## Kata Categories

Kata National Championships will be conducted in accordance with the current procedures of USA Judo. The IJF criteria will be applied with the exception of an IJF-label judo gi and back patch are not necessary for a correct judo gi.

The 2025 Kata National Championships will include the following categories: Open, Intermediate and U23 (athletes born 2002 or later). The Intermediate category is targeted at developing teams. Teams who have competed at the international level are not eligible for the Intermediate category in that kata (division).

- Former USA kata team members can only compete in the U23 or Open category in their internationally competed Kata(s).
- If a player has previously medaled in a Sr Nationals Open category in a kata, they cannot compete at the intermediate level in that kata.

Each division within each category will be a combined division irrespective of gender. Example: For the division of Nage-no-kata in the category of U23, the division will include all kata teams irrespective of gender (that is, male, female and mixed teams will compete together).

Divisions in each category (Open, Intermediate and U23) are as follows:

Open	Intermediate	U23
Nage no Kata	Nage no Kata	Nage no Kata
Katame no Kata	Katame no Kata	Katame no Kata
Ju no Kata	Ju no Kata	Ju no Kata
Kime no Kata	Kime no Kata	Kime no Kata
Kodokan GoshinJutsu	Kodokan GoshinJutsu	Kodokan GoshinJutsu
Isutsu no Kata		
Koshiki no Kata		

An athlete may only enter each division once. Examples: An athlete may not enter Open Nage-no-kata with two different partners. An athlete may enter Open Nage-no-kata and Intermediate Nage-no-kata with two different partners, if the skill level is appropriate.

All-around awards will be given to male, female and mixed teams. To qualify for an All-Around award, the same kata team athletes must enter and compete in at least three katas. The role of uke and tori may vary but the athletes must be the same.

Teams in the Open and U23 categories will have first consideration for USA teams for the IJF Kata World Championships and PJC Pan American Kata Championships in the U23 and Open categories. Note: Athletes seeking to compete in international competition must meet that event's criteria, including age eligibility criteria.

## Weigh In

A calibrated practice scale will be available prior to, and during, the weigh-in periods. However, in no case will contestants be allowed on the Official Scale during Official Weigh-in for the purpose of checking weight.

Athletes may check weight as many times as desired prior to the official weigh-in on the official scale. An athlete is given only one chance on the official scale during official weigh-in. Open division contestants do not need to weigh in. **At weigh in, athletes competing in Senior Elite, IJF-Junior and Visually Impaired categories must present a government issued photo ID.** Photo ID not required for all other categories.

**Naked weigh in is not allowed for any age/weight category.** To compensate, 0.1kg will be allowed. For example, in the 44kg category the limit will be 44.1kg. This is a clothing allowance only and the 0.1kg will only be added to the true weight.

Athletes who neglected to change their weight during the check in process and missed weight during official weigh in, may enter an additional category by registering (and paying) for the new category as a walk-up registration.

**IMPORTANT:** All athletes must make their declared weight as registered unless a change is made during the check in/registration process prior to getting on the official scale. Athletes may change their weight category during check in/registration. Failure to make declared weight will result in the athlete not competing in that category. Athlete will not be automatically moved to next weight category. Once official weight is recorded, no changes to weight category will be accepted.

**NO CHANGES WILL BE ACCEPTED AT WEIGH IN.**

## Check In

Check in only if you have a change to your weight or category. If there are no changes to be made, please proceed directly to weigh-in. **No changes will be accepted or made at weigh-in.**

## Exhibition Matches

Exhibition matches may be offered for those athletes who are uncontested in their true age/weight category. Only those athletes who are uncontested may request an exhibition match. All efforts will be made to find one or two athletes within appropriate age/weight willing to participate. No points or medals will be awarded for exhibition matches. Request for exhibition matches must be made to the event director no later than 10 a.m. on the day that their uncontested category was scheduled. Blue and white gis still will be required.

## Club Affiliation

Only current USA Judo clubs in good standing, at the time of registration, will be associated with the athlete's entry. Non-USA Judo clubs will not be affiliated with a registered athlete. Club affiliation is not required to compete in this tournament.

## Credentials

Athletes will be issued their credentials during the weigh-in process.

## Confirmation of Categories / Draw

A preliminary list of athletes by category/weight will be available at <https://usajudo.smoothcomp.com>. Athletes/coaches/representatives for the athlete are required to check the list to ensure the athlete is in the correct category/weight.

- Any corrections should be reported immediately to staff no later than 8 p.m. on Friday, May 23. All corrections must be emailed to [Vaughn.Anderson@usajudo.us](mailto:Vaughn.Anderson@usajudo.us) or submitted in person onsite. **PHONE CALLS OR TEXTS WILL NOT BE ACCEPTED.**
- Corrections will be processed, then the draw will be run. Draw brackets and fight sheets will be posted at <https://usajudo.smoothcomp.com>.
- **IMPORTANT:** This period is for corrections / confirmations of changes made during the check-in/registration time period. **NO OTHER CHANGES WILL BE ACCEPTED.**

A representative for each athlete must review the posted preliminary list to ensure the athlete is in the correct category. Failure to confirm or make corrections during the Confirmation of Categories period may result in the athlete NOT COMPETING IN THIS TOURNAMENT. All draws will be conducted using USA Judo approved software. See Rules and Method of Competition for all seeding information. With the exception of seeding, the draw will be random. Once the draw is complete, there will be no changes except if two or more athletes fail to make weight or report to weigh-ins in the same category, the division may be redrawn.

## Rules and Method of Competition

The Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation, as revised for this tournament. The exception to the IJF rules will be the usage of the competition methods for Veterans and IJF-Junior and categories and the match time for Veterans.

1. Points on the USA Judo National Roster will be awarded in Senior, Veteran, Visually Impaired and IJF-Junior categories only as outlined in the respective criteria. Criteria can be found at [www.usjudo.org](http://www.usjudo.org).
2. Athletes may only enter one weight per eligible category with the exception of Open weight, if applicable.
3. Shime-waza is allowed for all shiai categories except novice category and veteran categories for athletes in the 60 and older age groups.
4. Kansetsu-waza is allowed for all categories except novice category.

### Match Lengths

*Senior, IJF-Junior, Visually Impaired, Brown Belt and Novice Categories*

- Male: 4 minutes
- Female: 4 minutes
- No Golden Score time limit

*Veteran Categories*

- M1 / F1-M6 / F6: 3 minute time limit, plus 2 minutes Golden Score
- M7/F7-M10/F10: 2 minute time limit, plus 1 minute Golden Score

### Competition Method:

*Senior, VI Categories*

Categories having six (6) competitors or greater: Modified Double Elimination with Two Bronzes. All athletes are guaranteed 2 matches. After first loss, players will drop to the losers pool and cross over to fight for bronze medals. The 2 finalists will fight for first and second.

Categories having five (5) Competitors or less: Round Robin Pool (every competitor competes against every other competitor). The order of finish is determined by number of wins, then, if tied, by total points. If tied in wins and points, the winner of the head-to-head competition between the two who are still tied determines the winner. If three or more are still tied in wins and points for any place (first, second, or third), those contestants involved must contest again to determine the order of finish. Points are given to the winner only and shall be based on the highest single score of the winner, after factoring out scores that cancel out each other. Point values are Ippon= 10, Waza-ari= 7, Yuko= 3, win by shido=0. If a contestant withdraws from a division prior to the beginning of his or her final match, the results of all that person's previous matches shall be discarded.

## Round Robin Clarification:

- If Athlete A pulls out before finishing competition against other athletes in the category and does not go out onto the mat, all points won or lost associated with Athlete A are removed. No medal is awarded to Athlete A
- If Athlete A cannot finish competing but goes out onto the mat (field of play), then Athlete B wins and is awarded ippon points. Athlete A receives 0 points.
- If Athlete A, who did not finish competing but went out onto the mat, they are eligible to medal.

## *IJF-Junior, Brown Belt, Novice, Veteran Categories*

True Double Elimination System with winner's and loser's brackets will be used. The winner of the loser's bracket will compete against the winner of the winner's bracket for 1<sup>st</sup> and 2<sup>nd</sup> place. The first one of these two contestants to have two (2) losses will be placed second; the other will be placed first. The loser of the loser's bracket will be placed 3<sup>rd</sup>. For categories of two and under contestants, round robin will be the method of competition.

## **Seeding**

Senior Only: The top four athletes on the USA Judo Senior National Roster, who are in attendance, will be seeded, provided that they are ranked at A through D levels as follows: A (or B) side: #1 and #4 in one half, #2 and #3 in the other half. A higher seeded athlete will always receive a bye before a lower seeded athlete.

Athletes having the same state affiliation will be placed as far apart in the bracket as possible. Seeded athletes lose their State/Club affiliation for purposes of the draw, i.e., two athletes from the same state or club may meet in the first round if one is a seeded athlete.

IJF-Junior only: The top four athletes will be seeded in each division. If seeded athlete is not present, the other athletes will move up in seeding.

Seeded athletes will be separated as far as possible in their sections of the draw and will receive byes if available. A higher seeded athlete will always receive a bye before a lower seeded athlete.

## **Injury Rule**

Decisions regarding on mat injuries, are to be resolved in accordance with IJF rules; such decisions occurring off the mat or not covered by the IJF rules, are to be made by the coach, the athlete, and appropriate medical staff. If there is not a unanimous opinion among these three individuals, the athlete may not continue (Board-approved October 22, 1998)

## **Multiple Category Entries**

For those athletes who elect to compete in multiple categories, efforts will be made to separate the competition times, but this cannot be guaranteed and a decision may need to be made by the competitor as to the match in which they compete, thereby forfeiting one of the two matches. If categories are competing at the same time, the athlete must move from one category (on mat) to their waiting category with no rest time. If a competitor has matches immediately after one another, they must move to the waiting mat and begin competition immediately with no 10-minute rest.

## Judo Gi / Undergarments / Changing

For all categories, regardless of age, blue and white gi requirement is mandatory. IJF approved labeled gis are not required but fit must meet IJF standards. Back patches are not required.

Appropriate undergarments must be worn by all athletes. Female athletes shall wear under the jacket either, a plain white or off-white T-shirt, with short sleeves, long enough to be worn inside the trousers, or a plain white or off-white leotard with short sleeves. The white T-shirt should be round necked. No marking can be visible when the judogi is done up. Athletes needing to change clothes/judo gi should do so in a restroom, locker room or other area specifically designated for changing.

## Minor Athlete Abuse Prevention Policies (MAAPP)

The U.S. Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. The full MAAPP policy and the reporting mechanism for SafeSport infractions can be found at <https://www.usajudo.com/safe-sport>.

USA Judo defines “regular contact with minors” as: “Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s). In the spirit of the moral code of judo, USA Judo requires adult members to self-certify whether or not they considered having “regular contact” with minors based on the aforementioned description. If an adult member is unsure whether or not they have “regular contact” with minors, USA Judo encourages those individuals (and their clubs) to err on the side of caution and complete the SafeSport Training and Certification. USA Judo, in cooperation with USA Judo Clubs and all LAOs, has the right to randomly review and assess members who may have regular contact with minors and require compliance if/when considered necessary by USA Judo Leadership.

The USA Judo SafeSport Handbook can be found at <https://www.usajudo.com/safe-sport>.
