

U.S. PARALYMPIC TRACK AND FIELD TEAM TRIALS

JULY 18-20, 2024
MIRAMAR, FL

Volunteer responsibilities for the 2024 U.S. Paralympics Track & Field Trials:

1. Registration- Distribution of athlete packets & credentials, answering questions, providing directions to spectators and participants.
2. Results- Assisting the timer in giving results to proper officials. This position will require walking however elevator access is available.
3. Hospitality- Assist with food, drink and security for hospitality areas for staff and officials.
4. Access Control- Ensure only approved personnel access specific areas.
5. Track event support- Assist in lining up athletes for competition, assist in the athlete call room.
6. Field Event Support- Assist officials rake pits, retrieve implements and/or record results.
7. Anti-Doping Chaperone- Working with a doping control officer identify athletes needed for testing and chaperone them to the testing location in the stadium (must be willing to complete safe sport and background check)
8. Utility/Miscellaneous- willing to be placed anywhere as needed (with the exception of a chaperone).
9. Event Setup/Teardown- Help hang banners, set up equipment, tents, etc. for the competition. Help remove all items following the competition.
