

FKOC U18 Biathlon Camp July 14-18, 2025

Come join us for our U18 Biathlon Camp! Camp participants will get to hone their biathlon skills on our full 30 point shooting range under the guidance of our experienced coaches. Campers will also get lots of time on rollerskis in a safe, car-free environment on our 3km rollerski loop. This is a perfect opportunity for cross country skiers to get a strong introduction to biathlon, as well as for experienced biathletes to practice their skills. Prior rollerski experience is required, however, prior shooting experience is not. Training will mostly be rollerskiing, but campers should also bring running sneakers, and are encouraged to bring mountain or gravel bikes to explore the trails during non-rollerski sessions. We will provide a rifle for you if you need one, ammunition is included. Detailed schedule, packing list and event waiver will be emailed to registrants.

Housing: Bunk beds and cots will be provided in the heated lodge and wax rooms, bring your sleeping bag and pillow

Food: We will provide meals from dinner on July 14 to lunch on July 18, and a few group snacks, but encourage campers to bring personal snacks. Please communicate any allergies/dietary restrictions to us.

COST: \$500 Includes housing, food, ammo, rifle and skis if needed and coaching!
