 - b) Scratch weight will be required for True Third participants.
- 10) If a scenario arises that is not addressed in these procedures, the Women's Freestyle Sport Committee will reconvene to determine the most objective and fair solution for the athletes via the field of play.

Final X – June 13, 2026 @ TBD

- 11) Weights will be wrestled in their entirety at the selected dates as noted above in a best-of-three series.
- 12) Automatic Berth to the Final X: athletes who medaled in the 2025 Senior World Championships, at the weight being contested, will receive an automatic berth to the Final X. Athletes who receive an automatic berth will face the US Open Champion in a best-of-three series for the 2026 World Team spot.
 - a) An athlete who has qualified to compete in the 2026 World Team Trials through any of the methods outlined above may declare any weight category she chooses to compete in at Trials regardless of the weight category in which she qualified. Should any 2025 Senior World Championship Medalist choose to compete at a different weight in which she medaled, she will NOT earn the automatic berth to Final X in the new weight category she enters.
 - b) To receive an automatic berth in Final X, a 2025 Senior World Medalist must declare, in writing via email to: cbickley@usawrestling.org their intent to accept the automatic berth, as well as the weight they will compete at, by:

6:00 PM (Eastern Time) on Monday, April 13th, 2026

Any 2025 Senior World Championship Medalist, that declares their automatic berth into Final X, is ineligible to compete in the 2026 US Senior Open and 2026 World Team Trials Challenge Tournament.

- 13) Delays or Replacement Due to Injury or Illness
 - a) Only a 2025 Senior World Medalist, who earned an automatic berth into the Final X, may request a medical delay for competing in the Final X Wrestle-Off.
 - i) Wrestle-offs must occur before the departure for the 2026 World Team Acclimation Camp.
 - b) The request for delay must occur at least 48 hours prior to the scheduled weigh-in time. No request for delay will be allowed if requested after this time.
 - c) The request must be submitted in writing to the respective Sport Committee Chair for review, to include a written certification of the injury or illness from a USA Wrestling-approved medical doctor. USA Wrestling's approval of a medical doctor will not be unreasonably withheld.

- d) The request will be granted if a certified medical doctor's note is provided within the appropriate time frame. In the case of a delayed Final Wrestle-Off, the National Coach and athletes involved shall determine the date, time, and place for the Final Wrestle-Off. If consensus cannot be reached, the Women's Freestyle Sport Committee shall make this determination.
- e) If a World Team member at any weight is incapacitated after the World Team Trials and prior to the World Championships, the Sport Committee shall assign the World Team spot to the next-ranked alternate at the weight in question down to the fourth-ranked wrestler from the World Team Trials; provided the next-ranked wrestler is able to make the weight and is substantially completing the requirements of World Team training.
 - i) For the purposes of this provision, the term 'incapacitated' shall mean an athlete has an injury or illness, as certified by USA Wrestling medical staff, which inhibits peak performance at the World Championships.
