

Pre-Qualification Standard for World Cups 1-3 2024/25 Season

Approved by ICC, NOV '23

Pending BOD Approval

Document Last Updated: 11/24/23

- 1 x Top-20 result at any 2023/24 Season World Cups (WC) or World Championships (WCH) in a non-team discipline.
- No more than 50% of the WC start quota can be pre-qualified.
- If more than 50% meet the Top-20 standard, the team will be filled to the maximum allowable percentage of start spots by rank order of single-best result in a non-team discipline. If athletes have the same single best result, the tie will be broken by their second-best result. This tie-break process will continue until the tie is broken (third-best, fourth-best, etc.).
