TRIAL & CAMP BID INFORMATION

Trial & Camp Bid Information

USA Artistic Swimming is pleased to take this opportunity to introduce you to the Olympic sport of artistic swimming and its national events. USA Artistic Swimming hosts a series of national and international artistic swimming throughout the year.

USA Artistic Swimming will accept bids from any city, CVB, sports commission or artistic swimming division interested in hosting a national event. The bid must provide facilities, commit services, supply personnel, volunteers and proposed host hotels to USA Artistic Swimming. The range of events and the flexibility that USA Artistic Swimming offers in sharing responsibilities provides hosts with various levels of involvement.

Proposals Deadline

2027 proposals are due by Aug 1, 2026
2028 proposals are due by September 1, 2026
2029 proposals are due by September 1, 2027
2030 proposals are due by September 1, 2028

USA Artistic Swimming will rotate National Team Trials and All Star Camp/Coaches College event location annually. USA Artistic Swimming may rotate or keep same location for Rising Star Camps annually.

Proposals are accepted and evaluated on a rolling basis, so events may be awarded to cities that have submitted excellent bids in advance of the deadline.

Event Housing

Housing Service (HS): USA Artistic Swimming has a partnership with TEAMS Solutions. The event host will be required to work with our housing partner to find hotels in close proximity to the venue and assist in covering fifteen (15) complimentary rooms for head staff and officials, a minimum rebate of $15, and a 10% commission. The headquarters hotel shall be near the venue. All hotels should be within 20 minutes of the venue. Preference will be given to hotels that offer no attrition.

Bids will not be awarded until sufficient hotel needs are deemed available.

REQUIRED: Complimentary breakfast for any official or staff staying at a headquarters hotel from the day after check-in through the day of departure.

BID INCENTIVES

A LOC that is comprised of both representatives of a local artistic swimming club (when possible) and CVB/Sports Commission members provides the most attractive combination for a successful event. The following are additional incentives when selecting our host location:

- The city is located within one hour to a hub airport.
- Bids that cover the cost of the facility rental are viewed favorably.
- Covering the cost of catering meals for staff and judges. Additional incentive when including coaches in this catering.
- Having the host hotel(s) within walking distance of the venue for convenience and to alleviate USA Artistic Swimming of having to use cabs/rental cars/shuttles.
- Provide a keepsake/gift for all registrants (150 - 1,500 total depending on the event) – typically something with the city logo.
- Securing of city/local grants to aid local grassroots/developmental artistic swimming programs.
