Minutes

1. Committee Discussion – 2022 ILST
What Went well?
Smaller sessions, spacing of sessions (breaks in between) was nice. Everyone LOVED the Food Trucks!
What can be improved?
Many comments disliking the sessions being organized by entry total resulting in athletes not knowing who they were competing against and delays in knowing who won. Disliked Women / Men being separated by day. All disliked only having access to the portable toilets.

Group agreed to send a survey to coaches, athletes at 2022 Illinois State Championship meet to ask them what went well and what we can improve upon. Laura and Gwen will handle this.
2. Youth Weightlifting donation box was a success. Laura will keep the donated items with her and create an inventory list for the IL WSO website so people can know what is available.

3. IL WSO will update the State Records reflecting the results from the 2022 IL ST meet.
4. It has been proposed that the IL WSO purchase a 3rd set of 25kg competition plates to add to our competition set. We have lifters strong in the area that require more than 2 reds on a competition barbell. Eleiko has given the IL WSO a price of \$845.

All in attendance voted to purchase the bumpers. Since many committee members were not present at this vote, an email will be sent out with details asking for vote from all members via email.

5. The next, meeting will be July 17, 2022, at 5pm.
