### Membership

- Due to various events, membership has a high volume of documents to process. Please advise your members to contact membership to have those documents approved over the phone.
- Passbooks shall only be distributed by the LBC registration chair or their designee. Passbooks shall not be distributed to coaches/clubs to then distribute to their boxers.

### Operations

- Reminded LBCs that those in financial compliance are awarded a free sanction. The sanction application was sent via email with these minutes.
- Reiterated the requirements for all pro-am, 3<sup>rd</sup> party, and multi/day multi ring sanctions, to include what they involve, (pre and post event, i.e. financials statements, matchtracker, etc.).
- Questions were asked surrounding unsanctioned event participation. Explained to LBC the safety concerns with multisport participation and its lack of reporting. Expressed to LBC leaders to contact Andrew Banuet to assist the LBC with handling such matters, as they are reviewed case by case.

- A question was asked about hosting amateur events that featured more than one discipline (i.e. boxing and kickboxing). We advised to contact Andrew to assess. Generally, we would treat it similarly to a pro-am event, where there needs to be a clear distinction between both sports. However, USA Boxing would like to discuss the details with the host before any action is taken, to ensure a proper assessment.

### High Performance

- Coaching Education
  - We are looking for more clubs, especially in the west, to host either a bronze or silver clinic (preferably silver). Please contact Kamarra Pennick at [kpennick@usaboxing.org](mailto:kpennick@usaboxing.org) for more information. Applications will be provided.
  - The nutrition course is now available. The cost is \$25.00 and can be accessed through one's USA Boxing account.

### Finance

- There are currently 11 LBCs who are not meeting financial compliance. LBC funds will be withheld until they are compliant. Please contact Deby King @ [dking@usaboxing.org](mailto:dking@usaboxing.org) for further assistance.

### Misc

- Explained the process on applying to host an official's clinic. Please contact Rhona Brown for more information, [rbrown@usaboxing.org](mailto:rbrown@usaboxing.org).
- The Thomas "Sarge" Johnson Scholarship is currently on hold. Once the scholarship is available, we will make an announcement. (This was not discussed during the meeting).
