The Team USA AC Representative will be included toward the 20% 10 Year Athlete representation of the Board's voting members. In addition to the 10 Year Athlete and 10 Year+ Athlete requirements, all applicable eligibility requirements, the conflict of interest policies, and code(s) of conduct of all relevant stakeholders (i.e., NGB, USOPC, and/or AAC) will apply in determining the eligibility of a candidate.

Uses the rules of play adopted by this Corporation or a variation thereof approved by this Corporation.

Supports in word and action the policies, goals, and programs of the Corporation.

Makes application for affiliation purposes to actively participate in the conduct of the affairs of the Corporation.

Once all points of qualification under Article VI, 601.0.A.2.c have been satisfied, an individual representing an amateur sports organization who requests to join the USA Racquetball Board of Directors may become a voting member of the USA Racquetball Board effective immediately, pending approval via a 2/3 vote of the entire Board of Directors.

(Additionally see 601.0.A.1)

### 4. BOARD RIGHTS

The Board of Directors has the right to reject a membership application, to deny renewal of membership, and suspend or terminate the membership of anyone whose public actions have been judged detrimental to the welfare, image, and well-being of racquetball.

The Board of Directors may authorize the Executive Director to sign all contracts and other instruments in writing, subject to approval of each such contract or instrument by the Board of Directors.

### 5. BOARD FUNCTIONS AND RESPONSIBILITIES

Board members, regardless of how they were selected for Board service, are subject to all rules and entitled to all the privileges governing other members of the Board except as otherwise stated in these By-Laws.

All Board members must complete all agreement documents and processes required, including but not limited to confidentiality, conflict of interest disclosure (see Article V, Section 503.0.A), background check, SafeSport education/training, social media, and any other agreements deemed necessary to ensure the integrity of the Board.

Review and approval of USA Racquetball's strategic plan and budget  
Oversight of the financial activities throughout the fiscal year  
Review and approval of the financial statements, annual reports, financial and control policies, and selection of independent auditors  
Selection, compensation, evaluation, and termination of the CEO/ED  
Ensure that athlete safety rules, policies, and procedures comply with the requirements of the USOPC and U.S. Center for SafeSport.

## **B. Executive/Ethics/Personnel/Grievance Committee**

**1.** The Board of Directors contains an Executive/Ethics/Personnel/Grievance Committee comprised of the following officers of the Corporation: President, Executive Vice President, Secretary, and Treasurer.

One or more Athlete Representatives must be members of the Executive/Ethics/Personnel/Grievance Committee pursuant to USOPC requirements (see 601.0.A.2.b). These individuals may simultaneously serve in officer capacities as determined by the Board of Directors.

The Executive Director serves in a non-voting advisory role for the Executive/Ethics/Personnel/Grievance Committee. The Immediate Past President may serve in a non-voting advisory role on the Executive/Ethics/Personnel/Grievance Committee. (See Article VIII, 806.0.A.1).

Per the designation at the top of page 4 of these bylaws, should the occasion arise to install a temporary Office of the Executive Director (OED) structure, it shall be defined as "two or more individuals acting together collaboratively in volunteer leadership and coordination roles to jointly fulfill the responsibilities of an Executive Director." Should the Board vote to install an Office of the Executive Director structure, the terms Executive Director and Office of the Executive Director shall be synonymous in these Bylaws and all USA Racquetball policies unless otherwise noted.

If an OED structure is adopted and if one or more of the volunteer OED members also serve in roles as elected or appointed Board members/officers, they may exercise both voice and vote on Board and Executive/Ethics/Personnel/Grievance Committee motions and participate in decisions made by either body as appropriate (if not affected by conflict of interest issues per USA Racquetball's Conflict of Interest Policy).

**2.** The Executive/Ethics/Personnel/Grievance Committee is empowered to act for the Board of Directors between meetings and may transact business and administer the affairs of the Corporation and the Board of Directors. The Executive/Ethics/Personnel/Grievance Committee will provide regular updates to the Board of Directors either in written form or as part of the next regular Board meeting as circumstances dictate.

**3.** The Executive/Ethics/Personnel/Grievance Committee meets at such times and places as it determines or upon the call of the President, or upon the call by a majority of its members.

4. A quorum of the Executive/Ethics/Personnel/Grievance Committee consists of a simple majority of the Executive/Ethics/Personnel/Grievance Committee.
5. Officers may not serve as officers at another USOPC National Governing Body.
6. The Executive/Ethics/Personnel/Grievance Committee acts as the first point of contact for grievances, either choosing to directly adjudicate as a committee or, alternatively, appointing appropriate committees and/or individuals to comprise adjudication panels responsible for addressing specific individual grievances. This approach allows for inclusion of subject matter experts with specialized functions/knowledge and others chosen to provide the most balanced and fair handling for each grievance brought to the association. Whether any grievance panel is the Executive/Ethics/Personnel/Grievance Committee itself or an alternative appointed panel, athlete representation percentage in accordance with USOPC Bylaws Section 8.5.3 is mandatory.  
(Also see 903.0, Standing Committees, Executive/Ethics/Personnel/Grievance Committee)

**602.0 COMPENSATION.** No member of the Board of Directors will receive compensation for any services rendered without full disclosure to and prior approval by the Board of Directors. The Corporation may make reimbursement for reasonable expenses incurred by a Director in the course of his/her duties. (See 601.0.A.2.c)

#### **G. Appointments to Vacated Seats/Employees**

**1. Appointments to vacated seats** Mid-term open Board seats filled by Presidential appointment [per USAR By-Laws 804.0.B and 804.0.D] will be tracked on the basis of term length. If the same individual resigns a second time, he/she is no longer eligible for future Board service, either appointed or elected. Based on circumstances, either of these scenarios can be overturned by a 2/3 vote of the Board of Directors.

**D.** If the Board member who dies, resigns, or is removed is an athlete representative, the USA Racquetball Athletes' Advisory Council, in consultation with the USAR Election Committee, will recommend to the Executive/Ethics/Personnel/Grievance Committee an interim athlete representative, to be appointed by the President, who meets the requirements to be an athlete representative (see 601.0.A.2.b).

**2.** If at any point in time the Board of Directors roster does not reflect required athlete representation, the Board of Directors may not vote on Board business concerning elite athlete issues until the roster is compliant.

**E.** If a Board member who has served all 12 months in a calendar year does not attend at least 50% of the scheduled conference call meetings in the course of that year, he/she automatically vacates his/her position on the Board. (Exception: excused absences as determined by the Executive Committee) For Board members who have served part of the calendar year, if he/she does not attend at least 50% of the scheduled conference call meetings during his/her time of service, he/she automatically vacates his/her position on the Board.

The Executive Director will have responsibility of providing electronic means in all meetings of the Board of Directors.

Attendance will be tracked by the Secretary of the Board or another assigned Board member. The respondent's answer per the above will be communicated to the filing party. The filing party will be advised that all parties have the right to engage counsel or representation. Notice of the identity of any witnesses that will appear at the hearing will be provided to all parties.

**4.** The notice will request the respondent to appear at the hearing and inform the respondent of his/her rights to (i) be represented at the hearing by counsel or a representative of his/her own choice and (ii) present relevant evidence, testimony, and argument in defense of the charges.

**5.** The notice should be sent to the last known address by certified mail. When the notice is mailed to a registered athlete, it is sufficient to mail the notice addressed to the athlete at the address provided in their USA Racquetball membership profile.

The date of hearing shall be no less than 15 days or more than 60 days after the date of mailing of the notice via certified mail.

**6.** The notice shall also describe the right of appeal to the appropriate appellate authority if a decision is rendered against the person or entity charged and that the appeal must be made in writing within 30 days of being notified of the decision.

**7.** The Hearing Panel will be composed of no fewer than three (3) and no more than six (6) non-biased and impartial persons. Before the Hearing Process is administered, Hearing Panel appointees must disclose conflicts that could render them as biased and not impartial. Members of the State association's Board of Directors are acceptable provided they are not a party to the proceedings. All Hearing Panel members must have been members of USA Racquetball for at least one year at the time of appointment to the Hearing Panel. If circumstances dictate having a person(s) involved who is not a USA Racquetball member, the Officers of USA Racquetball shall vote whether to include the individual.

Once the hearing panel has been appointed, the parties will be notified as to the identify of hearing panel members. If conflicts or concerns are raised regarding individuals appointed to the hearing panel, the filing party or the respondent may appeal to the Executive/Ethics/Personnel/Grievance Committee to present their concerns.

If the Executive/Ethics/Personnel/Grievance Committee determines that conflicts or concerns raised are reasonable and justified, the referenced individual(s) will be dismissed from the hearing panel prior to the start of the hearing process. Non-biased and impartial individuals will be appointed by the Executive/Ethics/Personnel/Grievance Committee to replace those dismissed.

**8.** The rules of evidence generally accepted in administrative proceedings shall be applicable in the hearing. The respondent has the right to (i) call witnesses, (ii) present relevant evidence, testimony, and argument at appropriate times, and (iii) confront and cross-examine adverse witnesses. Distribution of evidence to all parties should be such that the evidence can be inspected within a reasonable time to prepare positions in the matter.

**9.** The Chairperson of the Hearing Body should ensure that a written record of the proceedings is prepared.

**10.** All decisions of the Hearing Body shall be made by a simple majority of voting members. The Chairperson should vote only if necessary to break a tie vote.

**11.** A written decision, with reasons therein, shall be rendered within ten (10) days of the hearing and must be sent to the parties by certified mail.

**B.** If the foregoing procedures are not likely to produce a sufficiently timely decision to do justice to the affected parties, an organization with original jurisdiction may authorize agent(s) or representative(s), upon appropriate notice to the parties concerned as time and circumstances may reasonably dictate, to use the following special procedures to render a timely decision:

**1.** A special hearing may be conducted at the site of scheduled competition or competitive event, or by telephone or video conference if necessary, but in any event, under such conditions that will fully protect the rights of procedural due process of the individual or entity charged.

**2.** The notice of charges given to the individual or entity charged may be oral or in writing. If oral, they should be reduced to writing as soon as possible. An oral notice must comply with all notice requirements (except the time frames) set forth in paragraph A. of this article, including notice of the right of appeal.

**C.** Original decisions rendered by an organization may be appealed in accordance with the procedures at Article XVII. Any person representing a real party in interest may appeal. The appeal must be filed with the Executive Director of the Corporation within 30 days after the respondent received the written notice of the decision. Upon timely petition and upon showing of good cause, the time for filing an appeal of decision may be extended.

## **ARTICLE XVII – APPEAL PROCEDURES**

The following procedures apply to any appeal of a due process decision coming before the Executive/Ethics/Personnel/Grievance Committee of the Board of Directors or assumed by the National Board of Directors.

**A.** The right to appeal a due process ruling is NOT automatic. Decisions reached by authorities having original jurisdiction are final and will generally be honored by the Corporation. Only those matters that meet one of the following criteria may be appealed:

**1.** Allegations that due process procedure was not properly executed and thereby prejudiced the decision.

**2.** New evidence has since become available that could affect the decision, provided that the new evidence wasn't available at the time of the hearing.

**3.** Penalties imposed by the state association affect the player's ability to compete beyond the boundaries of the state.

**B.** The appellate decision consists of two steps--determination that the issue is one that can be appealed and, if so, determining what actions, if any, should be taken. The appellate authority can vacate, modify, sustain, or reverse any decision or order properly submitted for review, or remand the matter for further action.

**C.** Every appeal shall be instituted by a petition served upon the Executive Director of the Corporation and be accompanied by a \$100 filing fee payable to the Corporation. The fee shall be returned if the petition is upheld, but forfeited if it is rejected or abandoned.

**D.** The Executive Director shall send a copy of the appeal petition within 15 days to the entity having appellate jurisdiction over the matter.

**E.** The appellate authority should designate a panel of no fewer than six (6) of its members, 33.3% of whom shall be athlete representatives, to hear and decide an appeal of a decision made by an organization with original jurisdiction.

**F.** The procedures outlined in Article XVI for original jurisdiction (with appropriate modification) shall also apply for the appeal process.

**G.** A final and binding decision about an appeal shall be rendered within 75 days from date of filing of the petition by a majority of the acting panel based on the record submitted for review and on evidence submitted at such hearing as may be required by the panel. A written decision shall be sent to all parties. Petitions, once reviewed and decided, shall not be reopened except by direction of the Board of Directors of the Corporation or upon showing of sufficient cause to the chairperson of the National Rules Committee.

### **ARTICLE XVIII – ARBITRATION PROCEDURES**

**A.** As required by the Act §220522(a)(4), grievant has the opportunity to appeal a grievance decision in writing or submit in writing to a neutral third party, i.e., an established major national provider of arbitration and mediation services based in the U.S. and designated by the USOPC with the concurrence of the Team USA Athletes' Commission and the National Governing Bodies' Council.

**B.** Such demand for arbitration shall be submitted within 30 days of the decision being appealed and said hearing shall be within 60 days of the written notice to the Corporation.

**C.** Upon receipt of a request for arbitration, the neutral third party shall serve notice on the parties to the arbitration and on the Corporation, and shall immediately proceed with arbitration according to the commercial rules of the neutral third party in effect at the time of the filing of the demand, except that:

**1.** The arbitration shall consist of one arbitrator, unless the parties to the proceedings mutually agree to a different number,

2. The arbitration hearing shall take place at a site selected by the neutral third party unless the parties to the proceeding mutually agree to the use of another site,
  3. The arbitration hearing shall be open to the public,
  4. All expenses, e.g. legal fees, travel, per diem, etc., are the responsibility of each party in the arbitration. No fees/expenses may be paid from the Corporation to any parties bringing a grievance against the Corporation.
- D.** The arbitrator in any arbitration is empowered to settle any dispute arising under the provision of this act before making a final ruling, if mutually agreed to by the parties to the proceeding and achieved in a manner not inconsistent with the By-Laws.
- E.** Each contesting party may be represented by counsel or by any other duly authorized representative at the arbitration proceeding. The parties may offer any relevant evidence that they desire and shall produce any additional evidence, as the arbitrator believes necessary to an understanding and determination of the dispute. The arbitrator will be the sole judges of the relevance and materiality of the evidence offered. Conformity to legal rules of evidence shall not be necessary.
- F.** All decisions by the arbitrator shall be binding upon the involved parties, if such award is not inconsistent with the By-Laws of the Corporation.
- G.** A hearing may be reopened by the arbitrator upon his/her own motion or upon the motion of any contesting party at any time before a final decision is made, except that if any contesting party makes such a motion all parties to the decision must agree to reopen the hearings if such reopening would result in the arbitrator's decision being delayed beyond the specific period agreed upon at the beginning of the arbitration proceedings.

USA Racquetball has zero tolerance for retaliation against people who make good faith reports of potential ethical, policy, financial, or legal violations, or who cooperate with investigations of those reports. That means individuals who are governed by USA Racquetball policies, including but not limited to Athletes, Coaches, Event Directors, Referees, Members, Vendors, National Board Members, Officers, Contractors, and Staff, may not threaten, harass, discriminate against, or take any negative employment (where applicable) or participation-related action (e.g., discharge, demotion, suspension, non-assignment, negative review) on that basis. Any such retaliation will be treated as a violation of USA Racquetball's Code of Conduct, and it may lead to serious consequences including termination of participation for anyone involved in retaliation.
