless of when such participant registers for the sanctioned tournament, including "day of" registrations and those persons playing under a Tournament Pass, must be fully vetted and cleared to play under the Banned and/or Suspended Member List.

USATT Safe Sport Policy prohibits issuing a short-term license to a person whose position requires SafeSport compliance, such as engaging in coaching activities, if that person is not fully Safe Sport compliant. The only exception to this is for individuals who wish to coach their own children and no other athletes.

USATT's Safe Sport Policy prohibits persons over the age of 18 who have not completed SafeSport Training from having regular contact or authority over minor age athletes. USATT Safe Sport Policy prohibits a person whose position requires SafeSport Compliance from engaging in such activities without demonstrating proper confirmation of compliance.

#### **USATT SAFE SPORT POLICY DAY OF TOURNAMENT REGISTRATION AND PARTICIPATION**

USATT Safe Sport Policy does not permit any exemptions to this policy due to "last-minute" and/or "day of" registrations or participation in a Sanctioned Tournament for any person regardless of role, including volunteers, coaches, athletes, and referees.

All persons participating in USATT Sanctioned Tournaments must meet all requirements of the position that they hold at that tournament, including full SafeSport Compliance (e.g., for tournament directors, coaches and officials) and/or SafeSport Training (for Adults Requiring Training when their role involves regular contact with or authority over minor age athletes).

USATT Staff, Tournament Directors, and Club Administrators are charged with the responsibility for enforcing USATT Safe Sport Policy.

### FULL SAFE SPORT COMPLIANCE

**Full SafeSport Compliance** is a two-part process: (i) **annual** completion of SafeSport Training presented by the US Center for SafeSport at **SafeSportTrained.Org**; and (ii) submission to a criminal background check **every two years**.

**SafeSport Training must be successfully completed every year**. The first time a person takes SafeSport Training, that person must complete the **Core Training Course**. After that first year, that person may be eligible to take a **Refresher Course**, which presumes a certain level of knowledge and experience with SafeSport and, thus, requires less time to

complete. Please see below on how to log into **SafeSportTrained.Org**.

**The Criminal Background Check must be completed every two (2) years.** There are certain rules and procedures related to criminal convictions that may disqualify an individual from holding certain roles at USATT, including membership. Please see the USATT Safe Sport Policy for a description of the “Red Light Review” procedure related to potentially disqualifying criminal convictions and the procedures related to the “Red Light Review” process.

Persons who are not fully Safe Sport Compliant shall not serve in a Position of Authority. Persons undertaking a new Position of Authority must undergo a new Criminal Background Screening prior to commencing such new role or competition.

### **ADULT PARTICIPANTS REQUIRING TRAINING**

USATT’s Safe Sport Policy also requires that Adult Participants in the sport of table tennis who do not hold – or are not seeking to hold – USATT Positions of Authority (noted above) but who have Regular Contact and/or Authority Over Minor Athletes must undergo annual Training provided by the US Center for SafeSport at **SafeSportTrained.Org**.

Such persons are referred to as **Adult Participants Requiring Training**.

An **Adult Participant Requiring Training** is defined as:

An Adult Participant who has Regular Contact with, or Authority Over, a minor-aged amateur athlete, who is not the Adult Participant’s own child.

For the purpose of USATT’s Safe Sport and Minor Athlete Abuse Prevention Policy:

1. **Regular Contact** is defined as: ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s); and
2. **Authority Over** is defined as: when one person’s position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person.

**Adult Participants Requiring Training** must complete SafeSport Training provided by the US Center for SafeSport (**SafeSportTrained.org**) on an annual basis.

## USATT SAFE SPORT AND MINOR ATHLETE ABUSE PREVENTION POLICY REPORT OF MISCONDUCT FORM

### Reporting Abuse

USATT recognizes it can be difficult for an athlete, teammate, friend or family member to report an allegation of misconduct and strives to remove as many barriers to reporting as possible. You may remain anonymous if you wish. However, where appropriate, the investigative process may require further input and anonymous reporting may make it difficult for USATT to move forward with an investigation.

USATT requires reporting of physical, sexual or other misconduct by any member and strongly encourages reporting of any concerns relating to safe sport.
