## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Management of  
USA Golf Federation, Inc.

### **Opinion**

We have audited the accompanying financial statements of USA Golf Federation, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of USA Golf Federation, Inc. as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of USA Golf Federation, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about USA Golf Federation, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of USA Golf Federation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about USA Golf Federation, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## NOTE A -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**NATURE OF ACTIVITIES** – USA Golf Federation, Inc. (“USA Golf”) is a nonprofit organization formed in 2011, to pursue competitive success in Olympic, Paralympic or Pan American competition and to contribute to the development of future elite American golfers. USA Golf has been recognized by the United States Olympic Committee as the national governing body that will officially name and manage the men’s and women’s U.S. Olympic Golf Teams.

### ACCOUNTING PRONOUNCEMENTS IMPLEMENTED

**CREDIT LOSSES** – Effective January 1, 2023, the Organization adopted FASB ASU 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses of Financial Instruments*, as amended, which modifies the measurement of expected credit losses on certain financial instruments. The Organization adopted this new guidance using the modified retrospective transition method. The adoption of this standard did not have a material impact on the Organization’s financial statements, but did change how an allowance for credit losses is determined.

**BASIS OF PRESENTATION** – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP). Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, USA Golf’s net assets and changes thereto are classified and reported as follows:

Net assets without donor restrictions – consists of amounts that are available for use in carrying out the supporting activities of USA Golf and are not subject to donor-imposed stipulations.

Net assets with donor restrictions – consists of amounts subject to donor imposed restrictions. When a restriction is satisfied, the associated amount is reclassified from net assets with donor restrictions to net assets without donor restrictions and reported in the statement of activities as net assets released from restriction. USA Golf did not have any net assets with donor restrictions at December 31, 2023 and 2022, respectively.

**CASH AND CASH EQUIVALENTS** – For the purposes of the Statements of Cash Flows, USA Golf considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

**ACCOUNTS RECEIVABLE** – Accounts receivable are stated at the amount management expects to collect from outstanding balances. The Organization uses historical loss information based on the aging of receivables as the basis to determine expected credit losses for receivables.

**REVENUE RECOGNITION** – Revenue from contracts with customers is derived from agreements related to digital media and marketing rights.

The Organization determines the appropriate revenue recognition for these contracts through the following steps:

- Step 1: Identify the contract(s) with a customer.
- Step 2: Identify the performance obligations in the contract.
- Step 3: Determine the transaction price.
- Step 4: Allocate the transaction price to the performance obligations in the contract.
- Step 5: Recognize revenue when (or as) the entity satisfies a performance obligation.

## NOTE A -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Organization has a contract that grants the United States Olympic Committee exclusive rights to host and manage the USA Golf branded sports-specific web-site, including the right to distribute and broadcast USA Golf content (audio, visual, etc.) Digital media fees are recognized as revenue over the period of the contract, which is on a single year calendar basis. All distinct performance obligations are recognized over the same period of time.

The Organization has an official uniform provider agreement granting the provider exclusive rights to the sales and branding of licensed USA Golf apparel and products. Sponsorship fees are recognized as revenue over the period of the contract, which is a multi-year calendar year basis. All distinct performance obligations are recognized over the same period of time.

**CONTRIBUTIONS** – Contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions depending on the existence or absence and nature of any donor restriction.

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restriction expires (that is, when a stipulated time restriction ends or purpose is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets with donor restrictions and reported in the statement of activities as net assets released from restriction.

Revenue is recognized when earned. Contributions are recognized when an unconditional promise to give is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction.

**CONTRIBUTED SERVICES** – Contributed services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by USA Golf. The amounts reflected in the accompanying financial statements as contributed services are offset by like amounts included in expenses.

**INTANGIBLE ASSETS** – Intangible assets consist of trademarks in the amount of \$3,655 at December 31, 2023 and 2022, respectively. The trademarks are not required to be amortized.

**WEB-SITE DESIGN COSTS** – Capitalized costs incurred in the development and design of the Organization's web-site total \$750. The costs are being amortized over a 10-year period. Accumulated amortization totaled \$750 and \$687 as of December 31, 2023 and 2022, respectively.

**FUNCTIONAL ALLOCATION OF EXPENSES** – The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include compensation and benefits, which are allocated on the basis of estimates of time and effort.

**LIQUIDITY** – Assets are presented in the accompanying statement of financial position according to their nearness of conversion to cash and liabilities, according to their nearness of their maturity, and resulting use of cash.

**INCOME TAX STATUS** – The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

**NOTE A -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**INCOME TAXES** – USA Golf is a not-for-profit corporation exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and from state taxes under similar provisions of the Florida statutes. Accordingly, no provision for federal and state income taxes has been recorded in the accompanying financial statements. USA Golf files the required annual federal informational return for tax-exempt organizations.

USA Golf identifies and evaluates uncertain tax positions, if any, and recognizes the impact of uncertain tax positions for which there is a less than more-likely-than-not probability of the position being upheld when reviewed by the relevant taxing authority. Such positions are deemed to be unrecognized tax benefits and a corresponding liability is established on the statement of financial position. USA Golf has not recognized a liability for uncertain tax positions. If there were an unrecognized tax benefit, USA Golf would recognize interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expenses.

**ESTIMATES** – Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Management believes that the estimates and assumptions are reasonable in the circumstances; however, actual results could differ from those estimates.
