Coaches Space:

USA BOXING COACHES' WORKOUT SPACE

RULES FOR SPARRING

USA Boxing is providing this space FOR THE COACHES to get experience for your boxers who have finished their tournament.

Sparring WILL NOT be monitored by USA Boxing Officials nor Staff. It will be the responsibility of the COACHES that utilize the ring to enforce the following rules.

These rules are intended to avoid problems which will lead to this courtesy not being available at future competitions. Please help make this concept a success!

1. All Boxers & Coaches/Seconds must be currently registered & certified members of USA Boxing. Every boxer MUST have a Coach in his/her corner during sparring.

2. Use of the sparring ring is on a first come, first serve basis. Please Share. If it gets busy, coaches must take responsibility to set the matchups & schedule so that all get an opportunity in the ring. If there are others waiting to spar, limit your boxers to 3 rounds of sparring.

3. COACHES ARE IN CONTROL OF THE SPARRING. The coaches of the boxers who are sparring will agree BEFORE the sparring begins:

- The matchup with full disclosure of each boxer's AGE/WEIGHT/EXPERIENCE
- Number of rounds and time length of the rounds
- Glove sizes
- Coaches will regulate the sparring, keeping the time and calling: STOP, BREAK & BOX

4. Boxers will wear proper protective equipment during all sessions, including head gear, mouthpiece, training gloves, shoes, groin protector (optional for females).

5. Clean up after you and your boxer.

6. Use the provided cleaning supplies to clean up any blood.

Remember that sparring is a training tool for practice and improvement of your boxer, and it is NOT a place for settling grudges.

USA BOXING COACHES' WORKOUT SPACE RULES (Cont.)

1. All boxers aged 16 and younger must be accompanied by a USA Boxing current registered & certified coach. NO EXCEPTIONS.

2. Show respect for the facility, the equipment, and towards other members.

3. Always act in a dignified manner relating to your emotions, language, attitude & actions. Set the example for your boxers to follow.

4. Usage of equipment is on a first-come, first-serve basis. Please share.

5. Clean up after yourself. Leave the room better than you found it.

6. Please keep your bags and personal equipment out of the way.

7. USA Boxing will not be responsible for forgotten, lost or stolen property.

8. Keep the floors clean, DO NOT SPIT on the floors. Dispose of gum properly.

9. Absolutely NO filming/recording in the Coaches/Workout Space

10. NO standing on the apron. ONLY 1 Coach and 1 Boxer on the apron at a time

10. Treat the space and any issues/conflicts that arise as if you're at your gym. Do not allow boxers or other coaches to violate these rules.

Remember that this is YOUR space. Please feedback to the staff your suggestions about these rules & how to make this space an asset for you during future events.

Failure to abide by these rules and regulations could result in confiscation of Event Credentials.

Coaches Space will be monitored by USA Boxing Staff and Security. Will direct Coaches and Boxers and MUST be respected. Failure to abide by the rules and regulations of the Coaches Space could result in confiscation of Event Credentials.
