Eligibility: Open to all current USA Judo and ATJA members. The primary focus will be on judoka with little or no prior kata experience needing to prepare for promotion rather than an emphasis on kata competition.

Registration: Registration for this event will be \$10.00, payable at the door.

The Ferrell Gas Propane distributor is across the road just North of the entrance where Skylane begins. The Sooner Judo Club Dojo is a red 40x75 two story metal building at the East end of the industrial park where Skylane ends. It has the address of 117 and "SJC" painted on the building.

MAAPP Policy The Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. The full MAAPP policy can be found at www.usjudo.org.
