The IJF-Junior Category is the same as the International Judo Federation Junior World Championships Category. Athletes may enter if they are born in 2006 through 2011 only.

Athletes who are competing on Saturday AND Sunday may weigh-in once on Friday. If an athlete is competing only in a Sunday division, they must weigh-in on Saturday. No exceptions.

The tournament staff reserves the right to make changes in the highest and lowest weight classes in all age divisions as necessary for safety purposes. When such adjustments are made, only the highest weight sub-category will be pointable.

Weigh In

A calibrated practice scale will be available prior to, and during, the weigh-in periods. However, in no case will contestants be allowed on the Official Scale during Official Weigh-in for the purpose of checking weight.

Athletes may check weight as many times as desired prior to the official weigh-in on the official scale. An athlete is given only one chance on the official scale during official weigh-in. Open division contestants do not need to weigh in. **At weigh in, IJF and Cadet categories must present a government issued photo ID.** Photo ID not required for all other categories.

Naked weigh in is not allowed for any age/weight category. To compensate, 0.1kg will be allowed. For example, in the 44kg category the limit will be 44.1kg. This is a clothing allowance only and the 0.1kg will only be added to the true weight.

Athletes who neglected to change their weight during the check in process and missed weight during official weigh in, may enter an additional category by registering (and paying) for the new category as a walk-up registration.

IMPORTANT: All athletes must make their declared weight as registered unless a change is made during the check in/registration process prior to getting on the official scale. Athletes may change their weight category during check in/registration. Failure to make declared weight will result in the athlete not competing in that category. Athlete will not be automatically moved to next weight category. Once official weight is recorded, no changes to weight category will be accepted.

NO CHANGES WILL BE ACCEPTED AT WEIGH IN.

Check In

Check in only if you have a change to your weight/category, or if adding additional categories/divisions (max 2). If there are no changes to be made, please proceed directly to weigh-in. **No changes will be accepted or made at weigh-in.**

Exhibition Matches

Exhibition matches may be offered for those athletes who are uncontested in their true age/weight category. Only those athletes who are uncontested may request an exhibition match. All efforts will be made to find one or two athletes within appropriate age/weight willing to participate. No points or medals will be awarded for exhibition matches. Request for exhibition matches must be made to the event director no later than 10 a.m. on the day that their uncontested category was scheduled. Blue and white gis still will be required.

Club Affiliation

Only current USA Judo clubs in good standing, at the time of registration, will be associated with the athlete's entry. Non-USA Judo clubs will not be affiliated with a registered athlete. Club affiliation is not required to compete in this tournament.

Credentials

Athletes will be issued their credentials during the weigh-in process.

A preliminary list of athletes by category/weight will be available at <https://usajudo.smoothcomp.com>.

Confirmation of Categories / Draw

Athletes/coaches/representatives for the athlete are required to check the list to ensure the athlete is in the correct category/weight.

- Any corrections should be reported immediately to staff no later than 7 p.m. CT on Friday, March 13.
- All corrections must be emailed to Eric.Tschudy@usajudo.us or submitted in person onsite. **PHONE CALLS OR TEXTS WILL NOT BE ACCEPTED.**
- Corrections will be processed, then brackets will be adjusted relative to seeding (categories where applicable), open spots, state/club/last name separation where possible. Draw brackets and fight sheets will be posted at <https://usajudo.smoothcomp.com>.
- **IMPORTANT:** This period is for corrections / confirmations of changes made during the check-in/registration time period. **NO OTHER CHANGES WILL BE ACCEPTED.**

A representative for each athlete must review the posted preliminary list to ensure the athlete is in the correct category. Failure to confirm or make corrections during the Confirmation of Categories period may result in the athlete **NOT COMPETING IN THIS TOURNAMENT**. All draws will be conducted using USA Judo approved software. See Rules and Method of Competition for all seeding information. With the exception of seeding, the draw will be random. Once the draw is complete, there will be no changes.

Manager Credentials

Club team manager credentials/wristbands will be considered for USA Judo certified clubs with 8 or more athletes competing on the same day. These credentials are for purposes of assisting athletes to their mats with the correct gi color on only. Coaching, taking photos, etc., will not be allowed. If there are no athletes on deck or in the hole, the club manager should not be inside the competition barricade. These club managers must hold current SafeSport certification and have an up-to-date background screen through USA Judo. The number of club manager credentials/wristbands will be based on the number of athletes a club has competing and issued at the discretion of USA Judo. These may be picked up at the Coach Credentialing table.

Manager Credentials Application

USA Judo holds the right to deny a credential if the listed requirements are not met.

Rules and Method of Competition

The Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation, as revised for the USA Judo Youth National Championships.

Competition Method: The standard (“true”) Double Elimination System with winner’s and loser’s brackets will be used. The winner of the loser’s bracket will compete against the winner of the winner’s bracket for 1st and 2nd place. The first one of these two contestants to have two (2) losses will be placed second; the other will be placed first. The loser of the loser’s bracket will be placed 3rd. For categories of three and under contestants, round robin will be the method of competition.

Round Robin Clarification:

- If Athlete A pulls out before finishing competition against other athletes in the category and does not go out onto the mat, all points won or lost associated with Athlete A are removed. No medal is awarded to Athlete A
- If Athlete A cannot finish competing but goes out onto the mat (field of play), then Athlete B wins and is awarded ippon points. Athlete A receives 0 points.
- If Athlete A, who did not finish competing but went out onto the mat, they are eligible to medal.

Seeding: There will be no seeding except for the Regular IJF-Junior and Cadet categories. The top four athletes will be seeded in each division. If a seeded athlete is not present, the other athletes WILL move up in seeding. Players having the same state affiliation will be placed as far apart in the bracket as possible.

Points: Juniors winning medals in the regular IJF-Junior, Juvenile, Cadet, Intermediate, and all Bantam divisions will be awarded points as outlined in the USA Judo Junior Event Point Matrix found at <https://www.usajudo.com>.

All athletes must compete in their true age/weight category.

Shime-waza rule: Allowed in regular Juvenile, Cadet, and IJF-Junior categories only.

Kansetsu-waza rule: Allowed in regular Cadet, and regular IJF-Junior only.

It is standard procedure in the United States that contestants competing in Junior divisions, up to and including 12 years of age, are not allowed to use Shime-waza (chokes) or Kansetsu-waza (arm locks). **If a participant whose true weight and age is in the Intermediate (U13) category and decides to move up to the Juvenile (U15) category, his/her parent or guardian acknowledges that chokes are allowed at the Juvenile (U15) level.**

Injury Rule: Decisions regarding on-mat injuries are to be resolved in accordance with IJF rules; such decisions occurring off the mat or not covered by the IJF rules, are to be made by the coach, the athlete, and appropriate medical staff. If there is not a unanimous opinion among these three individuals, the athlete may not continue (Board-approved October 22, 1998)

Match lengths:

- Bantam (3 minutes / 2-minute golden score)
- Intermediate and Juvenile (3 minutes / no golden score limit)
- Cadet and IJF-Junior (4 minutes / no golden score limit)

Multiple category entries

For athletes who elect to compete in multiple categories, efforts will be made to separate the competition times, but this cannot be guaranteed. If the athletes' categories are competing at the same time, the coach/athlete must inform the supervisor at both mats for EACH match that they will be competing in multiple categories at the same time. A mat will not be able to hold matches for more than three (3) matches to accommodate the athletes' multiple categories. The athlete must move from one category (on mat) to their waiting category with no rest time. If the athlete is not able to arrive to the 'waiting' match within three (3) matches, a decision must be made by the competitor/coach as to the match in which they compete, thereby forfeiting one of the two matches. If a competitor has matches immediately after one another, they must move to the waiting mat and begin competition immediately with no 10-minute rest.

Judo Gi / Undergarments / Changing

For all categories, regardless of age, blue and white gi requirement is mandatory. IJF approved labeled gis are not required but fit must meet IJF standards. Back patches are not required.

Appropriate undergarments must be worn by all athletes. Female athletes shall wear under the jacket either, a plain white or off-white T-shirt, with short sleeves, long enough to be worn inside the trousers, or a plain white or off-white leotard with short sleeves. The white T-shirt should be round-necked. No marking can be visible when the judogi is done up.

Athletes needing to change clothes/judo gi should do so in a restroom, locker room or other area specifically designated for changing.

Awards

Individual Awards:

Gold, silver and bronze (one bronze) medals will be awarded for first, second and third places for all divisions

Athletes must wear either a clean full white judo gi or full team sweats on the awards podium. No additional items may be taken/worn on the podium (flags, hats, pictures, flowers, stuffed animals, etc.).

Shoes will not be allowed on the awards stage/podium.

Minor Athlete Abuse Prevention Policies (MAAPP)

The U.S. Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. The full MAAPP policy and the reporting mechanism for SafeSport infractions can be found at <https://www.usajudo.com/safe-sport>.

USA Judo defines "regular contact with minors" as: "Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s). In the spirit of the moral code of judo, USA Judo requires adult members to self-certify whether or not they considered having "regular contact" with minors based on the aforementioned description. If an adult

member is unsure whether or not they have “regular contact” with minors, USA Judo encourages those individuals (and their clubs) to err on the side of caution and complete the SafeSport Training and Certification. USA Judo, in cooperation with USA Judo Clubs and all LAOs, has the right to randomly review and assess members who may have regular contact with minors and require compliance if/when considered necessary by USA Judo Leadership.

The USA Judo SafeSport Handbook can be found at <https://www.usajudo.com/safe-sport>.
