

Financial Disclosure Waiver

The Club Excellence Program requires clubs who are submitting applications to provide transparency on budget and financial outlines. This is to ensure ethical and organizational operations of the club for which, they are a member of Artistic Swimming, its National Governing Body. We understand that some clubs are privately owned and cannot share this information. This document presents a waiver to eliminate this requirement of the application. Please fill out the following form and submit to fulfill the financial acknowledgment.

This waiver exempts _____ from the requirement of submitting a financial statement and budget outline as part of the Club Excellence Program. I, _____, acknowledge, we are a privately owned entity, and cannot disclose our financial status. However, I can confirm our Artistic Swimming Club is in good financial standing and has procedures in place to protect the financial wellbeing of our organization.
