October 5, 2025

## Fall 2025/2026 Senior International Competition Team Selection

These selection procedures will go into effect immediately upon the date of publication by USA Pentathlon Multisport.

### I. SELECTION SYSTEM

#### A. Minimum Eligibility Requirements

1. Be eligible to compete, in accordance with the rules and regulations as set out in the 'UIPM Competition Rules and Regulations General Aspect Section 1.12.1"  
[https://www.uipmworld.org/sites/default/files/mp\\_competition\\_rules\\_and\\_equipment\\_regulations\\_2025\\_clean\\_final\\_0\\_1\\_1.pdf](https://www.uipmworld.org/sites/default/files/mp_competition_rules_and_equipment_regulations_2025_clean_final_0_1_1.pdf)
2. Athletes must be a member in good standing with USA Pentathlon Multisport (USAPM) and possess a valid UIPM Athlete License.
3. Participation in any USAPM or UIPM-sanctioned event constitutes the athlete's agreement to abide by the USA Pentathlon Multisport Code of Conduct <https://www.usapentathlon.org/code-of-conduct>
4. Comply with any USAPM Regulations, Code of Conduct, Policies, SafeSport and a Background Check
5. Not be subject to any sanction issued by USAPM, SafeSport, USADA, WADA, or the UIPM
6. Not serving a ban from participation in any sport for any reason at the time of selection and/or at the time of the event
7. Conduct themselves as suitable ambassadors for USAPM and the sport of Pentathlon, and act in a manner befitting a representative of USAPM and Team USA

## **B. Competition Categories, Qualification, and Eligibility**

1. UIPM World Cups (WC) and Senior World Championships (WCH). To automatically qualify for any WC/WCH competition, athletes must achieve a Senior Men or Women top 4 US Ranking and achieve either:

- A minimum overall pentathlon score of 1400 for men, 1300 for women, or
- A minimum swim + laser run combined score of 960 for men, 850 for women (points table for swim and laser run are located in Attachment B & C)

This score must be achieved at a USAPM or UIPM-approved event within 6 months prior to the start of the Category A competition. An approved event is any competition on USAPM's calendar, or any international competition hosted by a UIPM member nation with official results. For Category A events, athletes must notify USAPM of their intent to participate at least 30 days prior to the organizer's deadline.

2. Non WC/WCH international competitions include all other international competitions outside of WC/WCH (\*except 2026 PanAm Senior Championships). There is no minimum score requirement for these events and they are open to any athlete that meets the eligibility requirements outlined in Part I A. Athletes are responsible for their own entry and all associated costs. If USAPM is required to submit entries on behalf of athletes, the athlete must notify USAPM at least 10 days prior to the organizer's deadline and provide completed Form A, B, C located in the event invitation

3. The 2026 PanAm Championships team will be chosen by a combination of the National Ranking list and the PPC discretion. The top 3 male and top 3 female from the National Ranking List at or near the registration deadline will qualify for the 2026 PanAm Championships. Any remaining spots will be chosen by the PPC based on a holistic review, including but not limited to: recent performance relative to the current minimum overall score and/or swim + laser run score, adherence to USAPM rules and policies, coach recommendations, overall athletic potential, and prior competition results. The PPC may also consider extenuating circumstances such as injury recovery or unique competitive opportunities.

4. In the event that additional athlete slots remain available for any Category A competition (World Cups, or World Championships), the Pentathlon Performance Committee (PPC) reserves the right to allocate discretionary selection(s). Athletes wishing to apply for a discretionary spot must apply using the following form:

<https://forms.office.com/r/LZDtnDmZgU?origin=IprLink>

The PPC will evaluate athletes based on a holistic review, including but not limited to: performance relative to the current minimum overall score and/or swim + laser run score, competition and training trajectory, demonstrated commitment to training plans, adherence to USAPM rules and policies, coach recommendations, overall athletic potential, and prior competition results. The PPC may also consider extenuating circumstances such as injury recovery or unique competitive opportunities. Discretionary selections are not guaranteed and will only be utilized at the PPC's sole discretion when it is deemed to be in the best interest of Team USA's international representation.

### C. Team Size and Tie Breakers

Each Category A (World Cup or World Championships) event may include up to 8 male and 8 female athletes. If more than 4 athletes of a gender meet the automatic qualification eligibility criteria, the national ranking list will serve as the tiebreaker. Any remaining spots will be at the discretion of the PPC.

For non WC/WCH international competitions, if the LOC limits the amount of athletes allowed to enter, then the National Ranking List will be used to rank athletes in the event that more athletes request to go to the competition than what the LOC allows.

### D. National Ranking List

A National Ranking List will be established for the purpose of ranking US athletes. Only USAPM members will be eligible to receive ranking points. The national ranking list will be updated following each qualifying competition; official results must come from USAPM, UIPM, or the official international LOC. Ranking points are earned from the following events.

- Top 2 UIPM Wc/WCH events
- 2025 US National Championships
- Top 2 USAPM Invitationals
- Top 2 UIPM Non WC/WCH Events
- Top 2 USAPM Regionals

Points Table located in Attachment A.

The highest two ranking point results per category will be counted toward each athlete's overall ranking score. A competition will remain on the ranking list for 365 days or when the following year's same competition takes place, whichever occurs first. The National Ranking List used for any Category A competition will be based on results available as of the event's stated registration deadline. Any competition results occurring after the registration deadline will not be considered for that event's selection, even if they take place prior to the event itself.

**\*\*\*\*Athletes must be ranked in the top 4 AND achieve the required minimum scores to automatically qualify for UIPM WC/WCH competitions.**

### E. Relay Team Selection

Relay teams (mixed or gender) will be selected from athletes attending the event and will be selected prior to the event. Relay selection will be determined based on performance history and availability at the event.

## **II. REMOVAL OF ATHLETES**

USA Pentathlon Multisport has jurisdiction over potential nominees.

An athlete may be removed for any of the following reasons:

- Voluntary withdrawal with written notice
- Injury or illness as certified by USAPM medical personnel
- Violation of the USAPM Competition Code of Conduct

Athletes may also be removed for violations of anti-doping regulations. Athletes have the right to a hearing per USAPM Bylaws

## **III. REPLACEMENT OF ATHLETES**

For UIPM WC/WCH competitions, replacement athletes will be selected from the National Ranking List, provided they have met the required minimum score within the eligibility window.

Decisions on replacements will be made by the Pentathlon Performance Committee.

## **IV. ANTI-DOPING REQUIREMENTS**

Athletes must comply with IOC, WADA, USADA, UIPM, and USOPC anti-doping protocols, including out-of-competition testing.

## **V. DEVELOPMENT OF SELECTION PROCEDURES**

These procedures were developed by:

- Kevin Montford, USA Pentathlon Multisport CEO
