## **Job Summary:**

USA Artistic Swimming (USAAS) is hiring a senior national team Head Coach to aid in our continued efforts to develop a competitive and enjoyable team environment that will work to continue put USAAS on the international lead.

The position is a full-time employee position. The position will start on October/November 2025.

This position will work with the Chief of Sport in the development of the coaching plan and team strategy. The position will ultimately implement the plan and use their skill set to lead the group and make the most positive impact on the senior athletes. While their physical development and skill enhancement are a vital part of this program the position will be responsible for making each of them a better teammate and well-rounded athlete.

The head coach will be responsible for the implementation, growth and development of the assistant coach and will work with the Chief of Sport in hiring that position.

The position will require the coach to be located in Los Angeles, California. The position will include domestic and international travel for competitions, camps, events, programs, etc.

The position reports to the Chief of Sport and high-performance staff.

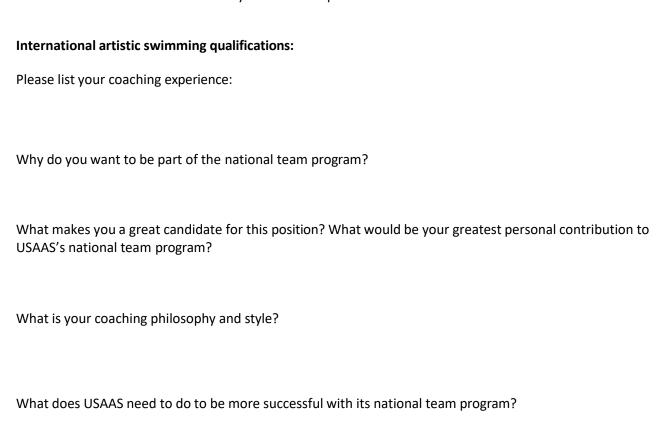

Compensation will be based on experience. \$90,000 to \$110,000 annually.

## The Head Coach responsibilities include, but are not limited to:

- Collaborate with the Chief of Sport to prepare the training strategy for the season.
- Develop the technical skills of each individual athlete and ensure that the technical elements of each routine afford the athletes the best opportunity to excel.
- Participate in all senior national team selection trials.
- Develop and communicate training camp plan/calendar.
- Manage all assistant coaches and consultants (define their roles and responsibilities and what is
  expected of them, provide them with feedback and evaluate them at the end of the season).

- Keep track of the athletes' progress and meet with them directly once a month.
- Collaborate with support staff (physician, physiotherapist, nutritionist, sport psychologist and any other support staff).
- Develop music and choreography for senior national team routines.
- Collaborate with the Chief of Sport for all training and competition logistics.
- Participate in and coordinate media appearances and/or any promotional activities with Chief of Sport or the Media Officer.
- Participate in Education seminars and conferences as directed by the national office.
- Perform other tasks as directed by the Chief of Sport.
