

Membership Report USAAS Convention 2023

We would like to thank all our committee members; Claire Barton, Eugenia Gillian, Ginny Jasontek, Caroline Karolinko, Vicky Knudsen, Karen McGann, Megan Robins, Emmanuella Tchakmakjian, and Natalia Vega.

The Membership Committee is currently looking over the Membership Surveys. We are working on finding ways to improve your experience with the organization.

The Membership Committee has also been looking over a membership growth strategy.

The new rules from AQUA are available, and the committee is working hard to make sure that all information is available to members. All updates can be found on the World Aquatics website and the USAAS website.

We would like to thank our VP of Membership and Marketing for allowing us to co-chair this committee of hard-working people.

Respectfully submitted,
Megan Loehndorf
