Minutes

1. Review of hosting requirements for the 2024 IL State Championships. We will use a bid process similar to used in previous years.
Additions to the hosting requirements:
 - Meet cap increased to 140 athletes
 - Requirements to use competition software, WSO will pay the cost
 - Date of meet will be April 27-28 2024.
2. Repair of Platform – Casey is still working to find a contactor to do the work. We will also contact Matt Adamczyk (Useaka representative) to see if he has ideas.
3. IL WSO Website – Our website was part of USAW BARS. USAW has not renewed our domain name since August 2023. Therefore, if we want a website, the IL WSO must handle it ourselves.
4. Proposed additions to the IL WSO equipment -
We will purchase 3 pairs of 2.5kg technique bumpers and 3 pairs of 5kg technique bumpers.
This will support the growing youth population at our meets since many hosting gyms do not

have many technique bumpers available for the warmup room.

5. IL WSO wants to expand the Coaching Scholarship program for 2024. We propose to offer more scholarships. Our plan is to accept applications for the program in January 2024 and make our selection in early February.
6. Next meeting November 19, 2023, 5pm CST.
