

MINOR ATHLETE ABUSE PREVENTION POLICIES (MAAPP)

The MAAPP is made up of a series of policies to help prevent opportunities for abuse or misconduct of minor athletes. These policies are:

- One-on-One Interactions
- Meeting and Training Sessions
- Athletic Training Modalities, Massages, and Rubdowns
- Locker Rooms and Changing Areas
- Electronic Communications
- Transportation
- Lodging

NOTE: One-on-One Interaction is the foundation of the MAAPP. All One-on-One Interactions between Adult Participants and Minor Athletes must be observable and interruptible.

In the MAAPP, there are multiple areas where exceptions have been built into the Required Prevention Policies to address common relationships and situations that occur throughout the U.S. Olympic and Paralympic Movement. If an exception applies to a specific policy, it will be listed as a possible exception, along with any additional requirements. MAAPP Exceptions:

- Emergency
- Dual Relationship – the Adult Participant has an existing relationship with the Minor Athlete outside of the sport program
- Close-in-Age – the Adult Participant has no Authority over the Minor Athlete and is not more than four years older than the Minor Athlete
- Personal Care Assistant – The Adult Participant is a Personal Care Assistant and has met all the requirements
