

## **REPORTS:**

Amy's meet ran well, a meet April 3rd at Westerly Barbell, and a meet 5/15 at District Athletic Club. The meets seem to have high interest, but we need to figure out how to generate more interest for volunteers. We need to brainstorm ideas on how to do this. An example spreadsheet can be found at this URL to send to lifters and coaches before the competitions that you can make a copy of for your own use and alter for 2-day or 2-platform competitions:

## **OLD BUSINESS:**

**N/A**

## **NEW BUSINESS:**

**It was voted 6-0 by the members on the call to purchase 2 pairs of competition collars, a scale, and 2 double sided clocks in preparation for hosting the Bay State Games in July and the WSO Championships in September. Rough budget of \$1000 should allow us to get high quality versions of these products that should last a few years.**
