Hello Team,

I began Judo at the age of 4 at the LA Judo Club in Los Angeles, California, and today I'm proud to be a resident athlete with the USA Judo National Resident Team in North Carolina.

Judo has been a central part of my life, and I'm deeply committed to the sport in every aspect. After discussing this AAC opportunity with my coaches, senseis, and family, I'm excited and ready to contribute in any way I can.

Let's go, USA Judo!
