## **ADDENDUM TO THE IWF TECHNICAL AND COMPETITION RULES AND REGULATIONS**

Addendum to the IWF TCRR can be found here: <https://www.teamusa.org/USA-Weightlifting/About-Us/Governance-and-Financial/Bylaws-Technical-Rules-and-Policies/Rules>

Those are applied to all USA Weightlifting Sanctioned Events, local or national.

### **QUALIFYING TOTALS**

Every athlete must post a total to qualify for a USA Weightlifting event. That total must be posted within the qualification period specified for that event. Qualifying totals can be found here: <https://www.teamusa.org/usa-weightlifting/resources/qualifying-totals>

Take the hypothetical scenario in which the qualifying totals for the 2022 USA Weightlifting Fictional Competition are:

Men's 55kg bodyweight division: 200kg total

Men's 61kg bodyweight division: 210kg total

Taking the scenario above:

-An athlete can hit a 200kg total as a men's 55kg athlete (thus, qualifying for the Fictional Competition) and use that same result to register as a 61kg -- or any other bodyweight category -- for the Fictional Competition.

-An athlete CANNOT hit a 200kg total as a men's 61kg athlete (missing the qualifying total for the 61kg weight class by 10kg) and use that total to register at 55kg (or any weight class) for the Fictional Competition.

### **ATHLETE REGISTRATIONS ON USA WEIGHTLIFTING NATIONAL EVENTS FOR NON-U.S. CITIZENS**

Members of USA Weightlifting that are non-U.S. citizens can register and participate on most of its national events. The following rules apply:

- At the North American Open Series and Finals, non-U.S. citizens can register, compete and win medals. Non-U.S. citizens cannot break American records.
- At the National Youth, National Junior, National Under 25 and National University Championships, non-U.S. citizens can register and compete but cannot establish records and are not eligible for medals. If a non-U.S. citizen places in the top three, the medal passes to the next highest-placing U.S. citizen.
- Non-U.S. citizens cannot register for the USAW National Championships.

## **COACH REGISTRATIONS AND REGISTRATION PERIOD**

Registrations for all USA Weightlifting national events will be open starting January 1 of the year of the event. Unless posted otherwise, registrations are non-refundable and non-transferrable.

The periods are defined as:

- Early Registration
  - Spans from January 1 until 4 p.m. ET on the Thursday six weeks before the start of the competition.
  - Early registration cost for a non-refundable registration is \$0.
- Regular Registration
  - Spans from the end of the Early Registration period to 4 p.m. ET on the Thursday four weeks before the start of the competition.
  - Regular registration cost for a non-refundable registration is \$25.
- Late Registration
  - Spans from the end of the Regular Registration period to the end of the competition.
  - Regular registration cost for a non-refundable registration is \$50.

Coaches need only register once for a USA Weightlifting national event and that will cover them for any and all athletes they coach at that competition. This also applies to the entirety of the USA Weightlifting National Championships Week.

## **ATHLETE REGISTRATIONS AND REGISTRATION PERIOD**

Registrations for USA Weightlifting national events will be open on January 1 of the year of the event. Unless posted otherwise, registrations are non-refundable and non-transferrable. The periods are defined as:

- Early Registration
  - Spans from January 1 until 4 p.m. ET on the Thursday six weeks before the start of the competition.
  - Early registration cost for a non-refundable registration is \$145.
  
- Regular Registration
  - Spans from the end of the Early Registration period to 4 p.m. ET on the Thursday four weeks before the start of the competition.
  - Regular registration cost for a non-refundable registration is \$175.
  
- Late Registration
  - Spans from the end of the Regular Registration period to 4 p.m. ET on the Thursday two weeks before the start of the competition. No athlete registrations can be taken after that.
  - Late registration cost for a non-refundable registration is \$375.

Refundable Registration is an add-on that MAY be included for USA Weightlifting national events. If offered, it is available from January 1 through the end of the regular registration period. The cost is \$100 on top of the early registration or regular registration fee and allows for the participant to request their full registration refund at any point until the Verification of Final Entries, under any circumstance.

The National Garage Championships registration shall cost \$100. No early or late registrations are offered for this event and registrations should be open until 4 p.m. ET on the Thursday two weeks before the start of the competition.

A coach must be registered to attend the event and enter the warm-up area and field of play. Parents of minors are exempt of this requirement. However, they must purchase an event

spectator ticket and show proof of a U.S. Center for SafeSport certification to be admitted at the warm-up area and field of play.

## QUALIFICATION PERIOD

The Qualification Period for a USA Weightlifting national event ends in conjunction with the regular registration deadline and begins one year prior.

## AMERICAN RECORDS AND STANDARDS

American Records may only be set at drug-tested USAW national events or IWF-sanctioned events.

A lifter will break an American Record by lifting a minimum of **1kg more** than that record.

In case that is noted as a vacant *Record Standard*, an athlete needs to match that standard to claim the American Record.

## MEDALS

At USA Weightlifting national events, medals are contested in all bodyweight categories in snatch, clean & jerk and total. The 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> placed athletes for each lift, as well as the total, on each available bodyweight category will be eligible for medals.

## TECHNIQUE MEDALS

At the National Youth Championships, athletes competing in the Under 13 and Under 11 years old age groups are eligible for a Technique Medal. To achieve this, they need to successfully complete all six of their attempts. Technique medals will be awarded at the end of each session.

## BEST LIFTER AWARDS

At USA Weightlifting national events, Best Lifter awards are earned by the top men's athlete and top women's athlete. Those trophies will be awarded as follows:

<b>Event</b>	<b>Age Group</b>	<b>Metric Used for the Award</b>
National Youth Championships	U11	Sinclair
National Youth Championships	U13	Sinclair
National Youth Championships	14-15yo	Sinclair
National Youth Championships	16-17yo	Sinclair
National Junior Championships	Junior	Sinclair
National University Championships	Open	Sinclair
National Under 25 Championships	Open	Sinclair
USAW National Championships	Open	Sinclair
North American Open Series	Open	Sinclair
North American Open Series	Masters	SMF
North American Open Finals	Open	Sinclair
North American Open Finals	Masters	SMF

## BAR LOADING AT THE NATIONAL YOUTH CHAMPIONSHIPS

At the National Youth Championships, the following loading rules will be applied to athletes in the Under 13 and Under 11 age groups:

- A 5kg bar, plus clips (weightless), will be used between weights 5kg and 14kg,
- A 10kg bar, plus clips (weightless), will be used between weights 15kg and 19kg,
- A 15kg bar, plus clips (weightless), will be used between weights 20kg and 39kg,
- A 15kg bar, plus competition collars, will be used from 40kg on

Both men and women in the 14-15yo age group will use a 15kg bar for their lifts. The 16-17yo age group will follow the rules and regulations posted on the IWF TCRR.

## **6-FOR-6 WRISTBANDS**

At the end of each session at all USA Weightlifting national events, a “Six for Six” wristband will be awarded to all athletes that successfully earn “good lifts” for all six of their attempts.

## **CHAMPION PATCHES**

The first-place athlete for each bodyweight division – in the total only – in the events listed below shall receive a Champion Patch during their medal ceremony.

Eligible competitions are:

- National Youth Championships
- National Junior Championships
- National Under 25 Championships
- National University Championships
- USA Weightlifting National Championships

## **ALL-AMERICAN TITLES**

All-American titles will be claimed by athletes competing at the National University Championships that achieve 75%, or more, of the National Ranking System (NRS).

<https://www.teamusa.org/USA-Weightlifting/Resources/Athlete-Information-and-Programs/Selection-Procedures>

The patches that denote the honor will be mailed by USA Weightlifting’s office in the weeks following the end of the National University Championships.

## **SERVICE MEMBER MEDALS**

In 2018 USA Weightlifting started awarding medals to the top three service members after specific competitions. The medals are awarded based on Sinclair for the open division, and based on the SMF coefficient for the masters division, for the top three in each gender amongst all the registrants. Only U.S. citizens are eligible for those medals.

To be eligible for the medals, members need to update their membership profiles with their U.S. Military status prior to the Verification of Final Entries for the respective national event.

The following events and rules apply for the Service Member Medals:

<b>Event</b>	<b>Medals (Sinclair)</b>	<b>Masters Medals (SMF)</b>
National Youth Championships	NO	NO
National Junior Championships	NO	NO
National Under 25 Championships	NO	NO
National University Championships	NO	NO
USAW National Championships	NO	NO
National Garage Championships	NO	NO
North American Open Series	<b>YES</b>	<b>YES</b>
North American Open Finals	<b>YES</b>	<b>YES</b>

## **ADAPTIVE ATHLETE COMPETITION REQUIREMENTS AND MEDALS**

An athlete must have a disability “defined by the ADA as a physical or mental impairment that substantially limits one or more major life activities, a person who has a history or record of such an impairment, or a person who is perceived by others as having such an impairment.” ([https://www.ada.gov/ada\\_intro.htm](https://www.ada.gov/ada_intro.htm))

Athletes must meet a minimum qualification total equal to 50% of the qualification standards set by USA Weightlifting.

Athletes must reasonably complete the competition lifts, the snatch and the clean & jerk (i.e. the snatch and the clean & jerk must be fully locked out overhead and dropped when given the down signal). Athletes are responsible for informing the meet director and officials of their need for accommodation.

If you have a disability and need specific accommodation not listed below please email USA Weightlifting with requested modifications. USAW must make reasonable accommodation for participation of athletes with disabilities:

- Deaf or hard of hearing
  - Coaches will be allowed out of the coaches' box to stand behind the referees during the athlete's lift to sign or signal coaches' cues
  - Athletes may request a more robust down signal by the center referee
  - Coach may give the down signal once the referee's call is visible
- Blind or visually impaired
  - Coaches may walk athletes on stage to assist with the start of the lift
  - Athletes may request a more robust down signal by the center referee
- Amputees
  - Athletes may perform single arm snatches and clean & jerks
  - Athletes may perform single leg snatches and clean & jerk
- Paraplegic
  - Seated lifts may be contested
  - The clean & jerk may be altered to a clean & press. The press must be fully locked out and completed in one fluid motion.

Medals will be awarded for the top three adaptive athletes, based on Sinclair for the open division, and on SMF for the masters division, on each gender amongst all the registrants. To be eligible for the medals members need to update their membership profiles with their disability status prior to the Verification of Final Entries for the respective event.

The following events and rules apply for the adaptive athletes medals:

<b>Event</b>	<b>Medals</b>	<b>Masters Medals</b>
National Youth Championships	<b>YES</b>	NO
National Junior Championships	<b>YES</b>	NO
National Under 25 Championships	<b>YES</b>	NO
National University Championships	<b>YES</b>	NO
USAW National Championships	<b>YES</b>	NO
National Garage Championships	<b>YES</b>	NO
North American Open Series	<b>YES</b>	<b>YES</b>
North American Open Finals	<b>YES</b>	<b>YES</b>

## TEAM COMPETITION

A club, and sometimes even an individual, can register for the team competition at a USA Weightlifting national event. On all occasions, the scoring follows that outlined by the International Weightlifting Federation in the Technical and Competition Rules and Regulations. Registrations for teams are always open until the Verification of Final Entries of that event. The rules below will apply for specific events.

- USAW National Championships / National Under 25 Championships / National Junior Championships

Teams are defined exactly as in the International Weightlifting Federation rules, meaning as many as 10 athletes per gender with two alternates per gender; a team can be as small as one athlete. Athletes need to belong to the same club to be listed on the same team. Team registrations for those events cost \$110 per team registered. Teams can be either made of male **OR** female athletes. Substitutions between the team members (scoring athletes vs. alternates) need to be appointed prior to the Verification of Final Entries of that event. Trophies are awarded for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> placed teams, per gender.

- National University Championships

Teams are defined exactly as in the International Weightlifting Federation rules, meaning as many as 10 athletes per gender with two alternates per gender; there is no minimum team size. At the National University Championships, a coed team event is also contested; provided there is at least one men's athlete and one women's, the makeup and size (between two and 10 athletes, plus two alternates) of each coed team is up to the discretion of that team. Athletes need to belong to the same school to be listed on the same team. Team registrations for those events cost \$110 per team registered. Teams can be either made of male **OR** female **OR**, for the coed division, both. Substitutions between the team members (scoring athletes vs. alternates) need to be appointed by the Verification of Final Entries of that event. Trophies are awarded for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> placed teams, per gender plus the coed division.

- National Youth Championships

Teams are defined by age group ("Under 13," "14-15 Years Old," "16-17 Years Old") and gender within each of those three age groups, and consist of as many as 10 athletes per gender, with

two alternates per gender; there is no minimum team size. Athletes need to belong to the same club to be listed on the same team. Team registrations for those events cost \$45 per team registered. Teams can be either made of male **OR** female athletes. Substitutions between the team members (scoring athletes vs. alternates) need to be appointed prior to the Verification of Final Entries of that event.

Trophies are awarded for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> placed teams in the three previously defined age groups (“Under 13,” “14-15 Years Old,” “16-17 Years Old”), per gender.

National Youth Championships also offers a coed “All Age Groups” team competition. The “All Age Groups” teams can consist of up to 10 athletes with two alternates; provided there is at least one athlete per gender, the team makeup is at the discretion of each team.

The Glenn Middleton Award for Youth Development is earned by the team with the most points in the “All Age Groups” category. A \$1,000 check is also awarded to this team. There are no second and third places awards for this division.

- North American Open Series / North American Open Finals / National Garage Championships

Teams are always mixed gender. They consist of five athletes and no alternates. By the end of the competition, the athlete with the lowest number of points on the team will have their result discarded and only the top four athletes will have their points computed. Athletes can be affiliated with any club and each athlete on a team could represent a different club, if desired. Team registrations for those events cost \$55 per team registered. Trophies are awarded for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> placed teams.

## **PRELIMINARY SCHEDULE RELEASE DATE**

The Preliminary Schedule will be released after the approval of the competition secretaries in a maximum of 48 hours after the end of regular registrations. The Preliminary Schedule will be posted on the event page and that link will be advertised on USA Weightlifting social media.

## **ONLINE EVENT RULES**

USA Weightlifting National Online Events will follow the rules and regulations established here:

[https://www.teamusa.org/USA-Weightlifting/Events/2021/May/13/National-Garage-Championships/Online-Event-](https://www.teamusa.org/USA-Weightlifting/Events/2021/May/13/National-Garage-Championships/Online-Event-Rules#:~:text=Participants%20will%20be%20required%20to,Rules%20and%20Regulations%20(TCRR).)

[Rules#:~:text=Participants%20will%20be%20required%20to,Rules%20and%20Regulations%20\(TCRR\).](https://www.teamusa.org/USA-Weightlifting/Events/2021/May/13/National-Garage-Championships/Online-Event-Rules#:~:text=Participants%20will%20be%20required%20to,Rules%20and%20Regulations%20(TCRR).)

## **TECHNICAL OFFICIALS SIGN-UP SHEET**

The Technical Officials Sign-up Sheet will be produced within five days of the release of the preliminary schedule for the event. The sign-up sheet will be shared with all technical officials at the same time, except at the National Championships Week.

For the National Championships Week, the TOs Sign-up Sheet release will be done in waves, as follow:

- IWF Category 1 referees will receive it first,
- IWF Category 2 referees will receive it 24 hours after that,
- National and Local referees will receive it 24 hours after the IWF Category 2 referees

On top of all normally required accreditations, a Technical Official must have valid U.S. Center for SafeSport certifications and Background Screening through the end of any USA Weightlifting national event in which they are willing to participate.

## **TECHNICAL OFFICIALS RANKING AND ADVANCEMENT**

USA Weightlifting Technical Officials will receive points towards an annual ranking, as outlined on: <https://www.teamusa.org/usa-weightlifting/referees>

## **COMPETITION SECRETARIES' APPOINTMENT**

To be considered for a Competition Secretary (CS) position, a Technical Official must first attend one national event and shadow a CS for the entirety of the event (beginning the night before competition and inclusive of the final session). The Technical Official will receive the points for the ranking system as if they have served as a Competition Secretary.

Following the completion of the above, the candidate will be evaluated on the following:

- Punctuality
- Problem solving (weigh-in issues, staffing)
- Willingness to work
- Demeanor with other Technical Officials

In the year following the completion of the above, the individual may apply to be Assistant Competition Secretary at an upcoming event. Following the Assistant Competition Secretary assignment, the individual will be evaluated on:

- Punctuality
- Problem solving (weigh-in issues, staffing)
- Willingness to work
- Demeanor with other TOs

Following successful completion of the above, the individual may be considered for lead Competition Secretary.

## **NORTH AMERICAN OPEN SERIES**

The North American Open Series offer a direct opportunity for athletes North-American Federations to qualify for the North American Open Finals. Qualification for the North American Open Finals is also possible by achieving a qualifying total (as explained above in the topic 'Qualifying Totals')

The following athletes will immediately qualify for the North American Open Finals after each one of the North American Open Series:

- In the Open division, the medalists in **TOTAL** for each bodyweight category. (Gold, Silver and Bronze in **TOTAL** for W49kg, W55kg, M55kg, etc. will qualify for the Finals)
- In the Youth Division
  - Men's **16-17yo**: The top three athletes ranked via Sinclair formula for the whole Men's Youth 16-17yo division.
  - Women's **16-17yo**: The top three athletes ranked via Sinclair formula for the whole Women's Youth 16-17yo division.
  - Men's **14-15yo**: The top three athletes ranked via Sinclair formula for the whole Men's Youth 14-15yo division.
  - Women's **14-15yo**: The top three athletes ranked via Sinclair formula for the whole Women's Youth 14-15yo division.
- In the Masters' division
  - For Masters Men's: The top athlete via Sinclair-Meltzer-Faber per age division will qualify for the finals.
  - For Masters Women's: The top athlete via Sinclair-Meltzer-Faber per age division will qualify for the finals.

## PRE-COMPETITION MEETINGS

Administrative meetings may be held prior to any National event. Unless EXPLICITLY informed and highlighted in the Preliminary Schedule, those meetings are NOT mandatory for athletes and coaches. USA Weightlifting *strongly* recommends participants to attend meetings such as USADA briefings, First Time Athlete briefing, High Performance meetings, and others.

## TRAINING HALL

Unless specifically mentioned in the Preliminary Schedule and the Event Regulations, a Training Hall will be made available at USA Weightlifting National Events. This area will open at 2pm on the day prior to when competition starts. The size of the training hall may vary due to space limitations but typically USAW will provide ten (10) platforms, with squat racks barbells and plates

accordingly, for this area. The opening time of this area may be adjusted by USAW national office and clearly communicated to participants.

## **REGISTRATION DESK**

At USA Weightlifting National Events the registration desk and all its functionalities (check-scale, ticket purchase, ticket pick-up, credentials pick-up, etc) will be open at 2pm on the day prior to when competition starts. The opening time of this area may be adjusted by USAW national office and clearly communicated to participants.

## **TICKETS**

Tickets for USA Weightlifting events can be purchased at [www.weightliftingtickets.com](http://www.weightliftingtickets.com)
