

Umpire Level Requirements

August 1, 2024

There are four levels of umpires: USATT examines and qualifies Club, Regional and National Umpires. USATT then nominates qualified candidates to the ITTF to take the International Umpire exam which is normally given in the Spring of even numbered years.

All exams are updated following any changes in the laws and regulations. Upon applying to take the exam and paying the appropriate fee, the candidate will be sent all appropriate references.

The revisions listed below are effective August 5, 2024.
