**ELEVATE28 WILL SHAPE THE NEXT ERA OF TRIATHLON IN THE UNITED STATES**

With the Summer Games returning to U.S. soil for the first time in 30 years, and with triathlon set to open the Olympic program as the first event and medal ceremony, we are on the precipice of a critical transformation of our sport.

## ★ **FUELING OLYMPIC & PARALYMPIC DREAMS \$12M**

Your support funds the resources needed to recruit, train, and win at the highest level - covering costs for world-class coaching, college scholarships, international competition, essential equipment and technology, and advanced sport science. These investments strengthen talent identification, training camps, and daily training environments, building a pipeline that prepares athletes to succeed on the world's biggest stages.

## ★ **EXPANDING YOUTH PARTICIPATION \$8M**

Donations grow youth triathlon nationwide through programs like USA Kids Tri, the Youth State Series, and Splash & Dash races. These investments expand access by covering youth memberships and supporting partnerships with organizations that facilitate introductory community events, youth programs, and school-based triathlon clinics.

## ★ **ADVANCING BELONGING & ACCESS OPPORTUNITIES \$4M**

Your generosity expands access to triathlon by breaking down financial, physical, and cultural barriers that prevent athletes from getting started or staying involved. From supporting beginner triathletes with race entries and essential equipment to investing in adaptive athletes and community-based programs, these grants create real opportunity.

## ★ **RESPONDING RAPIDLY TO EMERGING NEEDS \$4M**

Philanthropy empowers USA Triathlon to act with agility - whether expanding programs for development athletes beyond the NCAA pathway, enhancing daily training environments through investment in assistant coaches, or scaling high-impact initiatives and programs that drive meaningful progress across the sport.

“

ELEVATE28 IS MORE THAN A FUNDRAISING EFFORT; IT IS A MOVEMENT TO ELEVATE THE ENTIRE TRIATHLON COMMUNITY BY PREPARING OUR ATHLETES FOR SUCCESS AT THE LA28 OLYMPIC AND PARALYMPIC GAMES AND BEYOND, INSPIRING FUTURE GENERATIONS, AND ENSURING TRIATHLON BECOMES ONE OF THE MOST ACCESSIBLE, INCLUSIVE, AND THRIVING SPORTS IN THE UNITED STATES.
