Letter from Leadership

Dear USA Boxing Members,

As we step into the new year, I want to express my deepest gratitude to each of you for your unwavering commitment to USA Boxing. **Together, we are building an organization that continues to reach new heights**, and the close of 2024 stands as a testament to the incredible strides we've made.

The 2024 National Championship tournament in Richmond, Virginia was a resounding success, marking the start of a new quadrennial as we set our sights on the Los Angeles 2028 Olympic Games. This year's event was particularly historic, as Olympians from the Paris Games competed in our tournament for the very first time. This unique milestone not only elevated the level of competition but also underscored the depth of talent we are cultivating. **We are well on our way to assembling one of the strongest and most experienced national teams in recent memory**, and I am confident we will make our mark on the global stage in Los Angeles.

Furthermore, **I am thrilled to share promising developments on the international front**. Following our removal from the Olympic Games due to the mismanagement of our previous international federation, the formation of World Boxing has provided a pathway for reinstatement. This progress is a result of tireless efforts by our CEO, Mike McAtee, our dedicated USA Boxing staff—many of whom have taken on dual roles to assist the international community—and the steadfast support of our Board of Directors and the USA Boxing Foundation.

While these achievements are remarkable, none of them would have been possible without you, our members. **Thanks to your support, USA Boxing's membership has reached its highest level in history, providing us with unparalleled strength and financial stability**. With this solid foundation, I am more confident than ever that USA Boxing will continue its upward trajectory, reclaiming its place as the strongest and most respected National Federation in the world.

As we embark on this exciting new chapter, **I encourage you to stay engaged and inspired. Your passion and dedication are the heart of our organization**, and together, we will continue to shape the future of our sport.

Thank you for your support and belief in USA Boxing. Here's to an extraordinary 2025 and beyond! **Tyson Lee, Board Chairperson**

Membership Update:

The 2025 membership year has started off with a bang! **Membership is running just ahead of 2024, and we thank all of you who registered early for upcoming events.** Upon considering when to renew your membership, please keep in mind the time **it takes for your background screening to clear as well as the SafeSport Training and Certification requirements.**

YOUR MEMBERSHIP MATTERS

Athletes, remember to allow time to get a passbook if you're new or need to apply for another book (if yours is misplaced).

The Appeal Body has been able to clear numerous members who otherwise would have been excluded from membership.

Thank you for your continued support of USA Boxing and its programs across the nation.

Volunteer Spotlight

Shawn Reese - RJ Chairperson

Shawn Reese has been a staple within the USA Boxing family ever since he was a youth. Hailing from a family of Olympic-style boxing officials, Reese has been a prevalent figure in the world of officiating, both within the United States and internationally. After serving as a referee in the Paris 2024 Olympics, he has since turned his attention to assisting World Boxing in gaining recognition as an international federation by the International Olympic Committee. Reese has consistently raised the standard by which officials within the United States and across the globe are measured and he has been instrumental in providing educational opportunities for his fellow officials. A native of Tennessee, Reese has engrained his blue-collar work ethic into the officiating side of Olympic-style boxing, providing a framework for others to imitate to progress within the sport. He has now retired as a firefighter and currently dedicates his free time to evolving our sport and growing opportunity for officials and boxers.

In addition to his efforts within the sport, Reese currently serves as the chair of the USA Boxing R&J Committee, where he has revamped the officials' certification process, paving a way for officials to move from pathway to Level 3. Within that role, he has also created a rankings system and developed a survey for the Official in Charge position.

We thank Shawn for all his hard work as his volunteer hours almost equal full time employment with USA Boxing!

Disciplinary Process

The Judicial Review Panel is comprised of five members of the USAB staff from different departments. Once a complaint has been received and validated, the process may be to issue an Administrative Hold of Temporary Measures against the membership of the accused pending the investigation.

The accused is given the opportunity for their statement regarding the allegations. When possible, the Panel meets up to twice per week and discusses at length, the issue and any disciplinary action(s) against the person(s) who committed the violation(s).

After a decision has been rendered, a letter of "Disciplinary Action" is emailed out with a requested response time for the acceptance or rejection of action. If a rejection is received, the matter is then presented to the Judicial Committee for review and/or hearing. Both the Administrative Hold notice and the Disciplinary Letter are copied to the accused's home LBC and other parties on a need to know basis only.

All cases are strictly confidential at all times and never shared with a 3rd party. Below is a recap of the reported cases the Panel has worked on in the 3rd and 4th Quarters of 2024.

Qty	Allegation Type	Ruling
54	Complaints	Handled via email or phone call.
28	Violations of Rule Book & Code of Conduct	Disciplinary Letter: suspension & probation, or banned from USAB sanctioned events.
20	LBC Grievances	Adjudicated at the LBC level.
8	National Grievance	Hearings heard by the Judicial Committee Panel.
3	Legal	Cases involving attorneys for both sides.
1	Appeal	Litigates and USA Boxing may appeal Judicial Committee decisions and additional litigates may appeal the Appeal Panel's decision to an independent arbitrator per USA Boxing by-laws.
13	Forgery	30-day suspension to include waiting to upload an acceptable document.
39	SafeSport	SafeSport either accepts or declines jurisdiction.
13	Unsanctioned Events	Admin Hold and Disciplinary Action.
