Welcome to Omaha!

Our city is honored to welcome the USA Triathlon Multisport National Championships Festival back to Omaha for a second consecutive year. Whether you're a seasoned athlete, a returning challenger, or competing for the first time, this event is a celebration of determination, camaraderie, and the spirit of competition.

This festival also offers athletes and spectators the chance to explore our dynamic city. Omaha is full of surprises and memorable attractions. Be sure to visit Omaha's Henry Doorly Zoo & Aquarium, consistently ranked one of the best zoos in the nation. The zoo features the world's largest indoor desert beneath a massive geodesic dome, just steps away from North America's largest indoor rainforest.

Don't miss The RiverFront, a 72-acre urban park in the heart of downtown. With creative playgrounds, scenic recreation areas, vibrant public art, and the interactive Kiewit Luminarium, it's a hub of activity and innovation. This is just a glimpse of more than \$9 billion in ongoing development transforming Omaha into a premier destination for sports, entertainment, and leisure.

We hope your time in Omaha is filled with unforgettable moments, personal victories, and new connections.

Sincerely,

Jean Stothert
Mayor, City of Omaha
