

2023 USATT Competition Management Seminar

USATT invites all member clubs to join a Competition Manager Seminar designed for those interested in learning how to successfully organize USATT events. While prior competition management skills are not required, a background in table tennis is necessary. This seminar provides valuable knowledge for clubs looking to enhance their event management capabilities and contribute to the success of table tennis in the United States.

- 1) **Contacts:** Vlad Farcas – USATT Event Coordinator
