

Watch for emails from USA Karate

USA Karate is moving to a new membership system at usakarate.path2membership.com. Over the next few days you will receive emails from **USA Karate** asking you to set up your account. **They are genuine — please don't delete them.**

Your membership has not changed. Your membership, rank and dates all come across. The only new thing is how you sign in.

Can't find the email? Check your spam or junk folder, or skip it entirely: go to usakarate.path2membership.com, choose *Forgot it?* and enter the email address on your membership (see page 2).

Email 1: "Set up your USA Karate account"

Everybody with a membership record gets this one. Press **Set my password**, choose a password, and you are signed in.

The usual version

For most members.

USA Karate

Set up your account

Your USA Karate membership has moved to a new system. Set a password and your account is ready.

Nothing about your membership has changed — this is only about how you sign in.

Set my password

If the button does not work, paste this into your browser:
<https://usakarate.path2membership.com/reset.php?token=EXAMPLE>

Sent by USA Karate. If you were not expecting this, you can ignore it. Questions:
support@path2membership.com

If your membership renewed automatically

The same email with one extra paragraph: after your password you will be asked to add a card. Nothing is charged that day.

USA Karate

Set up your account

Your USA Karate membership has moved to a new system. Set a password and your account is ready.

Nothing about your membership has changed — this is only about how you sign in.

Level 2 - Regional Competition Athlete renewed automatically in the old system. After you choose your password you will be asked to add a card so it keeps doing so — **nothing is charged today**; the first payment is on Dec 15, 2026.

Set my password

If the button does not work, paste this into your browser:
<https://usakarate.path2membership.com/reset.php?token=EXAMPLE>

Sent by USA Karate. If you were not expecting this, you can ignore it. Questions:
support@path2membership.com

The button opens usakarate.path2membership.com. For your security the link in this email works for 3 days. If it has run out, use *Forgot it?* on the sign-in page instead — it sends you a fresh one.

Families and children

One email address covers everyone on it. If several members share your address, the email lists them all and one sign-in reaches each of them. A child's membership is managed from the parent's account.

Several members on one address

USA Karate

Set up your account

Your USA Karate membership has moved to a new system. This address covers more than one member, so one sign-in reaches all of them:

- Jordan Example
- Riley Example
- Casey Example

Nothing about your membership has changed — this is only about how you sign in.

Sent by USA Karate. If you were not expecting this, you can ignore it. Questions: support@path2membership.com

"Set up your family's USA Karate account"

When the address is on a child's record. The account belongs to you as their parent or guardian.

USA Karate

Set up your family's account

Your child's USA Karate membership has moved to a new system, and this address is on their record.

Because they are under 13, the account belongs to you as their parent or guardian. Set a password and you will be able to manage their membership, certificates, and renewals.

Nothing about your membership has changed — this is only about how you sign in.

No email? Claim your account yourself

1. Go to usakarate.path2membership.com.
2. Choose **Forgot it?** next to Password.
3. Enter the **email address on your membership**. We send you a link to set your password — it is the same as Email 1.
4. Not sure which email we have? Choose **Not sure which email?** on the same page.
5. If two adults share one email address, choose **Create an account** instead: it finds your record and asks which of you it is. If you no longer have the email on your record, it lets you ask USA Karate to change it. Please don't start a second account — your history is on your existing record.

USA Karate

Use the email address on your membership record. [Not sure which email?](#)

Email address *

Password [Forgot it?](#) *

[Sign in](#)

First time signing in here? If you were already a member, your record is waiting: choose [Forgot it?](#) and enter the email address on your membership — we will send you a link to set your password.

New here? [Create an account](#)

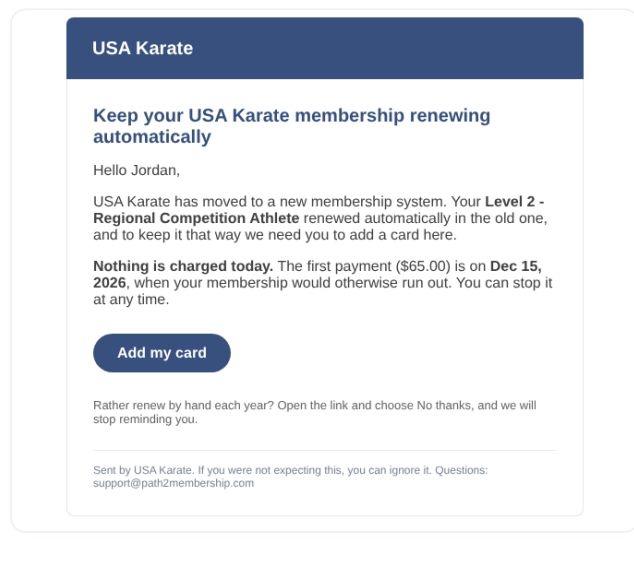

The sign-in page at
usakarate.path2membership.com.

Email 2 (some members): automatic renewal

You may also get **one** of these, from USA Karate, about renewing automatically. If you are setting up your account from Email 1 you can do both in one go.

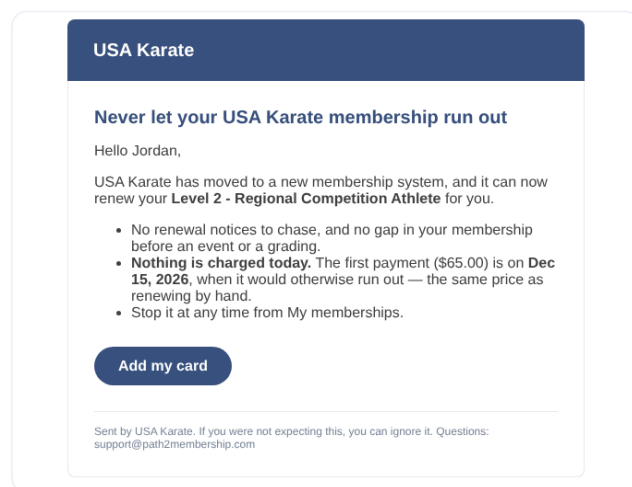

"Keep your USA Karate membership renewing automatically"

If your membership renewed automatically in the old system. Reminders follow after 7 and 14 days, and 3 days before your membership ends, until you add a card or choose No thanks.

"Never let your USA Karate membership run out"

If you renew by hand each year. Sent once, as an offer, with no reminders.

- **Nothing is charged today.** The first payment is on the day your current membership would end, at the **same price** as renewing by hand.
- **Add my card** opens usakarate.path2membership.com, asks you to sign in (or choose your password the first time), then opens *My memberships*: press *Renew this automatically* and enter your card.
- **Your card details go straight to our payment provider** and are never seen by USA Karate's membership system.
- **Prefer to renew yourself?** Choose *No thanks, I'll renew myself*. You can stop automatic renewal at any time from *My memberships*.

Questions? Once you are signed in at usakarate.path2membership.com, use the Support link to contact USA Karate.
