## 1904 - III. Summer Olympic Games (St. Louis, United States) Fencers: 6 Nations: 2 Events: 1

### Men's Foil Team (6 fencers on 2 teams)

Thursday, 8 September, 1904

This was the first time that a fencing team event was held at the Olympics. The event was scheduled for September 6 with two U.S. teams entered, one with fencers from the Northeast and another from Chicago. But the Chicago fencers didn't show up. The other team was declared the winner by forfeit but refused to accept the medals. Instead, they insisted that the event be rescheduled to September 8 to give the Chicago fencers more time to arrive. But on Sept. 8 they still didn't show up and so a second team was made up of two Cuban fencers and one U.S. fencer so that the spectators who had arrived would see fencing.

"DNS" (Did Not Start) means that a team did not show up to compete. "DNC" (Did Not Compete) means that a fencer did not compete either because their team did not start or because that fencer was named as a reserve for the team event but did not compete in any of the team's matches. When this happens, the IOC considers the team or fencer to have not competed in the event at all but the fencer's country may consider the fencer to be an Olympian.
