

2026 Senior Women's Epee Pan American and World Championships

Previous selection criteria announcements are posted [HERE](#).

SELECTION DATE: At the conclusion of the 2026 Division I National Championship or upon completion of the eighth Designated 2025-2026 Senior Women's Epee World Cup or Grand Prix, whichever event is last.

SELECTION:

- The top four athletes on the National Senior Team Point Standings will be selected as members of the Team and will be eligible to compete in the individual and team competitions.*

SUM OF GROUP I AND GROUP II

GROUP I = SUM OF THE TWO HIGHEST POINTS EARNED AT 1-3

1. NAC Division I: 10/1/2025 to selection date
2. 2026 Division I National Championship
3. Competitions specified in Group II below not included in Group I sum

GROUP II = SUM OF THE FOUR HIGHEST POINTS EARNED AT 4-5

4. Designated Senior World Cup and Grand Prix competitions: 10/1/2025 to selection date (*to clarify, the first international event is the 2025 November Fujairah WC*)
 - MAXIMUM of FOUR 33-64 results count in Group II
5. 2025 World Championships (Top 16 result, Weight Value = 2.0)

Notes

- All Designated Events will be selected using ROLLING points.
- If a Designated international event is canceled, rescheduled or if the location changes, the National Coach, Athlete Council weapon representative and Chief of Sport Performance will assess the circumstances regarding the event and make appropriate changes with reasonable notice to athletes. In addition, adjustments to the selection criteria, including strength factors, may be made after the designated international calendar is available.
- Should the weekend of the Division I National Championships conflict with a designated Senior World Cup or Grand Prix tournament, or the Junior & Cadet World Championships the Division I National Championships will have a minimum strength factor of .8 and a maximum of 1.1.
- The 2025 Division I July Challenge will count for rolling points only.
- Points awarded for 33-64 placements at Senior, Junior and Cadet domestic competitions will be considered for rolling points only.
- For any international designated event that does not meet the FIE criteria (see [FIE Organization rule o.4](#)) points will be calculated according to the strength factor formula and be considered in Group I, unless otherwise specified in selection criteria.

* No later than 10 business days after the selection date the National Coach may propose an alternate fencer solely for the team competition. Should an illness or injury to one or more of the selected athletes occur after 10 business days following the selection date, this procedure can be initiated at any time thereafter.

The replacement fencer will become a member of the team for the team competition in place of one of the four fencers selected for the individual events. The replacement fencer is not eligible for the individual competitions (unless one of the four fencers becomes ill or injured and the replacement fencer named to the team is also the first alternate for the individual competitions).

The National Coach must clearly demonstrate the ability of the proposed team replacement to perform at a high level, specifically in international senior team events. Evidence may include bout sheets from previous senior-level international competitions. Junior and Cadet results will not be considered for these purposes. Team event performance will be given more weight than individual senior results.

The proposed team replacement must:

- Be ranked in the top 8 of the National Senior Team Point Standings as of the selection date, **OR**
- Have previously competed in the Olympic Games in a team or individual event, **OR**
- Have previously competed in the Senior World Championships in a team event.

The team replacement will be recommended by the National Coach and approved only with a majority vote of the panel composed of the following:

1. National Coach for the opposite gender in the same weapon (if conflicted[^], a National Coach from another weapon will serve)
2. USA Fencing Chief of Sport Performance
3. A non-conflicted[^] retired Olympian from the same weapon
4. Chair of the USA Fencing Athlete Council. If the Chair is currently competing in the weapon and gender of the proposed replacement, a non-conflicted[^] member of the Athlete Council will replace them. The member will be chosen by a majority vote of the Athlete Council. An ex-officio member shall be eligible to serve.
5. A non-conflicted[^] USA Fencing representative to the USOPC Athletes' Advisory Council. If this is not possible, a second member of the USA Fencing Athlete Council will be selected as described in number 4 above.

[^]Conflicted refers to an individual who is from the same club or university or who has any perceived conflict to the fencer in question. The USA Fencing CEO will make the final judgment on whether or not an individual is conflicted.

In the case of approval of the team replacement, no further replacements shall be made for the team event, except in the case of injury or illness.

- If a Designated international event is canceled, rescheduled or if the location changes, the National Coach, Athlete Council weapon representative and Chief of Sport Performance will assess the circumstances regarding the event and make appropriate changes with reasonable notice to athletes. In addition, adjustments to the selection criteria, including strength factors, may be made after the designated international calendar is available.
- Unless specifically indicated, all Designated Junior World Cups held outside of the Pan American zone will have a minimum strength factor of 1.2. All Designated Junior World Cups held in the Pan American zone will have no minimum strength factor.

- Designated Senior international events held after the selection date will not count for Junior rolling or team points, unless specified in the selection criteria.
- Points awarded for 33-64 placements at Senior, Junior and Cadet domestic competitions will be considered for rolling points only.
- For any international designated event that does not meet the FIE criteria (see [FIE Organization rule o.4](#)) points will be calculated according to the strength factor formula and be considered in Group I, unless otherwise specified in selection criteria.

* No later than 10 business days after the selection date the National Coach may propose an alternate fencer solely for the team competition. Should an illness or injury to one or more of the selected athletes occur after 10 business days following the selection date, this procedure can be initiated at any time thereafter.

The replacement fencer will become a member of the team for the team competition in place of one of the four fencers selected for the individual events. The replacement fencer is not eligible for the individual competitions (unless one of the four fencers becomes ill or injured and the replacement fencer named to the team is also the first alternate for the individual competitions).

The National Coach must clearly demonstrate the ability of the proposed team replacement to perform at a high level, specifically in international team events. Evidence may include bout sheets from previous senior or junior-level international competitions. Team event performance will be given more weight than individual results.

The proposed replacement must:

- Be ranked in the top 8 of the National Junior Team Point Standings as of the selection date, **OR**
- Be selected for the 2026 Cadet World Championships: **OR**
- Have previously competed in a Senior or Junior World Championships team event.

The team replacement will be recommended by the National Coach and approved only with a majority vote of the panel composed of the following:

1. National Coach for the opposite gender in the same weapon (if conflicted[^], a National Coach from another weapon will serve)
2. USA Fencing Chief of Sport Performance
3. A non-conflicted[^] retired Olympian from the same weapon
4. Chair of the USA Fencing Athlete Council. If the Chair is currently competing in the weapon and gender of the proposed replacement, a non-conflicted[^] member of the Athlete Council will replace them. The member will be chosen by a majority vote of the Athlete Council. An ex-officio member shall be eligible to serve.
5. A non-conflicted[^] USA Fencing representative to the USOPC Athletes' Advisory Council. If this is not possible, a second member of the USA Fencing Athlete Council will be selected as described in number 4 above.

[^]Conflicted refers to an individual who is from the same club or university or who has any perceived conflict to the fencer in question. The USA Fencing CEO will make the final judgment on whether or not an individual is conflicted.

In the case of approval of the team replacement, no further replacements shall be made for the team event, except in the case of injury or illness.
