

Welcome to Reno, NV, for the first C Championships that are taking place during the National Championships. We are thrilled to bring together our C-Level skaters with all the other skaters from around the country to showcase their skating skills in this competition, following their qualification at their Regional Championships.

Here is a bit of information to be familiar with before arriving and while participating. This information can apply not only to the skaters but the parents and supporters that will be here during the competition.

First of all, our numbers are excitingly higher than expected, so we will be running a bit of a tight schedule. Those who have signed up to skate will need to be prepared to skate one hour in advance, except for the first events. We realize there are a few tight areas that we will make sure skaters have time to change skates or outfits.

We will be running a practice on the first morning of the competition prior to the start of the first events. The order of the practice will be on the Final Schedule. It will be more of a general practice versus event by event.

Please note, we are not running the figure events in waves. They will be run back-to-back according to the schedule. Also, if you are participating in Loop events, please make sure you are comfortable with each of the official panel loop circles. We will do our best not to change any loop events per panel. However, since these are circle loops, if we need to make a change, we want you to be aware of it ahead of time so you can familiarize yourself with each official set of loop circles.

Please note that in the schedule, we will be having an Opening Ceremony on Thursday evening. This is a time when we will have a small parade of regions to welcome everyone to this amazing event. We will have all the skaters gather at one end of the rink before the parade. Then, each region will be called out to the floor, and we will have the athletes skate to a particular part of the floor to honor them. Please note that when participating in the parade, we ask that you wear clothing that represents the sport by either wearing a competition outfit, since some may be skating right before or after the parade, or you can be in a club tracksuit of some type.

We are so excited to bring back our C skaters to a level of competition where they can compete against skaters from all around the country. If you have any questions, please do not hesitate to ask. We want to help create memories that will last a lifetime.

Sincerely,

C Championship Committee

USA Roller Sports C Championships

July 24-25th, 2025

July 24th- Day 1

5:45 AM **Doors Open**
