Minutes

1. USAW recently told the IL WSO that they were unable to provide a balance statement for the IL WSO account. Therefore, the IL WSO is operating with only rough estimate of the funding in our account. This, combined with delays this past year in processing IL WSO requests for payment out of the IL WSO account are a cause for concern.
2. Casey Knuth attend the WSO Presidents Monthly Zoom call on October 27. They discussed various ideas for engaging local high schools in the sport of weightlifting. Members of the IL WSO BOD will continue to brainstorm on what we can do in Illinois and report back to this group at the next meeting.
3. 2023 IL WSO Championship Meet Selection Process -
We will reuse the 2022 selection criteria adding in a section on the IL WSO requirements for the schedule. An email will be sent out to all active club directors soliciting bids for both the 2023 IL WSO Championship and seeking volunteers to store the IL WSO equipment.
4. The BOD authorized payment of \$100 to Forza Weightlifting as payment for them storing the IL WSO Equipment from July -December 2022.
5. The next meeting will be Sunday January 08, 2023, at 5pm.
