To further our chances of performing well at the world level, USA Wrestling will incorporate the U23 Worlds with a pre-worlds training camp. In addition, USA Wrestling is looking to provide an opportunity to compete internationally, as well as provide further training before the U23 World Championships. This may require that some of the funding come from the individuals themselves and/or their clubs or universities.

The camp schedule will be:

- Approximately two weeks of preparation, focusing on techniques and drills. The athletes will be expected to arrive in competition shape with their weight under control. Hard wrestling will not be required between wrestlers in the same weight category unless requested.
- Any required expenses on the athlete's part will be discussed and guidance will be given to help athletes get expense money together with dates established for receiving any funds needed.
- *Camps will NOT be required, but highly encouraged.*
