Welcome to Omaha!

It is a privilege to host the 2024 USA Triathlon Multisport National Championships Festival. Whether you are a seasoned competitor or a first-time participant, this event is a celebration of sportsmanship and a testament to your strength.

The festival is an opportunity for athletes and fans from across the country to experience our vibrant city. Omaha offers must-see attractions that will surprise and entertain you. Omaha's Henry Doorly Zoo & Aquarium, recently named the #1 zoo by USA Today readers, is home to the world's largest indoor desert, under the world's largest geodesic dome, across from North America's largest indoor rainforest.

The RiverFront is a 72-acre downtown oasis that includes imaginative playgrounds, recreation, public art, and the Kiewit Luminarium, an interactive science and technology center. The RiverFront is just one example of the more than \$8 billion in development that is currently reshaping Omaha into a destination for sports, entertainment, and leisure travel.

I hope you have many memories, achievements and moments of triumph during your visit to Omaha. We hope to welcome you back again next year.

Sincerely,

Jean Stothert
Mayor, City of Omaha
