- When applying for your sanction online, please select the Chief of Officials as the Official in Charge (OIC) If the COO is unable to attend, then he or she will assign someone else for that show. Golden Gloves may select their own OIC. Input your Ringside Physician as well.

- The LBC will typically only allow one show on the same date. On occasion, exceptions may be made to this rule, but must be approved by the LBC Chief of Officials.
- If a sanction is denied due to the lack of adequate officials (minimum of 7), but the host says, "I can secure them," then the list of officials should be submitted to the COO no less than 5 days prior to the event.

Sanction Holder Responsibilities:

- **Ringside_Doctor:** It is the responsibility of the sanction holder to secure a ringside doctor for their show. If the sanction holder needs help the LBC will provide a list of USAB registered doctors in the area. Also, some doctors may ask to be compensated by paying them a fee or providing travel stipend, food, and/or lodging (if necessary) and it is up to the sanction holder to pay for this expense.
- **Officials:** Depending on the circumstances such as travel distance or length of the show, the sanction holder may want to also provide travel stipend, food, and/or lodging to officials. This is not mandatory. But what is mandatory is providing water, soft drinks, and snacks to the officials – and a meal if the event lasts more than 4 hours.
- **Security:** The sanction holder is responsible for security at the event. Law enforcement can be called if necessary.
