1. The purpose of the Poomsae Competition Rules is to smoothly and fairly manage all matters pertaining to Poomsae competitions promoted, organized or sanctioned by USA Taekwondo (USATKD), and to ensure the standardization of Taekwondo Poomsae competition in the United States in accordance with the World Taekwondo (WT)—the international federation governing the sport of Taekwondo.

2. A competition that does not follow the fundamental principles of these rules cannot be recognized as USA Taekwondo Poomsae competition.
Article 2. Application

1. These competition rules shall apply to all Poomsae competitions to be promoted and/or organized or sanctioned by the USATKD. If any USATKD association or event promoter wishes to modify any part of the Competition Rules for a particular organization wanting to make a change to some portion of the existing rules must submit the proposed changes to the USATKD, along with the reasons for the change in writing. Approval for any changes in these rules must be received from the USATKD one month prior to the scheduled competition.

2. Changes such as increase or decrease in the number of USATKD Poomsae Referees and Judges in each ring or their seating arrangement, the number of rounds, the number of Poomsae performed in each round, change in the size of the Competition Area, change in the waiting time between the 1st and 2nd Compulsory Poomsae, change in the position of the inspector, recorder and/or commission doctor, etc., may be made after first gaining the written approval of the USATKD. However, such essential matters as scoring must not be changed under any circumstances.
Article 3.  Competition Area

1. The Competition Area

1.1. The Contest Area shall measure at least 10m x 10m (12m x 12m for Freestyle Team Competition) and have a flat surface without any obstructing projections. Only USATKD-approved mats shall be used at USATKD-sanctioned Poomsae Championships and must provide safe and secure footing for the competitors.

1.2. Demarcation of the Contest Area

1.3. The 10m x 10m area (12m x 12m for Freestyle Team Competition) shall be called the Contest Area.

1.4. Under exceptional circumstances, ring size may be modified with approval of USATKD.

2. Indication of Positions (see Figure 1)

2.1. Referee: The Referee shall be positioned beside Judge No. 1.

2.2. Judges: The judges are positioned along Boundary Lines 1 and 3. They are 1m from the boundary line with 1m separation between adjacent judges.

2.3. Contestants: Contestants’ starting position shall be 2m back from the center of the Contest Area, toward boundary line #3.

2.4. Recorder’s desk: It shall be positioned at 3m from the Referee on the right side.

2.5. Competition coordinator(s): Competition coordinator(s) shall be positioned outside the Contest Area, 1m away from the corner between boundary lines #1 and #2.

2.6. Standby contestants and coaches: Standby contestants and coaches shall be positioned outside the Contest Area; if possible, 3m away from the corner between boundary lines #3 and #4.

2.7. Inspection desk: An Inspection Desk shall be positioned at the entrance of the Contest Area outside the corner of boundary lines #3 and #4.

3. Judging Formats

3.1. Five Judge Format: The five judges (including the Referee) shall sit 1m away from the Competition Area with 1m separation between adjacent judges. Three judges (including the Referee) shall face the front of the contestants and two shall face the back. The boundary line adjacent to the three front judges shall be deemed boundary line #1, followed by, clockwise, boundary lines #2, #3, and #4. Judges are positioned and numbered clockwise from the left facing boundary line #1.

3.2. Three Judge Format: In the case of a three-judge format, three judges (including the Referee) shall be positioned facing the contestants in the same order as the five-judge format.
3.3. Judge Format Notes:

3.3.1. The position of the Referee and Judges in the Five and Three Judge systems may be modified to all judges facing the contestants or other appropriate arrangement to accommodate scoring systems, venue or other limitations and constraints that may impact the competition.

3.4. Judging System Notes:

3.4.1. USATKD Grand Slams, National Championships (for World Class divisions) and qualifying tournaments should use the five-judge format.

3.4.2. At USATKD qualifying tournaments and for non-World Class divisions (color belts and black belts under 12 years old) in other USATKD sanctioned events, the three-judge format may be used with the approval of USATKD if the number of USATKD Poomsae-qualified Referees is insufficient to implement the five-judge format.

3.4.3. At USATKD sanctioned events that are not qualifying tournaments, the three-judge format may be used for non-World Class divisions (color belts and black belts under 12 years old) with the approval of USATKD, if the number of WT International Poomsae Referees and USATKD Poomsae-qualified Referees is insufficient.

4. The age limit for each division is based on the year—not on the date—when the Championships are held. For example, in the Junior division, contestants shall be between 15 and 17 years old; therefore, if the Junior Poomsae Championships are held on 29 July 2020, contestants born between 1 January 2003 and 31 December, 2005 are eligible to participate.
Article 7. Methods of Competition

1. The methods of competition are:

1.1. Single elimination tournament format

   1.1.1. In the single elimination tournament, a competitor is eliminated from competition after one loss.

   1.1.2. Competitors are matched with opponents randomly or by seeding.

   1.1.3. The order of competition is randomly assigned.

   1.1.4. Each pair of competitors (Chung and Hong) enters the Competition Area together, but perform individually, with Chung (blue) performing first, followed by Hong (red), each competitor standing on their assigned positions when not performing.

   1.1.5. The Referee declares the winner based on the score and both competitors leave the Competition Area together.

   1.1.6. Competitors perform one or two forms in each round randomly selected from the Compulsory Poomsae by the Tournament Committee and observed by the Referee Chair(s) or designee prior to the competition.

1.2. Cut-off tournament format

   1.2.1. The cut-off tournament is a competition format that has a maximum of three rounds, a preliminary, semi-final and final round. If the division has 20 or more competitors, the competition shall start from the preliminary round.

   1.2.2. The division may be split into groups, with each group judged by different judges in the preliminary round.

   1.2.3. The order of the competitors in the preliminary round and semi-final round is randomly determined. The order of the competitors in the final round will be based on the score in the semi-final round, with the contestant with the lowest score first and the contestant with the highest score performing last.

   1.2.4. In the preliminary round, each contestant performs one or two assigned forms randomly selected from the Compulsory Poomsae by the Tournament Committee and observed by the Referee Chair(s) or designee, prior to the competition. All competitors perform the same form(s). Scores are totaled for each contestant. Those with scores in the top 50% advance to the semi-final round.
1.2.5. When there are more than 20 contestants, the preliminary round may be divided into two flights competing on two different courts with different judges. When there are more than 40 contestants, the preliminary round may be divided into three flights competing on three different with different judges. When there are more than 60 contestants, the preliminary round may be divided into four flights competing on four different courts with different judges. 50% of the contestants from each flight shall advance to the semi-final round.

1.2.6. If the number of contestants in the division or groups is odd, then the number of contestants advancing to the next round will be rounded up. For example, if there are 23 contestants in the group, then the 23-contestant number is rounded up to 24, and the 12 contestants with the highest scores shall advance to semi-final round. If there are 9 to 19 contestants, the competition shall start from the semi-final round.

1.2.7. In the semi-final round, each contestant will perform two forms (one form may be performed) randomly selected from the Compulsory Poomsae (with the form(s) from the preliminary round excluded), and the 8 contestants with the highest scores advance to the final round.

1.2.8. When 8 or fewer contestants are participating, the competition shall start from the final round.

1.2.9. In the final round the contestants perform the two randomly selected forms from the Compulsory Poomsae that were not performed in the previous round. In the case where there are 8 or fewer contestants the final round is also the first round, and two Compulsory Poomsae randomly selected forms shall be performed.

1.2.10. The top four contestants / pairs / teams shall be awarded prizes based on their points.

1.2.11. 3rd and 4th places are awarded bronze medals.

1.3. Combination System: Cut off system + Elimination tournament system

1.3.1. The Combination System uses the Cut off system for the preliminary and semi-final rounds and single elimination for the final round. Two poomsae should always be performed in the final round for all World Class divisions.

1.3.2. Method of Competition Notes:

1.3.2.1. The number of Poomsae performed in the preliminary and semi-final rounds may be modified after first gaining the written approval of the USATKD.

1.4. Modified Cut-Off Format for Color Belt Divisions

1.4.1. For Grassroots and recreational divisions at USATKD State Championships, Regional Qualifiers, Nationals and Junior Olympic Championships, cut-off format or modified cut-off format at the discretion of tournament organizers.
1.4.2. The modified cut-off tournament is a competition format that has a maximum of two rounds, a semi-final and final round.

1.4.3. The order of the competitors in the semi-final round is randomly determined. The order of the competitors in the final round will be based on the score in the semi-final round, with the contestant with the lowest score first and the contestant with the highest score performing last.

1.4.4. In the semi-final round, each contestant will perform one form randomly selected from the Compulsory Poomsae, and the 8 contestants with the highest scores advance to the final round.

1.4.5. When 8 or fewer contestants are participating, the competition shall start from the final round.

1.4.6. In the final round the contestants perform one randomly selected form from the Compulsory Poomsae that were not performed in the previous round.

1.4.7. The top four contestants / pairs / teams shall be awarded prizes based on their points.

1.4.8. 3rd and 4th places are awarded bronze medals.

Notes: Shaded cells are official WT divisions competed at USATKD-sanctioned events. Unshaded cells are USATKD divisions competed in USATKD-sanctioned events.
**Article 9. Freestyle Poomsae**

1. Freestyle performance is based on Taekwondo techniques, with the addition of music and choreography.

2. Composition of freestyle Poomsae:
   
   2.1. “Yeon-mu” line (i.e., the progress line of the Poomsae) shall be the choice of the contestant.

   2.2. Music and choreography shall be the choice of the contestant.

   2.3. Music shall not contain lyrics or spoken words in any language.

   2.4. The performed techniques must be within the boundaries of Taekwondo. The USATKD Poomsae Referee Team will determine the validity of the performed Taekwondo techniques when the contestant submits a Freestyle Poomsae Performance Plan.

**Article 10. Duration of Contest**

1. Duration of Contest by Division:

   1.1. Recognized Poomsae: Individual, Pair and Team competitions up to 90 seconds.

   1.2. Freestyle Poomsae: Individual, Pair and Mixed Team competitions from 90 to 100 seconds.

       1.2.1. The waiting time between 1st and 2nd Poomsae is a minimum of 30 seconds.

**Article 11. Order of Competition**

1. The order of competition shall be random in the preliminary and semi-final rounds and will be accomplished by drawing of lots or by other random process; some electronic scoring systems can randomly order the competitors in the ring. The order of competition in the final round will be based on the score in the semi-final round, with the contestant with the lowest score first and the contestant with the highest score performing last.

2. When seeding competitors into a bracket (1-8), do this according to their standings in the semi-final round in a combination format.
Article 12. Prohibited Acts / Penalties

1. The Referee shall declare penalties for any prohibited acts.

2. Penalties are defined as “Kyeong-go” (deduction of points by penalties).

3. “Kyeong-go” shall be declared on the following prohibited acts:

   3.1. Uttering undesirable remarks or any misconduct on the part of a contestant or a coach. This includes any act that intentionally interferes with another competitor, coach or official.

   3.2. According to the judgment of the referee, a coach, an amateur contestant or Taekwondo practitioner is not behaving with proper manner and respect the code of conduct.

   3.3. Athletes or coaches interrupting and standing in the way of the competition coordinators while they are conducting the competition.

4. Should a contestant be assessed two (2) deductions, the referee shall declare the contestant a loser on penalties. “Kyeong-go,” as defined in this Article, refers to deduction of points due to behavior that disrespects the spirit of sport, rather than due to judges’ scoring in terms of accuracy and presentation.

5. When a coach or contestant commits excessive misconduct and does not follow the referee’s command, the referee may declare a sanction request by raising a yellow card. In this case the Competition Supervisory Board shall investigate the coach’s behavior and determine whether a sanction is appropriate.
Article 13. Procedures of the Contest

1. Call for contestants.
   1.1. Thirty minutes prior to the scheduled start of the contest, the names of the contestants shall be announced three times in the contestants’ training area. Any contestant who fails to appear in the Competition Area after the “Chool-jeon” command of the competition coordinator shall be regarded as having withdrawn from and forfeited the match.

2. Standby.
   2.1. Each contestant, accompanied by only one coach, shall wait at the contestants’ waiting area for the physical and uniform inspection.

3. Physical inspection and uniform inspection.
   3.1. After being called, the contestants shall undergo a physical inspection and a uniform inspection at the specified inspection desk by an inspector designated by the USATKD. The contestant shall not show any signs of aversion and shall not bear any object that may cause harm to the other contestant.

4. Entering the Competition Area.
   4.1. Following the inspection, the contestant(s) shall enter the contestant standby waiting area with one coach. Upon the Competition Coordinator’s command of “Chool-jeon” (enter) the contestant(s) shall enter the Contest Area. When issuing the command “Chool-jeon” the Competition Coordinator motions with his/her right hand directing the contestant(s) into the Contest Area to the contestant’s designated spot. The coach remains in the designated contestant standby area.

5. Elimination and Round Robin Tournaments

Article 16. Methods of Scoring

1. Recognized Poomsae

1.1. Total score is 10 Points

1.2. Accuracy

1.2.1. Basic score is 4.0

1.2.2. Minor mistake, 0.1 point shall be deducted each time a contestant makes small errors; does not perform the basic movements accurately. Deduction of 0.1 point per small mistake in accurate performance point shall be deducted each time a stance (Apgubi, Dwitgubi, Beomseogi and all the other standing movements and positions), hand or foot technique (Makki, Jireugi, Chigi and all the other hand and foot movements) is not performed as explained in the attached Poomsae Competition Guidelines.

1.2.3. Major mistake in accuracy points shall be deducted a 0.3 deduction when incorrect actions or techniques are performed or correct techniques or actions are omitted; i.e., serious deviations from the Poomsae as described in the Taekwondo Textbook.

1.2.4. Examples:

1.2.4.1. Eolgul Makki is performed instead of Arae Makki

1.2.4.2. Dwitgubi is performed instead of Juchum Seogi

1.2.4.3. Kihap (yell) or stomp is not made or made in the wrong place

1.2.4.4. Brief stops during movements (forgetting the next movement for three seconds or longer)

1.2.4.5. Looking in the wrong direction (eyes should be focused in the direction of movement but should not anticipate the next direction of movement)

1.2.4.6. When the raised foot touches the ground when performing Hakdari-Soegi

1.2.4.7. Starting and ending position varies by more than one-foot allowance (Exceptions: Keumgang, Jitae)

1.2.4.8. Jittzikgi (stomping) movement without enough power and sound

1.2.4.9. When the contestant makes loud breathing (e.g., hissing) noises

1.2.4.10. 0.6 point shall be deducted from each judges’ score, when the contestant restarts Poomsae regardless of the number of movements performed and deductions received in the previous attempt.
1.3. Presentation

1.3.1. Basic total score (6.0 Points)

1.3.2. Deduction of points in presentation shall be made for the overall performance of the Poomsae, not for every small or serious mistake during the performance:

1.3.2.1. 2.0 points for speed and power

1.3.2.2. 2.0 points for control of rhythm & tempo

1.3.2.3. 2.0 points for expression of energy

1.3.3. Speed and Power (2.0 Points)

1.3.3.1. Ability to perform Poomsae shall be evaluated on whether the movements are performed in accordance with the characteristics of the pertinent movement; for example, attacking techniques such as Jireugi or Chagi, are best performed with a soft start, accelerating with a balance between speed and power, using the body weight to achieve a maximum effect; or, special movements are performed slowly, and intentionally, with power and balance.

1.3.3.2. Example: Deduction shall be made if too much strength is revealed in the beginning of the movements, as this slows down the movement and reduces the power and effectiveness of the movement.

1.3.3.3. Example: Deduction shall be made if the contestant exaggerates a movement beyond the culmination of that movement to show power in the next movement or exaggerates the reaction of the body to express power.

1.3.4. Rhythm & Tempo (2.0 Points)

1.3.4.1. Control of power means the greatest power is shown at the most critical moment of the movement, usually the culmination, through speed and softness.

1.3.4.2. Control of speed means an appropriate connection between actions and changes in speed, such that powerful moves accelerate.

1.3.4.3. Rhythm means repeated actions are performed with timing that results in the technique being most effective to accomplish the intended result, and flow of power with the greatest expression of power occurring at the instant of the strike, block or kick.

1.3.4.4. Example: Too much power makes the movement look stiff and robotic from the start; deductions shall be made if the speed, power and rhythm are presented with no changes from the start to the end of the lines of movements.
1.3.4.5. Example: Deductions shall be made in case of stiff or limp actions coming from a stiff body or a too soft presentation without expression of power. A strong start makes it difficult to accelerate, and slows down the action at the critical point of the movements.

1.3.5. Expression of Energy (2.0 Points)

1.3.5.1. This category addresses the presentation of confidence and power that come from mastering the expression of energy. The range of movement of techniques, concentration, courage, sharpness, confidence, and posture effect how energy is expressed according to the characteristic actions of the Poomsae. Such characteristics as the direction of sight and focus of the eyes, strength of the kihap (yelling), attitude and uniform all contribute to the overall expression of energy.

1.3.5.2. Example: Deductions shall be made if actions are not crisp and powerful, or connecting actions are not big enough for the performer’s physique, or the performance is made in the same rhythm throughout without slowing and accelerating to emphasize techniques.

1.4. Deduction of Points

1.4.1. Points shall be deducted from the final score in case the performance is finished later than the set contest time.

1.4.2. Points shall be deducted from the final score if the contestant crosses the boundary line with two feet during performance.

1.5. Score Calculation

1.5.1. Accuracy shall be scored separately from presentation.

1.5.2. Final score shall be the average of the judges’ scores for accuracy (the highest and lowest judge scores dropped before calculating the average) and the average of the judge’s scores for presentation (the highest and lowest judge scores dropped before calculating the average). If using the three-judge format, the highest and lowest score will not be dropped.

1.5.3. The publication of the score shall show the score for Accuracy, the score for Presentation and the Total Score.

1.5.4. All penalties accumulated during the competition shall be deducted from the final score.

2. Freestyle Poomsae

2.1. Technical Skill

2.1.1. Level of difficulty of foot techniques: Points may be awarded from 0.0 up to 5.0 in total in five evaluation areas:
2.1.1.1. Jumping side kick: Points shall be awarded based on the performance level of jumping side kick and the height of jump.

2.1.1.2. Multiple kicks in a jump: Points shall be awarded based on the performance level of multiple kicks and the number of kicks in a jump.

2.1.1.3. Gradient of turn in a spin kick: Points may be awarded based on the number or degrees of turn (i.e., more than 180 degrees, more than 360 degrees, more than 540 degrees and more than 720 degrees) in spin kicks.

2.1.1.4. Consecutive kicks: Points shall be awarded based on the mastery and performance level of Kyorugi style consecutive kicks in a row, and the number of consecutive kicks shall be limited from three to five.

2.1.1.5. Acrobatic kicking technique: Points shall be awarded based on the mastery and performance level of acrobatic kicking technique.

2.1.1.6. Basic movements & practicability of movements: Points may be added from 0 up to 1.0 for accuracy in basic movements of Taekwondo and designated technical movements of Taekwondo. Whether the movements appear to be practicable, whether there is an appropriate connection between attacks and defenses, and whether the movements are in perfect harmony shall be the criteria for evaluating general performances of the free-style Poomsae.

2.2. Presentation

2.2.1. Points may be awarded from 0 up to 4.0 based on the general performance of the free-style Poomsae.

2.2.2. Creativity: Points may be awarded based on the creativity of the actions and components of the Poomsae.

2.2.3. Harmony: Points may be awarded based on the harmony and balance between different components of the Poomsae (music, choreography, and attire for example). Harmony, balance, or synchronicity between or among the performers (unity, for example) shall be also evaluated in the case of team and pairs contests.

2.2.4. Expression of energy: Points may be awarded for accurate expression of energy in the Poomsae, as described in Recognized Poomsae, above.

2.2.5. Music and choreography: Points may be awarded based on how the music and the choreography contribute to the performance of the Poomsae.
2.3. Deduction of Points

2.3.1. 0.3 points shall be deducted from the final score in case the performance is finished earlier or later than the set contest time.

2.3.2. 0.3 points shall be deducted from the final score if the contestant crosses the boundary line with two feet during performance.

2.4. Score calculation

2.4.1. Technical skills shall be scored separately from presentation.

2.4.2. Final score shall be the average of the judges’ scores for technical skills (the highest and lowest judge scores dropped before calculating the average) and the average of the judges’ scores for presentation (the highest and lowest judge scores dropped before calculating the average). The publication of the score shall show the score for Technical Skills, the score for Presentation and the Total Score. In the case of the Three Judge Format the highest and lowest score will not be dropped.

2.4.3. All penalties accumulated during the competition shall be deducted from the final score.
Article 17. Publication of Scores

1. The final score shall be announced immediately following the competition.

2. In case of using electronic scoring instruments
   
   2.1. Judges shall input points in the electronic scoring instruments (Accuracy in real time during the performance and Presentation after the performance of the Poomsae), and total points shall be automatically displayed on the monitors.

   2.2. The final score and the individual judges’ scores shall be displayed on the monitor following the automatic deletion of the highest and lowest scores among the judges.

3. In case of manual (paper score sheet) scoring
   
   3.1. The coordinator shall collect each scoring sheet and convey the results to the recorder immediately after completion of the Poomsae.

   3.2. The recorder shall report the final score to the Referee, following the deletion of the highest and lowest scores, and announce the final score or have the final score displayed. In the case of the three-judge format the highest and lowest score will not be dropped.
Article 18. Decision and Declaration of Winner

1. The winner shall be the contestant who is awarded the highest total points.

1.1. In case of a tied score, the winner shall be the contestant with the higher score in presentation (for Recognized Poomsae) or in technical skills (for Freestyle Poomsae) or Free Style Poomsae points (for Mixed Poomsae Competition). In case the scores are still tied, then the contestant with the higher total points (including all judge’s scores, the highest and lowest not dropped) shall be the winner. In case the scores are still tied after the highest and lowest scores are added back, a rematch shall be conducted to determine the winner. The Tournament Committee will designate the Poomsae to be performed.

1.2. The rematch will consist of performing one compulsory Poomsae designated by the Referee. The previous scores will not affect the scores of the rematch.

1.3. In case of a tied score after the rematch, the winner shall be the contestant who is awarded more points in total, including the highest and lowest scores that were dropped. In case of a tie, the rematch will be repeated until there is a winner.

1.4. Decisions

1.4.1. Win by score. The winner is the contestant with the highest total points.

1.4.2. Win by Referee Stop the Contest (RSC). In the event that the referee or commission doctor determines that a contestant is unable to continue, even after a minute of recovery period, or if a contestant disregards the referee’s command to continue, the referee shall declare the contest stopped and the opposing contestant shall be declared the winner.

1.4.3. Win by withdrawal of opponent. The winner is determined by the withdrawal of the opponent: a. When a contestant withdraws from the match due to injury or other reasons, or b. When a coach throws a towel into the court to signify forfeiture of the match.

1.4.4. Win by disqualification. Should a contestant lose his or her contestant status before the competition begins, the opposing contestant shall be declared the winner.

1.4.5. Win by opponent’s penalties. In the event that a contestant accumulates two “Gam-jeom” (deduction of points by penalties), as prescribed in Article 12.3, the opponent shall be declared the winner.
Article 19.  Procedures for Suspending the Contest

1. When a contest is to be stopped during the competition, the referee shall:

1.1. At the time of suspending the match, the referee shall order the recorders to suspend timekeeping. At that time, the Competition Coordinator is to determine the reason(s) for the stoppage of the competition.

1.2. In the case in which a contest is stopped due to problems related to a contestant, and should a contestant not demonstrate the will to continue the contest within 90 seconds for Recognized Poomsae or 100 seconds for Freestyle Poomsae, the referee shall declare the opposing contestant as the winner. In the case where the stoppage of a contest is not related to the contestants, the problem shall be resolved quickly and another chance to perform shall be given to pertinent contestants.

1.3. All the other problems that may arise shall be resolved through the meeting of the judges of the pertinent competition, Poomsae Committee Chairperson, and the Competition Supervisory Board members.
