

Florida WSO Minutes

10/15/25 Phone Conference

Attendees

Daniel Camargo, Valentz Nicolas,, Neil Kanterman, Zack Lebo, Coby Rhodes, Christina Richards, Brian Secrest

Agenda

Old Business

1. All 3 potential hosts do not yet have a set venue for the State Championship in the Fall
2. Brian Secrest felt Patrick Costello in Tampa is a good choice, both because of his history in running larger meets, as well as the location being a new location in the state for State Championships
3. Neil Kanterman did like the idea of Tampa being a new location compared to the 2 other locations of bidders which have recently hosted state championships.
4. Danny Camargo has some concerns about participation in Tampa, but feels it could have enough participation for the goals of the WSO. Jeremy Jackson's bid from Orlando would be logistically easiest because of the storage of equipment in Orlando.
5. Zack Lebo feels that finding a venue in Tampa would be easy, although costs would be higher than the other bids.
6. Zack brought up the potential ethical conflict of interest should a chosen host be elected to the WSO board. Camargo will check with USAW.
